UTHSC COLLEGE OF NURSING
FALL 2016 BOOKLIST

ACNP 804 Advanced Acute Care
Required Texts/Supplies
3. ECG Academy

ACNP 805 Acute Diagnostic Reasoning
Required Texts: (Currently these texts/software are required for most courses, plus additional course specific texts/software are listed)
Other Required Supplies:
You are required to have a WebCam and head microphone. This is a camera that connects to the computer (or is internally installed) so electronically we can see and hear each other live via the computer. WebCam’s are made by a variety of vendors as are head microphones to use with it. An alternative is use of Face Time on the iPhone or equivalent audio/video.

ACNP 807 Advanced Critical Care
Required Texts/SUPPLIES:

ACNP 809 Advanced Practice Practicum
Students are expected to refer back to all required text books used in the didactic courses as they participate in their clinical practicums.

ACNP 810 Advanced Practice Specialty
Required Texts/Supplies
ACNP 811 Advanced Clinical Assessment AG ACNP

Required Texts/SUPPLIES:

ACNP 812 Advanced Clinical Management AG-ACNP

Required Texts
Medatrax Software (NP.Medatrax.com) or Typhon (Nurse Anesthesia) is the clinical log software used by the DNP program; preference is for student to purchase access for 12 months. Compatible device for Medatrax: IPhone, IPod touch, IPad, large screen Droid, laptop (will need data card for internet access), or windows mobile 6.1 & 6.5 Professional PDA.

ANAN 817 DNP APN Anatomy

Required Texts:

OR

OR

**SUPPLEMENTAL TEXTS:**

**ANES 880 Principles of DNP Anesthesia Practice II**

**Required Texts:**

**Suggested Texts:**
ANES 885 DNP Anesthesia Practicum C

Required Texts/Supplies:

ANES 886 DNP Specialty Practicum A

Required Texts/Supplies:

ANES 888 Roles of DNP Advanced Nurse Anesthesia Practice I

Required Texts:
ANES 890 Roles of DNP Advanced Nurse Anesthesia Practice III

Required Texts/Supplies:

FNP 800 Advanced Family Nursing I

Required Texts/Supplies:

FNP 801 Advanced Family Nursing Clinical I

Same REQUIRED textbooks as FNP 800 ADVANCED FAMILY NURSING I

Required Texts/Supplies:

Other Required Supplies
White lab coat (short) with UTHSC student patch on left upper sleeve
Stethoscope (high quality), Pen light, Reflex hammer
Medatrax Software (np.medatrax.com);
FNP 806 Integrated Behavioral Health

**Required Texts/Supplies**

UpToDate: [http://www.uptodate.com/home/index.html](http://www.uptodate.com/home/index.html) (available to students through UTHSC library)

**Zoom** is a cloud meeting company. Students may set up a free account to be able to access video conferencing for instructor conferences, virtual classes, and to record interactions for class as directed. To set up new account: [https://zoom.us/signin](https://zoom.us/signin) For Downloads for different devices access: [http://zoom.us/download](http://zoom.us/download)

**Computer and Software Requirements** link is found on UTHSC CON Current Students webpage ([http://uthsc.edu/nursing/current-students/index.php](http://uthsc.edu/nursing/current-students/index.php)) under Academic Resources: Computer and Software Requirements. A Built-in Webcam or external webcam with video-audio capabilities is required, headphones recommended.

FNP 807 Management of Complex Health Problems

**Required Texts/Supplies**

**Other Required Supplies**
UpToDate: [http://www.uptodate.com/home/index.html](http://www.uptodate.com/home/index.html) (available to students through UTHSC library)

White lab coat (short) with UTHSC student patch on left upper sleeve
Stethoscope (high quality), Pen light, Reflex hammer

http://library.uthsc.edu/eresources/browse/mobile-resources-primary

Recommended Online Resources
Agency for Health Research and Quality http://www.ahrq.gov/index.html
Center for Disease Control and Prevention (CDC) http://www.cdc.gov/

HOPN 851 Leadership and Health Policy

Required Texts/Supplies:
Imprint: AUPHA/HAP Book

Suggested Texts / Optional:

2. Collins, J. (2001). Good to Great: Why some companies make the leap... and others don’t. NY. HarperCollins Publisher Inc.

If you have already read Covey or Collins’ book, you may pick any other book that addresses personal change and leadership. *Please send the name of your alternative choice to the faculty.*

Additional resource information, articles and web based material will be provided for each assignment while still others will be identified by students during the course. Students must have (or rapidly acquire) skills in computer usage, Blackboard and web based searches.
HOPN 877 Healthcare Economics
Required Texts/Supplies

The text comes in a package and includes a CD and InfoApps access to the Cengage website that offers articles and other resources on economics. However, feel free to buy a used copy of the book without the CD and website access. Most students have found the web itself provides enough sources for information. If there is confusion on the ISBN, just say which item you want and they should be able to find it. Other current readings, often from the news media coverage of issues, will be provided in Course Modules. Web based resources, articles and other materials will be posted with the assignments to assist you in exploring the topics of interest. Students are encouraged to contribute other resources they find useful.

NNP 818 DNP Neonatal Nursing I: Pathophysiology & Management
Required Text/Supplies
1. Required to purchase:
2. Digital copies of the following texts are available at: http://libguides.uthsc.edu/DNPNeonat or you may elect to purchase:

*Note: instructor reserves the right to assign readings from texts not listed here; however, these texts also will be available online.

NNP 829 Neonatal Nursing Birth through 2 Years of Age
Required Texts/Supplies
Digital copies of neonatal/pediatric texts are available at: http://libguides.uthsc.edu/DNPNeonat

Instructor reserves the right to assign readings from texts not listed here; however, these texts will be either be available online or provided within the module.
NSG 800 Biostatics and Epidemiology for Clinical Practice

Required Texts/Supplies
3. Gordis, L. (2013) Epidemiology. (Text can be accessed for free via the University Library)

(Instructor's note related to the Biostatistics book: Students may order them separately, or in the bundle {bundle is cheaper if you want a new text}. However, you MUST have both the text and the Blackboard course access materials).

BUNDLE (Includes 2 textbooks and Course Access)
BU- STATS FOR NURS 2E/ NVBB: BIOSTAT/ESS BIOSTATS PH 2E
ISBN 13: 9781284124255
NET PRICE $154.00
LIST PRICE $204.95

BB ACCESS CODE ALONE
NVBB: DNP- BIOSTATISTICS BLACKBOARD DNPC
ISBN 13: 9781449674762
LIST PRICE: $99.95

Other texts and websites that may be useful to students in NSG800 may include:

Suggested Texts / Optional:
(provided in PDF on Blackboard site for use with permission).
NSG 819 Evaluation of Practice

Required Texts/Supplies:

Software:
Microsoft Excel 2007 or newer

Institute for Healthcare Improvement (IHI) Open School Courses:

Students complete selected Institute for Healthcare Improvement (IHI) Open School Courses required for a Basic Certificate. The IHI Open School is an interprofessional educational community that gives students the skills in quality improvement, patient safety, teamwork, leadership, and patient-centered care to become successful change agents in health care improvement. These courses are FREE to students who register as UTHSC students. Instructions for enrolling in the IHI Open School are under **Course Resources**.

CITI Training:
Students must complete CITI Training to demonstrate their knowledge of Protection of Human Subjects in the ethical conduct of research/evaluation. CITI information is found in Blackboard Course Information and [http://www.uthsc.edu/research/research_compliance/OHSP/register.php](http://www.uthsc.edu/research/research_compliance/OHSP/register.php)

NSG 824 Advanced Health Assessment & Diagnosis

Required Texts/Supplies:
   - For registration and purchase, follow the guide at [https://shadow.desk.com/customer/portal/articles/980991-how-to-register-with-shadow-health](https://shadow.desk.com/customer/portal/articles/980991-how-to-register-with-shadow-health). You will need to copy and paste the unique PIN above to register in your fall course.
• Shadow Health recommends using headphones to access the concept labs in which you will practice identifying normal and abnormal sounds.

• After registering, access Shadow Health assignment at app.shadowhealth.com

Recommended Texts:
1. CD Recommended - Interactive Guide to Physical Examination, The Dept. of Family Medicine is available at UTHSC Bookstore. Needed with older Bates edition (without physical examination CD)

OR

The books below are recommended by NPs for primary care:

Free Resource:
http://www.geriatricsatyourfingertips.org/

Required Materials:
• Stethoscopes should be high quality stethoscope, you may use the type recommended for the students Concentration. Stethoscopes must have head enabling auscultation of pediatric heart and lung sounds.
• Pen light
• Percussion hammer. The inexpensive ones with the red rubber head are just fine.
• Diagnostic kits are required for the ACNP students and highly recommended for the FNP students. We only recommend Welch Allyn because of the ability to have these repaired. The PanOptic ophthalmoscope head is a part of the kit. This new head is more expensive but you will be greatly assisted in eye exams by learning to use this head.

NSG 837 Assessment Strategies in Psychiatric/Mental Healthcare
Required Texts/Supplies:

NSG 840-Special Topics-Acute Health Issues
Required Texts/Electronic Resources:
Boston University School of Medicine: SCOPE of Pain: Safe and Competent Opioid Prescribing Education. Website:
http://www.scopeofpain.com

Institute for Healthcare Improvement
IHI Open School
https://www.ihi.org
