SP Investigator Team Page

- All UTHSC personnel working on a project should be added to SP and complete CITI conflict of interest training and RCOI forms. All will need to have their IRIS flag thrown as “researcher.”

Reminder: Use Research Areas of Excellence Codes in SP Short Project Title

- Use of Research Areas of Excellence Codes, if applicable; please use if you can (put in short project title and be sure to include the + sign at the end; e.g., cancer is “CNC+”).
- Codes are in a link from the top of the General Info page in SP:

Health Science Center proposals only - at the end of the Short Project Name please enter one of the HSC Research Areas of Excellence from the list found [here](#)

Monitoring Subawards

- Watch subs – be sure the work has been done before invoices are processed
