“...The College has well over 13,000 alumni and we continue to provide excellent medical training in one of the nation’s largest medical centers. At the UT Health Science Center College of Medicine, we are providing our students with the tools to cope with the 21st century. This is your opportunity to take advantage of all we can offer you when you choose our College of Medicine as your “home” for the next four years! The Medicine Admissions Office is excited about your future and we invite you to become a part of our university family!”
