

CURRICULUM VITAE

DONNA K. HATHAWAY
UTHSC DISTINGUISHED PROFESSOR
UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER
COLLEGE OF NURSING
877 MADISON AVENUE
MEMPHIS, TN 38163
(901) 448-6135 (OFFICE), (901) 448-6100 (FAX)

EDUCATION

<u>Institution</u>	<u>Degree/Other</u>	<u>Major/Minor</u>	<u>Year</u>
University of Missouri, Columbia Columbia, MO	BSN	Nursing	1971
University of Missouri, Columbia Columbia, MO	MS	Nursing Adult Health	1980
University of Texas at Austin Austin, TX	PhD	Nursing Adult Health	1984

EXPERIENCE

<u>Institution</u>	<u>Position</u>	<u>Years in Position</u>
University of Tennessee Health Science Center College of Nursing Memphis, TN	UTHSC Distinguished Professor	2011-present
University of Tennessee Health Science Center College of Nursing Memphis, TN	Dean and Ruth Neil Murry Chair	2000-2011 2009-2011
University of Tennessee, Memphis College of Medicine Memphis, TN	Professor Department of Surgery	1997-2000
University of Tennessee, Memphis College of Nursing Memphis, TN	Director, PhD program Director, Center of Nursing Research	1995-2000
University of Tennessee, Memphis College of Nursing Memphis, TN	Professor Director of Clinical Transplant Research	1993-present 1993-2000
University of Tennessee, Memphis College of Nursing Memphis, TN	Associate Professor and Coordinator, Transplant Research	1990-1993
University of Tennessee, Memphis College of Nursing Memphis, TN	Assistant Professor	1984-1990
Harry S. Truman Veterans Hospital Columbia, MO	Patient Care Coordinator	1983-1984
University of Missouri - Columbia Columbia, MO	Clinical Instructor	1984
Review for Nurses Inc. San Francisco, CA	Lecturer Adult Health Review	1982-1991
Lincoln University	Assistant Professor of	1980-1982

VITAE- HATHAWAY

Jefferson City, MO

Nursing Science

<u>Institution</u>	<u>Position</u>	<u>Years in Position</u>
Boone Hospital Center Columbia, MO	Surgical Staff Nurse	1980-1982
University of Missouri Hospital and Clinics Columbia, MO	Staff Development Coordinator	1979-1980
Columbia Public School, Program for Practical Nursing Columbia, MO	Coordinator	1975-1979
Columbia Public School, Program for Practical Nursing Columbia, MO	Instructor	1974-1975
University of Missouri Medical Center Columbia, MO	Head Nurse	1973-1974
University of Missouri Medical Center Columbia, MO	Staff Nurse	1971-1973

RESEARCH/GRANTS/CONTRACTS

Mediated body structure and function instructional modules for vocational health programs, \$25,000 from the Missouri Department of Elementary and Secondary Education, 1977-1980. (Project Director)

Energy expenditure during therapeutic leg exercises. A thesis completed in May 1980. (Principal Investigator)

A meta-analysis of preoperative instruction studies. Alpha Iota chapter of Sigma Theta Tau, June 1984. (Principal Investigator)

The efficacy of a preoperative assessment by operating room nurses. May 1985. (Co-Investigator)

Quality of life expectations of renal transplant recipients, 1986-1988. (Principal Investigator)

Use of an audio taped message during the final stages of surgery and the immediate post-operative period to facilitate recovery. A multidisciplinary project involving nursing, medicine, and psychology, 1987. (Co-Investigator)

Psychosocial adjustment of renal transplant recipients. A multi-stage project designed to define the problems encountered by transplant recipients and alter the post-operative approach to nursing care, 1986-1987. (Principal Investigator)

Health alterations in relatives of hospitalized patients, \$11,000 from University's Kellogg grant, 1987. (Principal Investigator)

Prediction of post transplant diabetes mellitus, 1988-1991. (PI AO Gaber, Co-Investigator Hathaway)

Pancreas transplantation: Monitoring of graft function, supported by GCRC grant #USPHS RR000211-26, 1989-1998. (PI AO Gaber, Co-Investigator Hathaway)

Renal transplant outcomes with low-dose steroid therapy, NR00029, \$366,494. Clinical Investigator Award funded by National Center for Nursing Research, February, 1990-1995. (Principal Investigator)

VITAE- HATHAWAY
PAGE 3

Psychosocial factors associated with compliance/noncompliance in adolescents with end stage renal disease, \$2,606 annually from LeBonheur Children's Medical Center Research Grants Program, 1990-1994. (PI Judith Ammons, Co-Investigator/Mentor Hathaway)

Pancreatic transplantation in non-end stage nephropathy, supported by GCRC Grant #USPHS RR00211-26, 1991-1998. (PI AO Gaber, Co-Investigator Hathaway)

A multi-center, open label randomized prospective study in stable renal patients comparing the effect of steroid withdrawal versus steroid maintenance in triple immunosuppressive therapy, \$62,500 from Sandoz Pharmaceutical, 1992-1993. (Co-Investigator)

Comparison of β -cell function, glucose metabolism and intermediary metabolism in recipients of pancreas allograft with systemic versus portal vein drainage, supported by GCRC grant #USPHS RR00211-26, 1992-1997. (Co-Investigator)

Reliability and validity of kg monitoring for the detection of pancreas allograft rejection, \$2,000 from North American Transplant Coordinators Organization, 1993-1994. (PI Debra Elmer, Co-Investigator Hathaway)

Use of videotape intervention of enhance living related renal allograft donation, \$2,000 from American Nephrology Nurses Association, 1994-1995. (PI Rebecca Winsett, Co-Investigator Hathaway)

Autonomic function and post transplant quality of life, R01 NR03871, \$980,000. National Institute of Nursing Research, February 1, 1995-January 31, 2000. (Principal Investigator)

Ventricular function after pancreas kidney transplant, \$114,329 from Baxter Corporation, July 1995-1998. (PI AO Gaber, Co-Investigator Hathaway)

Minority faculty supplement to autonomic function and post transplant quality of life, R01NR03871(01-05), \$289,965. National Institute of Nursing Research, 1995-1999. (PI Hathaway, Awardee Mona Wicks)

Quality of life and autonomic function in youth with IDDM. Career Development Award, \$209,899 from National Institute of Nursing Research, 1996-1999. (Sponsor, Awardee, Melissa Faulkner)

Post transplant quality of life intervention study, RO1 NR04687, \$2,486,054. National Institute of Nursing Research, January 1, 1998-December 31, 2004. (Principal Investigator)

Minority faculty supplement to post transplant quality of life intervention study, RO1NR04687, \$280,580. National Institute of Nursing Research, 1998-2002. (PI Hathaway, Awardee Judy Martin)

Social support for caregivers of renal transplant recipients, \$2,500 from International Transplant Nurses Society, 1998-1999. (PI Wicks, Co-Investigator Hathaway)

The effect of an exercise program on cardiac autonomic function, exercise capacity, and quality of life in kidney-pancreas transplant recipients, \$2,500 from International Transplant Nurses Society, 1998-1999. (PI Patricia Cowan, Co-Investigator Hathaway)

Influence of side effect profile on compliance and transplant outcomes, \$10,000 from NATCO/Sangstat, September 1, 1999-September 1, 2000. (PI Rebecca Winsett, Co-Investigator Hathaway)

The effects of an exercise program on cardiac autonomic function, exercise capacity and quality of life in kidney and kidney-pancreas transplant recipients, \$6,000 from American Nephrology Nurse's Association, 1999-2000. (PI Patricia Cowan, Co-Investigator Hathaway)

Heart rate variability and mortality in end-stage renal disease, \$5,000 from National Kidney Foundation of West Tennessee, 1999-2000. (PI Ann Cashion, Co-Investigator Hathaway)

Heart rate variability and sudden cardiac death in end-stage renal disease, \$1,500 from Sigma Theta Tau, Beta Theta at-Large Chapter, 1999-2000. (PI Ann Cashion, Co-Investigator Hathaway)

Staying alive: A targeted cardiovascular risk reduction intervention for female kidney transplant survivors, \$15,000 from UT Center for Women's Health Improvement, 1999-2000. (PI Judy Martin, Co-Investigator Hathaway)

Dysautonomia, exercise, and post transplant quality of life, RO1 NR03871(06-11) \$2,250,624 from National Institutes of Health. (Principal Investigator) 2000-2006

Impact of organizational and operational structure on living organ donation, \$100,000, R073850034 from National Institutes of Health, , 2001-2003. (PI Rebecca Winsett, Co-Investigator Hathaway)

Efficacy of interventions on compliance in post renal transplant recipients, \$10,000 from NATCO/Sangstat, August 2000-August 2001. (Co-PI's Rebecca Winsett and Donna Hathaway)

Nurse Practitioner Use of Telehealth for Transplant Care, R01NR08917, \$2,000,000 from National Institute of Nursing Research, 2004-2009. (PI Rebecca Winsett, Co-Investigator Hathaway)

Race Obesity and the Enteroinular Axis in Adolescents, 1K23RR020788, \$675,000, from National Institute of Health 2005-2010 (PI Pedro Velasquez, Co-Mentor Hathaway)

INSIGHT for Black Female Caregivers, R15NR008875, \$375,000 from National Institute of Health/National Institute of Nursing Research, 2005-2008 (PI Mona Wicks, Co-Investigator Hathaway)

Predictors of Sexual Function and Quality of Life Following Vulvar Excision, 1K23NR009968A, \$322,418, from National Institute of Health/National Institute of Nursing Research, 2007-2010 (PI Wendy Likes, Co-Mentor Hathaway)

Socioeconomic Status and Post-Injury Quality of Life and Functional Ability, K23GM84427, \$641,573 from National Institute of Health/National Institute of General Medical Sciences, 2008 – 2013 (PI Benjamin Zarzaur, Co-Mentor Hathaway)

Advanced Education Nursing Grant Program - Rural Advanced Practice Nursing: Post BSN to MS/DNP, \$890,421.72, from Health Resources & Services Administration (HRSA) 7/2009 – 6/2012 (Project Consultant)

Genetics, Environment, and Weight Gain Post-transplant, R01 NR009270 \$307,808) from National Institute of Health/National Institute of Nursing Research, 2011-2013 (PI for grant year 05 of this 5-year study).

NIH-NINR-F31/NRSA training grant. "Dopaminergic Genetic Contributions to Obesity in Kidney Transplant Recipients". 2013-2015 (PI, co-sponsors Dr. Donna Hathaway and Dr. Yvette Conley).

SystemCHANGE: An RCT for Medication Adherence in Kidney Transplant Recipients, R01 DK93592-01A1 (\$2,585,000) 2014-2018 (co-PI with C. Russell)

Increasing Activity Post-Kidney Transplant with SystemCHANGE. K23NR016274 (\$388,075) 09/26/2016-07/21/2019. PI O'Brien, T., co-Mentors: Hathaway D., & Russell, C.

The Use of Mobile Phone Technology in Kidney Transplant Recipients. International Transplant nurses society. (\$ 5,000) August 2016- August 2017. O'Brien, T., Hathaway D., & Russell, C.

REVIEW PANELS; BOARDS and WORKGROUPS

Editorial Board, Progress in Transplantation, active

Editorial Board, Renal Replacement Therapy

Reviewer, Progress in Transplantation, active

Reviewer, Nephrology Nursing Journal, active

Review Panel, Small Business Innovation Research (SBIR grants), Bethesda, MD, 1995

Member, NINR Spring Science Workgroup "Quality of Life for Transplant Patients", Bethesda, MD, April 1998

Special Emphasis Panel member, Nursing Research Core Center Grants, Bethesda, MD, 1999

Member, NINR Spring Science Workgroup "Increasing Nursing Postdoctoral Opportunities in Rare Diseases", Bethesda, MD, May 2000

Special Emphasis Panel member, Nursing Research Core Center Grants, Bethesda, MD, 2001

Nursing Study Section member, NIH, McLean, VA, June 2002

Special Emphasis Panel chair, NINR, Nursing Partnership Centers on Health Disparities, July 2002

Invited participant, Research Themes Meeting, NINR, Bethesda, MD, October 2002

Invited participant, Nursing Study Section, NIH, McLean, VA, October 2002

Robert Wood Johnson Foundation (RWJF) Executive Nurse Fellows Program Cohort 2000 - 2002

Nursing Study Section member, NIH, McLean, VA, February 2003

Special Emphasis Panel member, Nursing Research Core Center Grants (P30), Bethesda, MD, November 2003

NIH Federal Advisory Committee member, Nursing Science: Adults & Older Adults Study Section, Bethesda, MD, 2004-2008
Special Emphasis Panel, Coordinating Center for Organ Transplant Clinical Trials, National Institute for Allergies and Infectious Disease, April 2005
Reviewer, Journal of Professional Nursing 2005
Reviewer, Journal of Nursing Education 2006
Academic Review, The Graduate School of Biomedical Sciences Nursing PhD Program, The University of Texas Medical Branch, Galveston, TX, April 2006
Academic Review, The Graduate School of Nursing DNP Program, The University of Washington, Seattle, Washington , November 2006
Academic Review, Doctor of Nursing Practice, Oregon Health & Science University School of Nursing, December 2006
Academic Review, Doctor of Nursing Practice jointly submitted by a four university consortium of Minnesota State University Moorhead, Metropolitan State University, Minnesota State University Mankato and Winona State University, Minneapolis/St Paul, Minnesota, December 2006
Academic Review, Doctor of Nursing Practice, University of Kentucky College of Nursing, Lexington, KY, January 2007
Workgroup, Bloom, R., Mannon, R., Hathaway, D. (2007) Topical Mobile (PDA) Continuing Medical Education (CME) Series - National Kidney Foundation's Kidney Learning System (KLS). "Improving Recipient Care: Kidney Transplantation, Immunosuppression and Cardiovascular Disease" Website: <http://www.kidney.org/professionals/KLS/cmeprogams.cfm>
Academic Review, Doctor of Nursing Practice material submitted to the Minnesota Office of Higher Education by the College of St. Catherine, St Paul, Minnesota, March 2007
Academic Review, Doctor of Nursing Practice, James Madison University Nursing Department, Harrisonburg, VA April 2007
Academic Review, Doctor of Nursing Practice, Seton Hall University College of Nursing, So Orange, NJ June 2007
Academic Review, Doctor of Nursing Practice, University of Kansas School of Nursing, Kansas City, MO/Wichita, KA, June 2007
Academic Review, Doctor of Nursing Practice, Florida Atlantic University, Boca Raton, FL August 2007
Academic Review, Doctor of Nursing Practice Review, University of Massachusetts, College of Nursing & Health Sciences, Boston, MA, November 2007
Academic Review, Doctor of Nursing Practice Curriculum Development, Southern Illinois University Edwardsville, School of Nursing, January 2008
Review Panel, College of Health Professions, Governors State University, Chicago, IL, January 2008
Academic Review, Doctor of Nursing Practice, Florida State University, College of Nursing, Tallahassee, FL, March 2008
Academic Review, Doctor of Nursing Practice, South Dakota Board of Regents, South Dakota State University, Pierre, SD June 2008
Academic Review, Doctor of Nursing Practice, Marjorie K. Unterberg School of Nursing & Health Studies, Monmouth University, West Long Branch, NY July 2008
Academic Review, Doctor of Nursing Practice Curriculum Development, James Madison University, Harrisonburg, VA, July 2008
Academic Review, Doctor of Nursing Practice Development, Walsh University, Division of Nursing, North Canton, OH, October 2008
Reviewer, Promotion and Tenure Process, Indiana University, School of Nursing, Indianapolis, IN, October 2008
Reviewer, Promotion and Tenure Process, University of Pittsburgh, School of Nursing, Pittsburgh, PA, October 2008
Academic Review, Ph.D. Program Review, Ohio State University School of Nursing, Columbus, OH, November 2008
Academic Review, DNP Certification Examination Standards Setting, National Board of Medical Examiners, Philadelphia, PA, November 2008
Academic Review, Doctor of Nursing Practice Program, Florida Atlantic University, Christine E. Lynn College of Nursing, Boca Raton, FL, February 2009
Academic Review, Doctor of Nursing Faculty Development, Maryville University, St. Louis, MO, February, 2009
Review Committee, Graduate Certificate Program in Advanced Practice Nursing (GCPAPN), University of Washington, School of Nursing, Seattle, WA, April 2009
Review Committee, Department of Laboratory Medicine Review, NIH Clinical Center, Board of Scientific Counselors, Bethesda, MD, June 2009
Academic Review, Doctor of Nursing Practice Curriculum Development, Beth El College of Nursing, University of Colorado at Colorado Springs, Colorado Springs, CO November 2009
Academic Review, Doctoral Degree Program in Nursing, Laureate Education, Inc., Walden University, Baltimore, MD, November 2009
Academic Review, PhD Program Review, University of South Carolina, College of Nursing, November 2009
Academic Review, Doctor of Nursing Practice Health Systems Leadership Consultation, Florida State University, December 2009
Academic Review, 2009 Semester Curriculum, University of Akron, Akron, OH, February 2010
Academic Review, Doctor of Nursing Practice Curriculum Development, Florida Atlantic University, February, 2010
Academic Review, Walden DNP Curriculum and Capstone Project, Laureate Education, Inc, Teleconference, May 6, 2010
Academic Review, Academic Summit, Oregon Health & Science University, Portland, OR, June 7-8, 2010

Academic Review, DNP Program Consultation, Florida Atlantic University, Christine E. Lynn College of Nursing, Boca Raton, FL, February 4-5, 2011
Academic Review, MS Essentials/DNP Program Consultation, Boston College-Chestnut Hill Campus, William F. Connell School of Nursing, Chestnut Hill, MA , April 7-8, 2011
Academic Review, State implementation of DNP Programs, Louisiana Board of Regents, October 3-4, 2011
Academic Review, DNP Program Consultation. University of Rhode Island, October 20-21, 2011.
DNP Program Proposal Review, Valdosta State University, Valdosta GA, January 2011.
Academic Review, DNP Program Consultation. Valdosta State University, Valdosta GA, October 20-21, 2011.
Academic Review, Doctor of Nursing Practice, Florida Atlantic University, College of Nursing, April and August 2012
Academic Review, DNP Program Consultation. University of Rhode Island, November 8-10, 2012.
Special Emphasis Panel member, Genetics and Wound Healing Bethesda, MD, March 2012
Scientific Director Review Committee, National Institute of Nursing Research, May 2012
Academic Review, DNP Program Consultation. South Dakota State University, Brookings SD, May 2012.
Academic Review, DNP Program Consultation. Briar Cliff University, Sioux Falls Iowa, May 2012. Romeoville, Nov. 2012
National Institute of Health/National Institute of Nursing Research, Appointed to the Directors Advisory Council by Secretary of Health Kathleen Sebelius 2013-2017
Janelle Othersen Visiting Professor, Medical University of South Carolina, College of Nursing. "Finding Your Way in a Changing Healthcare Environment" July 24, 2013.
NIH/NINR Innovative Questions Workshop Self-Management of Chronic Conditions scheduled for March 25, 2014
University of Tennessee Health Science Center-Oakridge National Laboratory Center for Biomedical Informatics Governance Committee, 2014 -

HONORS/AWARDS

Beta Theta Chapter of Sigma Theta Tau Nursing Honor Society (1979)
Phi Kappa Phi Academic Honor Society (1983)
Who's Who in American Nursing?
Sigma Xi Scientific Honor Society (1987)
Outstanding Alumnus (1998), University of Missouri School of Nursing
Outstanding Research Presentation (Second Place-1990), Southeast Dialysis and Transplant Association, Co-author and presenter
Outstanding Research Manuscript (Second Place-1991), ANNA Journal, Co-author
Outstanding Scientific Abstract (1991), NATCO, Co-author
Nursing Achievement Award (1993), Beta Theta Chapter of Sigma Theta Tau
Recognized as one of the 25 top nurse researchers by the Friends of the National Institute of Nursing Research (1994)
Nurse Researcher of the Year (1995), American Nephrology Nurses Association
Fellow (1995), American Academy of Nursing
Alumnus of the Year (1997), University of Missouri-Columbia, Sinclair School of Nursing
SGAEC Excellence in Teaching Award (2001-2002), UT Health Science Center
Fellow (2002), Robert Wood Johnson Executive Nurse Fellows
Top Clinical Abstract Award (2003), North American Transplant Coordinators Organization
Distinguished Alumna Award (2004), University of Texas at Austin, School of Nursing
Patron Award (2007), International Association of Forensic Nurses
Ruth Neil Murry Endowed Chair in Nursing Award (2009)
Transplant Nursing Excellence Award, International Transplant Nurses Society, 2017
Distinguished Research of the Year, Southern Nursing Research Society, 2017

PROFESSIONAL MEMBERSHIPS

American Association of Colleges of Nursing – Board of Directors 2007 - 2011
American Association of Colleges of Nursing – Chair, Program Committee 2007- 2011
American Association of Colleges of Nursing, 2002 – Present; Member-At-Large
American Association of Colleges of Nursing – DNP Essential Task Force 2005-2006
American Association of Colleges of Nursing – Hot Topics Committee 2004 - 2005, Grass Roots Legislative Liaison
American Autonomic Society
American Nurses' Association
American Nephrology Nurses Association: Chair, National Research SIG, Member, National Research Committee
Beta Theta Chapter, Sigma Theta Tau: Chair Research Committee, Chair Scholarship committee: president-elect; president
Council for the Advancement of Nursing Science
Council of Nurse Researchers
District Nurses Association: program committee, nominating committee, legislative committee, membership committee, board of directors
International Transplant Nurses Society, National Board of Directors, Chair National Research Committee

Invitation to Congressional Breakfast Meeting (1999), Washington, DC
North American Transplant Coordinators Organization
Nursing Science: Adults and Older Adults Study Section of the Center for Scientific Review
Phi Kappa Phi
Sigma Xi
Southern Nursing Research Society
Southern Nurse Research Society, President, 2004
State Nurses Association: Vice Chair, Council of Acute Care Nursing
Tennessee Nurses' Association
University of Missouri Alumni
University of Texas Alumni
Nursing Institute of the Mid South, 2007 – 2011 – Member-At-Large
Chair, Board of Directors 2009

23. DNP/PhD Program Characteristics: Opportunities for Research Collaboration, Dreher, H., Hathaway, D., Reed, P., Reed, S., AACN Doctoral Education Conference Research Leadership Network, January 24, 2008, Captiva Island, FL
24. Gene Expression Profiles of Liver Transplant Recipients with Post Transplant Diabetes Mellitus and Hepatitis C. Driscoll, C., Cashion, A., Hathaway, D., Thompson, C., Conley, Y., Riely, C., Xu, L., Homayouni, R. International Transplant Nurses Society, October 5-7, 2006
25. Time in a Bottle: Current Evidence on Medication Adherence - Hathaway, D., Muammer, C., Winsett, R., Russell, C., 2006 International Transplant Nurses Society, October 5-7, 2006 Rotterdam, The Netherlands
26. Blood Gene Expression Profiling in Liver Transplant Recipients with Regard to Post Transplant Diabetes Mellitus and Hepatitis C. Driscoll, C., Cashion, A., Hathaway, D., Thompson, C., Conley, Y., Riely, C., Xu, L., Homayouni, R., World Transplant Congress, July 22-27, 2006, Boston, MA
27. Validation of an Instrument to Measure Side Effects from Immunosuppressive Drugs. Hathaway, D. ITNS 14th Annual Symposium and General Assembly, September 22-24, 2005, Orlando, Florida
28. Transplant Patients Report Differences in Quality of Life Depending on Immunosuppressive Regimen. Hathaway, D. ITNS 14th Annual Symposium and General Assembly, September 22-24, 2005, Orlando, Florida
29. Validation Of A Revised Memphis Survey To Measure Post-Transplant Treatment Related Side Effects. Hathaway, D. NATCO 30th Anniversary Meeting, July 31-August 3, 2005, Atlanta, Georgia
30. Development of a Required Interprofessional Health Practice Course. Hathaway, D. AACN 2005 Summer Seminar, Interprofessional Education and Research: Considerations for Nursing Education, July 24 - 27, 2005, Vancouver, British Columbia, Canada
31. Exercise Improves Functional Capacity and Cardiac Autonomic Function in Recent and Long-Term Kidney and Kidney-Pancreas Transplant Recipients. Hathaway, D. American Transplant Congress Pre-Meeting Symposia, May 21-25, 2005, Seattle, Washington
32. The Clinical Nurse Leader (CNL) role and the Doctor of Nursing practice (DNP) are two recent examples of innovative responses to both internal directions from the nursing profession and external opportunities. Hathaway, D.K., Jacob-Dunbar, J., Stefaniak, K., RWJ Executive Nurse Fellows Program Leadership Seminar, April 6-8, 2005, Chicago, IL
33. Quality of Life Issues after Transplantation, Hathaway, D. Enhancing Wellness: Lifelong Success for the Transplant Patient Summit. March 20, 2005, Banff, Alberta Canada

34. Patients' prospective of long-term outcomes: A view through the PORTEL. Hathaway, D. ITNS Winter Transplant Nursing Workshop 2005, March 16-17, 2005, Banff, Alberta Canada
35. UTHSC Response to the need for Interprofessional Education. Pepler, R. D., Hathaway, D., 2005 Feurt Symposium on Interprofessional Education, February 23, 2005, Memphis, TN
36. Functional capacity correlates with quality of life in recent and long-term transplant recipients. Cowan, P A., Hathaway, D., Cashion, A.K., Gower, G., Gaber, A.O. Beta-Theta-At-Large Chapter of Sigma Theta Tau International Nursing Honor Society Bi-Annual Research Day, February 25, 2005, Memphis, TN
37. Longitudinal analysis of quality of life in kidney and liver patients in the Patient Outcomes Registry for transplant effects on life (PORTEL). Hathaway, D.K. on behalf of the PORTEL Study Group. Third International Congress on Immunosuppression, December 8-11, 2004, San Diego, CA.
38. Quality of life and side effect profile of liver versus kidney recipients the first two years post-transplant: Findings from the Patient Outcomes registry for transplant effects on life (PORTEL). International Transplant Nurses Society Symposium, October 14-16, 2004, Vancouver, British Columbia, Canada
39. Post-transplant Quality of Life: issues for patient Well-Being. Hathaway, D.K. Fujisawa Roundtable, September 24, 2004, Chicago, IL.
40. Quality of life and side effect profile of liver versus kidney recipients the first two years post-transplant: findings from the PORTEL. Hathaway, D.K. on behalf of the PORTEL Study Group. North American Transplant Coordinators Organization 2004 Annual Meeting, August 1-4, 2004, San Francisco, CA.
41. Heart rate variability and exercise capacity in diabetic and non-diabetic kidney transplant recipient. Cowan, P.A., Cashion, A.K., Kreider, R.B., Gaber, A.O. & Hathaway, D.K. American College of Sports Medicine, June 2-5, 2004, Indianapolis, IN.
42. Side effects and daily life function in kidney transplant recipients at 1 to 3 years post transplant: A report from the patient outcomes registry for transplant effects on life (PORTEL). Hathaway, D.K. on behalf of the PORTEL Study Group. American Transplant Congress, May 15-19, 2004, Boston, MA.
43. Functional capacity correlated with heart rate variability in recent and long-term transplant recipients. Cowan, P.A., Cashion, A.K., Gower, G., Gaber, A.O., & Hathaway, D.K. American Transplant Congress, Boston, MA, May 15-19, 2004.
44. Changes in weight during the first year post renal transplant. Cashion, A.K., Cowan, P.A., Hathaway, D.K., Lo, A., Gaber, A.O. American Transplant Congress, May 15-19, 2004, Boston, MA,.
45. Functional capacity correlates with quality of life (QoL) in kidney transplant recipients. Cowan, P.A., Cashion, A.K., Gower, G., Gaber, A.O. & Hathaway, D.K. American Nephrology Nurses Association, April 15-18, 2004, Boston, MA.
46. Factors associated with obesity in kidney and kidney-pancreas transplant recipients. Sanchez, Z., Cashion, A.K., Cowan, P.A. & Hathaway, D.K. Southern Nursing Research Society, February 19-21, 2004, Louisville, KY.
47. Quality of life and side effects in kidney transplant patients treated with cyclosporine- and tacrolimus-based immunosuppressive regimens. Hathaway, D.K., Winsett, R.P., Prendergast, M.M., & Hung, P. International Transplant Nurses Society, October 2-4, 2003, Scottsdale, AZ.
48. Quality of life and side effects in kidney transplant patients treated with cyclosporine- and tacrolimus-based immunosuppressive regimens. Hathaway, D.K., Winsett, R.P., Prendergast, M.M., & Hung, P. International Transplant Nurses Society, October 2-4, 2003, Scottsdale, AZ.
49. The impact of health and social factors and major health and life events on post-transplant quality of life (QOL): a report from the patient outcomes registry for transplant effects on life (PORTEL). Hathaway, D., Winsett, R.P., Prendergast, M., Smith, B. International Transplant Nurses Society, October 2-4, 2003, Scottsdale, AZ.
50. Functional capacity correlated with heart rate variability in recent and long-term kidney transplant recipients. Cowan, P.A., Cashion, A.K., Gower, G., Gaber, A.O., & Hathaway, D.K. International Transplant Nurses Society, October 2-4, 2003, Scottsdale, AZ.

51. Effects of gender, race, and social class on social support among post transplant recipients. Cetingok, M., Winsett, R.P., Hathaway, D.K., & Martin, J. International Transplant Nurses Society, October 2-4, 2003, Scottsdale, AZ.
52. Heart rate variability and exercise capacity in diabetic and non-diabetic kidney transplant recipients. Cowan, P.A., Cashion, A.K., Kreider, R., Gaber, A.O., & Hathaway, D.K. International Transplant Nurses Society, October 2-4, 2003, Scottsdale, AZ.
53. Post-transplant nutrition and metabolic syndrome in African-American and Caucasian kidney transplant recipients. Cowan, P.A., Johnson, K., Hines, S., Gower, G., Sanchez, Z., Hathaway, D.K. International Transplant Nurses Society, October 2-4, 2003, Scottsdale, AZ.
54. Factors associated with obesity in kidney and kidney pancreas transplant recipients. Sanchez, Z., Cashion, A.K., Cowan, P.A., & Hathaway, D.K. International Transplant Nurses Society, October 2-4, 2003, Scottsdale, AZ.
55. The impact of health and social factors and major health and life events on post-transplant quality of life: a report from the patient outcomes registry for transplant effects on life. Hathaway, D., Winsett, R.P., Prendergast, M., Smith, B. North American Transplant Coordinators Organization, July 27-30, 2003, New Orleans, LA.
56. Quality of life and side effects in kidney transplant patients treated with cyclosporine- and tacrolimus-based immunosuppressive regimens. Hathaway, D.K., Winsett, R.P., Prendergast, M.M., & Hung, P. North American Transplant Coordinators Organization, July 27-30, 2003, New Orleans, LA.
57. Quality of life and side effects in kidney transplant patients treated with cyclosporine- and tacrolimus-based immunosuppressive regimens. Hathaway, D.K., Winsett, R.P., Prendergast, M.M., & Hung, P. American Transplant Congress, May 30-June 4, 2003, Washington, DC.
58. Do racial disparities exist in nutritional intake and metabolic profile among kidney transplant recipients? Cowan, P.A., Johnson, K., Hines, S., Gower, G., Sanchez, Z., Hathaway, D.K. Sigma Theta Tau: Cultural Diversity, March 14, 2003, Jackson, TN.
59. Post transplant insurance eligibility after job placement. Winsett, R.P., Carter, J.M., Gaber, A.O., & Hathaway, D.K. International Transplant Nurses Society, September 18-21, 2002, Pittsburgh, PA.
60. Post transplant diabetes mellitus: A significant comorbidity following orthotopic liver transplantation. Milstead, J., Martin, J.C., George, C., Winsett, R.P., Gaber, A.O., & Hathaway, D.K. International Transplant Nurses Society, September 18-21, 2002, Pittsburgh, PA.
61. Relationships between age and the structural and functional levels of social support of kidney, pancreas, and liver transplant recipients. Cetingok, M., Winsett, R.P., Martin, J.C., & Hathaway, D.K. International Transplant Nurses Society, September 18-21, 2002, Pittsburgh, PA.
62. The effectiveness of an education intervention on patient identification of post transplant infections. Goedecke, P., Milstead, J., Martin, J.C., Winsett, R., Lewis, K., Gaber, A.O., & Hathaway, D.K. International Transplant Nurses Society, September 18-21, 2002, Pittsburgh, PA.
63. Quality of life in nondiabetic renal, liver and kidney-pancreas transplants. Winsett, R.P., Martin, J.C., Gaber, A.O., & Hathaway, D.K. International Transplant Nurses Society, September 18-21, 2002, Pittsburgh, PA.
64. Impact of long term immunosuppressive therapy on psychosocial and physical well being in liver transplant recipients. Kizilisik, A.J., Grewal, H.P., Shokouh-Amiri, M.H., Vera, S.R., Stratta, R.J., Hathaway, D.K., & Gaber, A.O. International Liver Transplant and Surgery, 2002, Argentina.
65. Predictors of post transplant quality of life: A follow-up report from the patient outcomes registry for transplant effects on life. Hathaway, D.K., North American Transplant Coordinators Organization, July 28-31, 2002, Washington, DC.
66. Differences in immunosuppressive side effect profile by regimen and time since transplant: A follow-up report from the patient outcomes registry for transplant effects on life. Hathaway, D.K., Subaiya, I., Prendergast, M., & Winsett, R.P. North American Transplant Coordinators Organization, July 28-31, 2002, Washington, DC.

67. Correlations between autonomic function and enteroinsular axis in obese subjects. Cashion, A.K., Cowan, P.A., Lustig, R.H., Hathaway, D.K., Joplin, P., Burghen, G.A., Christensen, M., & Velasquez-Mieyer, P.A. American Diabetes Association Annual Meeting, June 14-18, 2002, San Francisco, CA.
68. Functional capacity and cardiovascular risk factors in kidney and kidney-pancreas transplant recipients. Cowan, P.A., Cashion, A.K., Kreider, R.B., Gaber, A.O., & Hathaway, D.K. American College of Sports Medicine May 28-June 1, 2002, St. Louis, MO.
69. Gastroparesis following kidney/pancreas transplant. Cashion, A.K., Gaber, A.O., Holmes, S., & Hathaway, D.K. American Transplant Congress, April 26-May 1, 2002, Washington, DC.
70. Cardiovascular risk factors and exercise capacity in recent and long-term kidney and kidney-pancreas transplant recipients. Cowan, P.A., Cashion, A.K., Kreider, R.B., Gaber, A.O., & Hathaway, D.K. American Transplant Congress, April 26-May 1, 2002, Washington, DC.
71. Differences in clinical outcomes, side effects and quality of life in patients treated with cyclosporine and tacrolimus-based immunosuppressive regimens. Hathaway, D., Winsett, R., Prendergast, M., Subaiya, I., & Tong, K. American Transplant Congress, April 26-May 1, 2002, Washington, DC.
72. Correlations between age and the dimensions of quality of life of transplant patients. Cetingok, M., Winsett, R.P. & Hathaway, D.K. First Joint Conference of The American Society on Aging and The National Council on the Aging, 2001, New Orleans, LA.
73. Establishment and evolution of a self-supporting College of Nursing Research Center. Cashion, A.K., Cowan, P.A., Velasquez-Mieyer, P.A., & Hathaway, D.K. Sigma Theta Tau International 36th Biennial Convention, November 10-14, 2001, Indianapolis, IN.
74. Social support variables and the quality of life of transplant recipients. Cetingok, M., Winsett, R.P., Lewis, K., & Hathaway, D.K. Society for Transplant Research, November 5-7, 2001, Santa Fe, NM.
75. An interdisciplinary holistic educational program addressing the psychosocial needs of the transplant recipient at a university-based transplant center. Goedecke, P., Lewis, K., Martin, J., Cetingok, M., Winsett, R., & Hathaway, D.K. Society for Transplant Research, November 5-7, 2001, Santa Fe, NM.
76. Utilization of the social network map to facilitate a proactive social work role. Lewis, K., Cetingok, M., Martin, J.C., Winsett, R., & Hathaway, D.K. Society for Transplant Research, November 5-7, 2001, Santa Fe, NM.
77. Patient outcomes registry for transplant effects on life (PORTEL): A national study of quality of life in transplant recipients. Hathaway, D.K., Prendergast, M.M., Fallon, L., & Ives, A. International Transplant Nurses Society, August 29-September 1, 2001, Cambridge, UK.
78. Post transplant diabetes mellitus during the first year following renal transplantation. Milstead, E.J., Reed, L., Rutland, T.L., Winsett, R.P., George, C., Gaber, A.O., & Hathaway, D.K. International Transplant Nurses Society, August 29-September 1, 2001, Cambridge, UK.
79. Racial and gender differences in cardiovascular risk factors after kidney transplantation. Rice, M.C., Martin, J.C., Hathaway, D.K., & Tolley, E.A. International Transplant Nurses Society, August 29-September 1, 2001, Cambridge, UK.
80. Use of healthcare education specialist in post transplant education. Goedecke, P.A., Winsett, R.P., Stapleton, P., & Hathaway, D.K. International Transplant Nurses Society, August 29-September 1, 2001, Cambridge, UK.
81. Utilization of nurse practitioners in an outpatient transplant clinic. Reed, L., Winsett, R.P., Gaber, A.O., & Hathaway, D.K. International Transplant Nurses Society, August 29-September 1, 2001, Cambridge, UK.
82. Return to work interventions increase post transplant employment. Carter, J.M., Winsett, R.P., Gaber, A.O., & Hathaway, D.K. International Transplant Nurses Society, August 29-September 1, 2001, Cambridge, UK.
83. Targeted health promotion intervention slows cardiovascular risk progression in female kidney transplant recipients. Martin, J.C., Wicks, M.N., Rice, M.C., Cetingok, M., Hathaway, D.K., Egidi, M.F., & Gaber, A.O. North American Transplant Coordinators Organization, July 15-18, 2001, Long Beach, CA.

84. Prevalence of pretransplant cardiovascular risk factors. Rice, M., Hathaway, D.K., Martin, J.C., & Tolley, E.A. North American Transplant Coordinators Organization, July 15-18, 2001, Long Beach, CA.
85. Efficacy of interventions on compliance in post renal transplant recipients. Smith, M.A., Hathaway, D.K., Winsett, R.P., Cashion, A.K., Wicks, M.N., & Alloway, R.R. North American Transplant Coordinators Organization, July 15-18, 2001, Long Beach, CA.
86. Sustained improvement in cardiac function and geometry following pancreas-kidney transplantation: Four-year follow-up. Cowan, P.A., Hathaway, D.K., Stratta, R.J., Wicks, M.N., Shokouh-Amiri, M.H., & Gaber, A.O. International Pancreas and Islet Transplant Association, June 12-15, 2001, Innsbrook, Austria.
87. Return to work interventions increase post transplant employment. Winsett, R.P., Carter, J.M., Gaber, A.O., & Hathaway, D.K. Academy for Health Services Research & Health Policy, June 10-12, 2001, Atlanta, GA.
88. Exercise results in sustained improvement in cardiac autonomic function in kidney and kidney-pancreas transplant recipients. Cowan, P.A., Cashion, A.K., Kreider, R.B., Hathaway, D.K., & Gaber, A.O. American College of Sports Medicine, May 31-June 2, 2001, Baltimore, MD.
89. Sustained improvement in cardiomyopathy following pancreas-kidney transplantation: A four-year follow-up. Cowan, P.A., Hathaway, D.K., Wicks, M.N., Stratta, R.J., Shokouh-Amiri, M.H., & Gaber, A.O. American Society of Transplantation, May 11-16, 2001, Chicago, IL.
90. Patient outcomes registry for transplant effects on life (PORTEL) – The first report of a nationwide longitudinal quality of life study in transplant recipients. Hathaway, D.K., Prendergast, M.M., Fallon, L., & Ives, A. American Society of Transplantation, May 11-16, 2001, Chicago, IL.
91. Percent improvement in heart rate variability in diabetic & nondiabetic kidney & kidney pancreas recipients. Cashion, A.K., Winsett, R.P., Joplin, P.F., Stratta, R.J., Gaber, A.O. & Hathaway, D.K. American Society of Transplantation, May 11-16, 2001, Chicago, IL.
92. Initiating a peer mentor smoking cessation program for end stage renal disease and transplant patients. Cashion, A.K., Stegbauer, C., Williams, N., Winsett, R.W., & Hathaway D.K. ANNA 32nd Annual National Symposium, April 23-26, 2001, Las Vegas, NV.
93. Impact of donor source on return to work. Winsett, R.P., Carter, J.M., & Hathaway, D.K. ANNA 32nd Annual National Symposium, April 23-26, 2001, Las Vegas, NV
94. Internet education as an extension of face-to-face education for post transplant. Goedecke, P., Winsett, R.P., & Hathaway, D.K. ANNA 32nd Annual National Symposium, April 23-26, 2001, Las Vegas, NV.
95. Cardiovascular adverse events and health risks in male kidney transplant recipients. LeJeune, G.M., Martin, J.C., Rice, M.C., & Hathaway, D.K. Southern Nursing Research Society, February 1-3, 2001, Baltimore, MD.
96. Health-related lifestyle behaviors affect cardiovascular risk status of women one year after kidney transplantation. Martin, J.C., Wicks, M.N., Hathaway, D.K., & Egidi, M.F. Southern Nursing Research Society, February 1-3, 2001, Baltimore, MD.
97. Energy expenditure, nutritional intake, and body mass in women after a kidney transplant. Bohn, C.J., Martin, J.C., Wicks, M.N., & Hathaway, D.K. Southern Nursing Research Society, February 1-3, 2001, Baltimore, MD.
98. A 9-year experience with 125 pancreas transplants with portal-enteric drainage. Stratta, R.J., Gaber, A.O., Shokouh-Amiri, M.H., Grewal, H.P., Egidi, M.F., Kizilisik, A.T., Hathaway, D.K., Alloway, R.R., & Gaber, L.W. Western Surgical Association, November 12-15, 2000, Dana Point, CA.
99. Immunosuppressant side effect profile does not differ between organ transplant types. Winsett, R.P., Stratta, R.J., Alloway, R.R., Wicks, M.N., Gaber, A.O. & Hathaway, D.K. Southeastern Organ Procurement Foundation Tri-Annual Meeting , 2000, Norfolk, VA.
100. Recovery Model: Its characteristics and implementation by social work at a transplant center, Cetingok, M., Winsett, R.P., Hathaway, D.K., Lewis, K. A concept paper presented at the Social Work: NASW Meeting of the Profession 2000. November 1-4, 2000, Baltimore, MD.

101. Design and development of a survey specific for immunosuppressant side effects in transplant recipients. Winsett, R.P., Hathaway, D.K., Wicks, M.N., & Alloway, R.R. Sigma Theta Tau, Beta Theta Chapter-At Large, 2000, Memphis, TN.
102. Pretransplant cardiovascular risk factors and the incidence of posttransplant cardiovascular disease. Rice, M.C., Martin, J.C., Hathaway, D.K., & Tolley, E.A. International Transplant Nurses Society Symposium and General Assembly, September 7-10, 2000, Las Vegas, NV.
103. Cardiovascular health risks and health-related lifestyle behaviors in women one-year post kidney transplantation. Martin, J.C., Wicks, M.N., Cetingok, M., Hathaway, D.K., Rice, M.C., & Gaber, A.O. International Transplant Nurses Society Symposium and General Assembly, September 7-10, 2000, Las Vegas, NV.
104. Effects of exercise on functional capacity, cardiac autonomic function and quality of life in kidney and kidney-pancreas transplant recipients. Cowan, P.A., Hathaway, D.K., Wicks, M.N., Kreider, R.B., Gaber, A.O. International Transplant Nurses Society Symposium and General Assembly, September 7-10, 2000, Las Vegas, NV.
105. Social support network variables and quality of life in transplant recipients. Cetingok, M., Winsett, R.P., Martin, J.C., Wicks, M.N., Hathaway, D.K. International Transplant Nurses Society Symposium and General Assembly, September 7-10, 2000, Las Vegas, NV.
106. Quality of life of older renal transplant recipients. Winsett, R.P., Cetingok, M., Martin, J.C., Hathaway, D.K. International Transplant Nurses Society Symposium and General Assembly, September 7-10, 2000, Las Vegas, NV.
107. A 9-year experience with 126 pancreas transplants with portal-enteric drainage. Stratta, R.J., Gaber, A.O., Shokouh-Amiri, M.H., Egidi, M.F., Grewal, H.P., Kizilisik, A.T., Alloway, R.R., Hathaway, D.K., Gaber, L.W. XVIII International Congress of the Transplantation Society, August 2000, Rome, Italy.
108. Quality of life outcomes of ESRD therapy. Hathaway, D.K., Cashion, A.K., Martin, S. North American Transplant Coordinators Organization, August 5-9, 2000, Orlando, FL.
109. Ten years of chronic immunosuppressive therapy following orthotopic liver transplantation, impact on health and quality of life. Kizilisik, A.T., Grewal, H.P., Shokouh-Amiri, H.M., Vera, S.R., Stratta, R.J., Hathaway, D.K., Gaber, A.O. International Liver Transplant Society, June 21-23, 2000, Buenos Aires, Argentina.
110. Effect of exercise training on functional capacity and quality of life. Cowan, P.A., Hathaway, D.K., Kreider, R., Wicks, M.N., Soberman, J., Jordan, P., Gaber, A.O. American College of Sports Medicine, May 30-June 3, 2000, Indianapolis, IN.
111. Immunosuppressant side effect profile of patients one to twenty years post transplant. Hathaway, D.K., Winsett, R.P., Alloway, R.R., Cashion, A.K., Smith, M.A., Wicks, M.N., Stratta, R.J., Gaber, A.O. American Society for Transplantation, May 13-17, 2000, Chicago, IL.
112. Shifting quality of life perceptions of transplant patients from 1990-1999. Cashion, A.K., Hathaway, D.K., Winsett, R.P., Milstead, E.J., Gaber, A.O. American Society for Transplantation, May 13-17, 2000, Chicago, IL.
113. Exercise improves cardiac autonomic function and functional capacity in kidney and kidney-pancreas transplant recipients. Cowan, P.A., Hathaway, D.K., Gaber, A.O., Kreider, R.B., Wicks, M.N., Soberman, J., Jordan, P., Stratta, R. American Society for Transplantation, May 13-17, 2000, Chicago, IL.
114. Increasing nursing postdoctoral opportunities in rare diseases. Hathaway, D.K. NINR, May 1-2, 2000, Bethesda, MD.
115. Combined metabolic effect of renal disease and diabetes on 24-hour heart rate variability. Cashion, A.K., Hathaway, D.K., Cowan, P.A., Milstead, E.J., Wicks, M.N., Gaber, A.O. Southern Nursing Research Society, February 3-5, 2000, Little Rock, AR.
116. A comparison of the preventive care needs and practices of African-American and Caucasian women after kidney transplant. Rice, M.C., Hathaway, D.K., & Martin, J.C. Southern Nursing Research Society, February 3-5, 2000, Little Rock, AR.
117. Hormones and CV-AF in women. Engelhardt, K.F., Hathaway, D.K., Andersen, R.N., & Pace, D.T. Southern Nursing Research Society, February 3-5, 2000, Little Rock, AR.
118. Quality of life in patients experiencing gastroenteropathy. Holmes, S.L., & Hathaway, D.K. Southern Nursing Research Society, February 3-5, 2000, Little Rock, AR.

119. Exercise and cardiac autonomic function of adults awaiting kidney transplantation. Cowan, P.A., Hathaway, D.K., Milstead, J., Wicks, M.N., & Cashion, A.K. Tennessee Nurses' Association, November 19-21, 1999, Memphis, TN.
120. The effect of moderate exercise on heart rate variability and exercise capacity in healthy women. Cowan, P.A., Hathaway, D.K., Kreider, R. Tennessee Nurses' Association, November 19-21, 1999, Memphis, TN.
121. Exercise capacity, cardiac autonomic function, and quality of life in kidney transplant recipients. Cowan, P.A., Hathaway, D.K., Kreider, R., Wicks, M.N., Cashion, A.K., & Gaber, A.O. Tennessee Nurses' Association, November 19-21, 1999, Memphis, TN.
122. Preventive health care needs of female transplant recipients. Rice, M.C., Hathaway, D.K., & Martin, J.C. Tennessee Nurses' Association, November 19-21, 1999, Memphis, TN.
123. Differences in burden in black and white caregivers of patients with end-stage renal diseases. Pickford, K.D., Wicks, M.N., & Hathaway, D.K. Tennessee Nurses' Association, November 19-21, 1999, Memphis, TN.
124. Comparison of pre-transplant and post transplant quality of life in cadaveric renal transplantation versus living donor renal transplantation. Leding, B.A., Hathaway, D.K., & Martin, J.C. Tennessee Nurses' Association, November 19-21, 1999, Memphis, TN.
125. Health perception and heart rate variability in adolescents with Type I diabetes. Faulkner, M.S., & Hathaway, D.K. Tennessee Nurses' Association, November 19-21, 1999, Memphis, TN.
126. Anxiety and heart rate variability in pre-kidney transplant patients with renal failure. Martin, S.T., Cashion, A.K., Milstead, J., & Hathaway, D.K. Tennessee Nurses' Association, November 19-21, 1999, Memphis, TN.
127. Heart rate variability, mortality and exercise in patients awaiting kidney or kidney-pancreas transplant. Cashion, A.K., Cowan, P.A., Hathaway, D.K., Milstead, E.J., & Gaber, A.O. Tennessee Nurses' Association, November 19-21, 1999, Memphis, TN.
128. Social network mapping to enhance post transplant social support. Cetingok, M., Martin, J.C., Lewis, K., Winsett, R.P., & Hathaway, D.K. Tennessee Nurses' Association, November 19-21, 1999, Memphis, TN.
129. Changes in 24-hour heart rate variability post kidney and kidney-pancreas transplant. Hathaway, D.K., Cashion, A.K., Cowan, P.A., Reed, L., & Gaber, A.O. American Autonomic Society, October 31-November 2, 1999, Kohala Coast, Island of Hawaii.
130. Autonomic symptoms diminish following kidney-pancreas and kidney transplantation. Cashion, A.K., Hathaway, D.K., Reed, L., O'Keefe, N.A., Montgomery, A.M., Culbreath, B.A., & Gaber, A.O. American Autonomic Society, October 31-November 2, 1999, Kohala Coast, Island of Hawaii.
131. Cardiovascular autonomic function in adolescents with Type 1 diabetes. Faulkner, M.S., Hathaway, D.K., & Burghen, G.A. American Autonomic Society, October 31-November 2, 1999, Kohala Coast, Island of Hawaii.
132. Anxiety and heart rate variability in pre kidney transplant patients with renal failure. Martin, S.T., Cashion, A., Milstead, J., & Hathaway, D.K. American Autonomic Society, October 31-November 2, 1999, Kohala Coast, Island of Hawaii.
133. Choice of surgical technique influences operative, postoperative, and cost outcomes in liver transplantation. Shokouh-Amiri, M.H., Baggous, W., Hathaway, D.K., Gaber, A.O., Vera, S.R., & Grewal, H.P. Southern Surgical Society, 1999.
134. Relationship among cardiac autonomic function and quality of life. Hathaway, D.K., Cashion, A.K., Wicks, M.N., & Milstead, E.J. International State of the Science Congress, September 15-19, 1999, Washington, DC.
135. Cardiovascular autonomic function in adolescents with Type I diabetes. Faulkner, M.F., Hathaway, D.K., & Burghen, G.A. International State of the Science Congress, September 15-19, 1999, Washington, DC.
136. Postoperative adverse events experienced by kidney transplant recipients. Martin, J.C., & Hathaway, D.K. International State of the Science Congress, September 15-19, 1999, Washington, DC.
137. Quality of life and burden in caregiver-patient dyads coping with ESRD. Wicks, M.N., Hathaway, D.K., Milstead, J., & Cetingok, M. International State of the Science Congress, September 15-19, 1999, Washington, DC.

138. Nursing research: A complete overview. Hathaway, D.K. International Transplant Nurses Society Annual Symposium, September 9-11, 1999, Toronto, Ontario, Canada.
139. Immunosuppressant quality of life survey development. Winsett, R.P., Hathaway, D.K., Wicks, M.N., & Alloway, R.R. International Transplant Nurses Society Annual Symposium, September 9-11, 1999, Toronto, Ontario, Canada.
140. Differences in burden in African-American and Caucasian caregivers of renal transplant candidates. Wicks, M.N., Pickford, K.D., & Hathaway, D.K. International Transplant Nurses Society Annual Symposium, September 9-11, 1999, Toronto, Ontario, Canada.
141. Development of a system for staging postoperative adverse events experienced by kidney transplant patients: A triangulated approach. Martin, J.C., Hathaway, D.K., Winsett, R.P., & Gaber, O. International Transplant Nurses Society Annual Symposium, September 9-11, 1999, Toronto, Ontario, Canada.
142. Social network mapping to enhance post transplant social support. Cetingok, M., Martin, J.C., Lewis, K., Winsett, R.P., & Hathaway, D.K. International Transplant Nurses Society Annual Symposium, September 9-11, 1999, Toronto, Ontario, Canada.
143. Exercise capacity, cardiac autonomic function (CAF), and quality of life (QoL) in kidney transplant recipients. Cowan, P.A., Hathaway, D.K., Wicks, M.N., Kreider, R., Cashion, A.K., & Gaber, A.O. International Transplant Nurses Society Annual Symposium, September 9-11, 1999, Toronto, Ontario, Canada.
144. Preventive care needs assessment of women after kidney transplant. Rice, M.C., Hathaway, D.K., & Martin, J.C. International Transplant Nurses Society Annual Symposium, September 9-11, 1999, Toronto, Ontario, Canada.
145. Long-term improvements in cardiac geometry and function following kidney-pancreas transplantation. Hathaway, D.K., Gaber, A.O., Burlew, B., & Wicks M.N. International Pancreas & Islet Transplant Association, August 22-25, 1999, Sydney, Australia.
146. Autonomic modulation of 24-hour heart rate variability (HRV) improves after kidney-pancreas (KP) transplant. Hathaway, D.K., Cashion, A.K., Wicks, M.N., Milstead, J., Reed, L., Cowan, P.A., & Gaber, A.O. International Pancreas & Islet Transplant Association, August 22-25, 1999, Sydney, Australia.
147. Kidney-pancreas (KP) recipients experience greater improvement in symptoms of autonomic neuropathy than kidney-alone (KA) recipients. Cashion, A.K., Hathaway, D.K., Wicks, M.N., Milstead, J., Reed, L., Cowan, P.A. & Gaber, A.O. International Pancreas & Islet Transplant Association, August 22-25, 1999, Sydney, Australia.
148. Cardiac autonomic function and exercise in diabetic kidney or kidney pancreas recipients. Cowan, P.A., Hathaway, D.K., Soberman, J., Jordan, P. Wicks, M.N., Kreider, R., & Gaber, A.O. International Pancreas & Islet Transplant Association, August 22-25, 1999, Sydney, Australia.
149. Kidney and kidney-pancreas transplantation diminishes symptoms of dysautonomia. Cashion, A.K., Hathaway, D.K., Milstead, E.J., O'Keefe, N.A., Montgomery, A.M., Culbreath, B.A., & Gaber, A.O. American Society of Transplantation, May 15-19, 1999, Chicago, IL.
150. 24-hour patterns of cardiac autonomic function improves post kidney and kidney-pancreas transplant. Cashion, A.K., Hathaway, D.K., Milstead, E.J., Reed, L., & Gaber, A.O. American Society of Transplantation, May 15-19, 1999, Chicago, IL.
151. Heart rate variability, mortality and exercise in patients with end-stage renal disease. Cashion, A.K., Cowan, P.A., Hathaway, D.K., Milstead, E.J., & Gaber, A.O. 6th National Conference on Key Aspects of Preventing and Managing Chronic Illness, April 8-10, 1999, Chapel Hill, NC.
152. Relationship among measure of heart rate variability and quality of life following kidney transplantation. Hathaway, D.K., Wicks, M.N., Cashion, A.K., Milstead, E.J., Cowan, P.A., & Gaber, A.O. IX International Symposium on the Autonomic Nervous System of the American Autonomic Society, October 29-November 1, 1998, Fort Myers, FL.
153. Establishment of referent values for evoked cardiac autonomic function, 24-hour heart rate variability, and autonomic symptomatology. Cashion, A.K., Hathaway, D.K., Milstead, E.J., Wicks, M.N., Cowan, P.A., Engelhardt, K.F., & Winsett,

- R.P. IX International Symposium on the Autonomic Nervous System of the American Autonomic Society, October 29-November 1, 1998, Fort Myers, FL.
154. Heart rate variability of postmenopausal women differing in identified cardiovascular risk factors. Engelhardt, K.F., Pace, D.T., & Hathaway, D.K. IX International Symposium on the Autonomic Nervous System of the American Autonomic Society, October 29-November 1, 1998, Fort Myers, FL.
155. The effect of a moderate exercise intervention on heart rate variability and exercise capacity in women. Cowan, P.A., Hathaway, D.K., & Kreider, R. IX International Symposium on the Autonomic Nervous System of the American Autonomic Society, October 29-November 1, 1998, Fort Myers, FL.
156. The influence of mycophenolate mofetil and beta blockers on heart rate variability in kidney transplant recipients. Milstead, E.J., Hathaway, D.K., Wicks, M.N., Cashion, D.K., Cowan, P.A., & Gaber, A.O. IX International Symposium on the Autonomic Nervous System of the American Autonomic Society, October 29-November 1, 1998, Fort Myers, FL.
157. Cardiac autonomic function: Effect of postmenopausal hormone replacement therapy. Pace, D., Engelhardt, K.F., Ke, R., & Hathaway, D.K. IX International Symposium on the Autonomic Nervous System of the American Autonomic Society, October 29-November 1, 1998, Fort Myers, FL.
158. Correlation and sensitivity among three instruments designed to measure autonomic function. Cashion, A.K., Hathaway, D.K., Milstead, E.J., Wicks, M.N., Cowan, P.A., Engelhardt, K.F., & Winsett, R.P. IX International Symposium on the Autonomic Nervous System of the American Autonomic Society, October 29-November 1, 1998, Fort Myers, FL.
159. Heart rate variability in adolescents with Type 1 diabetes. Faulkner, M.S., Hathaway, D.K., & Burghen, G. IX International Symposium on the Autonomic Nervous System of the American Autonomic Society, October 29-November 1, 1998, Fort Myers, FL.
160. Cardiac autonomic function and exercise status in patients awaiting kidney transplant. Hathaway, D.K., Cowan, P.A., Milstead, E.J., Wicks, M.N., Cashion, A.K., & Gaber, A.O. American Society of Nephrology, October 25-28, 1998, Philadelphia, PA.
161. Burden and quality of life (QoL) in family caregivers of renal transplant recipients. Wicks, M.N., Milstead, E.J., Hathaway, D.K., & Cetingok, M. International Transplant Nurses Society Annual Symposium, September 10-12, 1998, Portland, OR.
162. Nursing research: A complete overview. Hathaway, D.K. International Transplant Nurses Society Annual Symposium, September 10-12, 1998, Portland, OR.
163. Patterns of improvement in 24-hour heart rate variability differ for kidney and kidney-pancreas recipients. Hathaway, D.K., & Wicks, M.N. International Transplant Nurses Society Annual Symposium, September 10-12, 1998, Portland, OR.
164. Pre and post transplant symptoms in end-stage renal disease. Cashion, A.K., & Hathaway, D.K. International Transplant Nurses Society Annual Symposium, September 10-12, 1998, Portland, OR.
165. Cardiac autonomic function, exercise status and quality of life of adults awaiting kidney transplantation. Cowan, P.A. & Hathaway, D.K. International Transplant Nurses Society Annual Symposium, September 10-12, 1998, Portland, OR.
166. The influence of mycophenolate mofetil and beta blockers on heart rate variability in kidney transplant recipients. Milstead, E.J. & Hathaway, D.K. International Transplant Nurses Society Annual Symposium, September 10-12, 1998, Portland, OR.
167. Heart rate variability and quality of life following kidney and pancreas-kidney transplantation. Hathaway, D.K., Wicks, M.N., Milstead, E.J., Cashion, A.K., Cowan, P.A., & Gaber, A.O. XVII World Congress of the Transplantation Society, July 12-17, 1998, Montreal, Canada.
168. Evoked measures vs. 24-hour measures of heart rate variability (HRV) and sudden cardiac death in kidney and pancreas-kidney pre-transplant patients. Cashion, A.K., Hathaway, D.K., Wicks, M.N., Milstead, E.J., Winsett, R.P., Cowan, P.A., & Gaber, A.O. Nonlinear Dynamics in Nursing Conference, May 30-31, 1998, Chicago, IL.
169. Post transplant improvement in heart rate variability correlates with improved quality of life. Hathaway, D.K., Wicks, M.N., Cashion, A.K., Milstead, E.J., Cowan, P.A., & Gaber, A.O. 17th Annual Scientific Meeting of the American Society of Transplant Physicians, May 9-14, 1998, Chicago, IL.

170. Prevalence of transplant patient non-compliance as perceived through survey-based research. Hathaway, D.K. The First International Symposium on Transplant Recipient Compliance, April 3-4, 1998, Arlington, VA.
171. Health care professional perceptions of compliance behaviors in the pre and post transplant patient. Hathaway, D.K. April 3-4, 1998, Arlington, VA.
172. Family caregivers' quality of life and burden following renal transplantation. Wicks, M.N., Milstead, E.J., Hathaway, D.K., & Cetingok, M. Annual Mid-South Conference for Research in Nursing and Health Care. 21st Century Nursing: Beta Theta Chapter at-large, Sigma Theta Tau, April 3, 1998, Memphis, TN.
173. Correlation between heart rate variability and exercise capacity. Cowan, P.A., Hathaway, D.K., & Kreider, R.B. 21st Century Nursing: 1998 Annual Mid-South Conference for Research in Nursing and Health Care sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 3, 1998, Memphis, TN.
174. The relationship among changes in heart rate variability and quality of life following kidney transplantation. Hathaway, D.K., Wicks, M.N., Cashion, A.K., Milstead, E.J., Cowan, P.A., & Gaber, A.O. 21st Century Nursing: 1998 Annual Mid-South Conference for Research in Nursing and Health Care sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 3, 1998, Memphis, TN.
175. Cardiac autonomic function and sudden cardiac death in pre-transplant kidney and pancreas-kidney patients. Cashion, A.K., Hathaway, D.K., Wicks, M.N., Milstead, E.J., Winsett, R., Cowan, P.A., & Gaber, A.O. 21st Century Nursing: 1998 Annual Mid-South
176. Conference for Research in Nursing and Health Care sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 3, 1998, Memphis, TN.
177. Computerized physiological assessment and analysis. Engelhardt, K., Hathaway, D.K., Wicks, M., Milstead, J., Winsett, R., Pace, D., Cashion, A., & Cowan, P. 21st Century Nursing: 1998 Annual Mid-South Conference for Research in Nursing and Health Care sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 3, 1998, Memphis, TN.
178. Correlates of burden and quality of life in family caregivers of renal transplant candidates. Wicks, M.N., Milstead, E.J., Hathaway, D.K., & Cetingok, M. Southern Nursing Research Society, February 1998, Fort Worth, TX.
179. Cardiac autonomic function and mortality in patients awaiting kidney transplant. Hathaway, D.K., Milstead, E.J., Winsett, R.P., Cowan, P.A., Cashion, A.K., Wicks, M.N., & Gaber, A.O. American Society of Nephrology, November 1997, San Antonio, TX.
180. Evoked versus 24-hour measures of heart rate variability and sudden cardiac death in patients awaiting kidney transplantation. Hathaway, D.K., Cashion, A.K., Wicks, M.N., Milstead, J., Winsett, R.P., Cowan, P., & Gaber, A.O. The VIII International Symposium on the Autonomic Nervous System of the American Autonomic Society, November 1997, Honolulu, HI.
181. Estrogen and cardiac autonomic function in healthy women. Engelhardt, K.F., Pace, D., Hathaway, D.K., & Anderson, R. The VIII International Symposium on the Autonomic Nervous System of the American Autonomic Society, November 1997, Honolulu, HI.
182. Development and testing of the autonomic symptom checklist. Cashion, A.K., Hathaway, D.K., Milstead, E.J., Wicks, M.N., Engelhardt, K.F., & Winsett, R.P. The VIII International Symposium on the Autonomic Nervous System of the American Autonomic Society, November 1997, Honolulu, HI.
183. Exercise and cardiac autonomic function of adults awaiting kidney transplantation. Cowan, P.A., Hathaway, D.K., Milstead, J., Wicks, M., & Cashion, A. The VIII International Symposium on the Autonomic Nervous System of the American Autonomic Society, November 1997, Honolulu, HI.
184. Comparison of cardiac autonomic function tests, 24-hour heart rate variability, and QTc interval in renal failure subjects experiencing sudden cardiac death. Milstead, J., Wicks, M.N., Stewart, S.A., Cashion, A., Cowan, P., Hathaway, D., & Gaber, A.O. The VIII International Symposium on the Autonomic Nervous System of the American Autonomic Society, November 1997, Honolulu, HI.
185. Development of an autonomic function symptom checklist. Cashion, A., Hathaway, D., Milstead, J., Wicks, M., Engelhardt, K., & Winsett, R. Sigma Theta Tau International Biennium, November 1997, Indianapolis, IN.

186. Re-admission of renal transplant patients--causes and costs. Oelman, M., Spears, P., & Hathaway, D. International Transplant Nurses Society Annual Symposium, September 4-6, 1997, Leuven, Belgium.
187. Definition and measurement of quality of life in transplant recipients. Hathaway, D.K., Winsett, R.P., Milstead, E.J., Cowan, P., Wicks, M.N., & Cashion, A. International Transplant Nurses Society Annual Symposium, September 4-6, 1997, Leuven, Belgium.
188. Autonomic dysfunction in patients awaiting kidney transplantation. Hathaway, D.K., Winsett, R.P., Milstead, E.J., Cowan, P., Wicks, M.N., & Cashion, A. International Transplant Nurses Society Annual Symposium, September 4-6, 1997, Leuven, Belgium.
189. Social support correlates of family caregivers of kidney transplant candidates. Milstead, E.J., Wicks, M.N., & Hathaway, D.K. International Transplant Nurses Society Annual Symposium, September 4-6, 1997, Leuven, Belgium.
190. Heart rate variability and cardiac autonomic function in patients with insulin dependent diabetes mellitus and hypoglycemic unawareness. Milstead, J., Wicks, M.N., & Hathaway, D.K. International Transplant Nurses Society Annual Symposium, September 4-6, 1997, Leuven, Belgium.
191. Gender differences in echocardiography and cardiac autonomic function in simultaneous pancreas kidney recipients. Wicks, M.N., Hathaway, D.K., Gaber, A.O., Elmer, D., & Burlew, B. International Transplant Nurses Society Annual Symposium, September 4-6, 1997, Leuven, Belgium.
192. Burden and quality of life in family caregivers of renal transplant candidates. Wicks, M.N., Milstead, E.J., Hathaway, D.K., & Cetingok, M. International Transplant Nurses Society Annual Symposium, September 4-6, 1997, Leuven, Belgium.
193. Racial disparity and clinical outcomes in African-American and Caucasian-American kidney transplant recipients. Johnson, C.D., & Hathaway, D.K. International Transplant Nurses Society Annual Symposium, September 4-6, 1997, Leuven, Belgium.
194. Effect of gut metabolism on tacrolimus bioavailability in renal transplantation. Alloway, R., Johnson, K., Chaballa, M., Russell, W., Reed, L., Hathaway, D., Shokouh-Amiri, M.H., Vera, S., & Gaber, A.O. American Society of Transplant Surgeons, May 1997, Chicago, IL.
195. Feasibility of transplanting liver segments from smaller donors to larger recipients. Shokouh-Amiri, M.H., Gaber, A.O., Abu-El-Ella, K., Nymann, T., Hathaway, D., Adamec, Helmy, Manderell, & Britt, L. American Society of Transplant Surgeons, May 1997, Chicago, IL.
196. Cost effective analysis of liver transplantation by pre-transplant severity of illness. Bartlett, R., Hathaway, D., Tolley, E., Chang, C., & Gaber, A.O. American Society of Transplant Surgeons, May 1997, Chicago, IL.
197. Metabolic effects of tacrolimus versus cyclosporine in portally drained pancreas allografts. Elmer, D., Fraga, D., Stratta, R., Hathaway, D., Reddy, & Gaber, A.O. American Society of Transplant Physicians, May 1997, Chicago, IL.
198. Five-year follow-up of a prospective randomized double blind study comparing low dose OKT3 induction therapy in renal allograft recipients. Chaball, M., Alloway, R., Kotb, M., Hathaway, D., Gaber, L.W., Vera, S., & Gaber, A.O. American Society of Transplant Physicians, May 1997, Chicago, IL.
199. Effect of donor recipient CMV serology on pancreas alone outcomes. Elmer, D., Hathaway, D., Gruessner, Shokouh-Amiri, M.H., & Gaber, A.O. American Society of Transplant Physicians, May 1997, Chicago, IL.
200. Improvement in peripheral neuropathy after kidney and simultaneous pancreas kidney transplantation. Nymann, R., Hathaway, D.K., Shokouh-Amiri, M.H., Bertorini, T.E., & Gaber, A.O. American Society of Transplant Physicians, May 1997, Chicago, IL.
201. Autonomic dysregulation in patients awaiting kidney transplantation. Hathaway, D.K., Milstead, E.J., Winsett, R.P., Cowan, P., Cashion, A., Wicks, M.N., & Gaber, A.O. American Society of Transplant Physicians, May 1997, Chicago, IL.
202. Hyperinsulinemia and cardiovascular risk factors. Shokouh-Amiri, M.H., Kitabchi, A., Hughes, C., Salem, A., Hathaway, D., & Gaber, A.O. American Society of Transplant Physicians, May 1997, Chicago, IL.

203. Autonomic function in patients with end-stage renal disease. Hathaway, D. Beta Theta Chapter of Sigma Theta Tau Research Day, April 18, 1997, Memphis, TN.
204. Racial disparity and clinical outcomes in African-American (AA) and Caucasian-American (CA) kidney transplant recipients. Johnson, C. & Hathaway, D. Beta Theta Chapter of Sigma Theta Tau Research Day, April 18, 1997, Memphis, TN.
205. Autonomic function in patients scheduled for renal/renal pancreas transplantation: Differences between genders. Pace, D., Engelhardt, K., & Hathaway, D. Beta Theta Chapter of Sigma Theta Tau Research Day, April 18, 1997, Memphis, TN.
206. Autonomic function of women differing in menopausal status. Engelhardt, K., Hathaway, D., & Andersen, R. Beta Theta Chapter of Sigma Theta Tau Research Day, April 18, 1997, Memphis, TN.
207. Effects of exercise on autonomic function in men and women awaiting renal transplant. Cowan, P. & Hathaway, D. Beta Theta Chapter of Sigma Theta Tau Research Day, April 18, 1997, Memphis, TN.
208. Gender differences in autonomic function in patients awaiting kidney and kidney-pancreas transplantation. Johnson, C. & Hathaway, D. Annual Meeting of the Southern Nurses Research Society, April 10-12, 1997, Norfolk, VA.
209. Predictors of quality of life at one-year following kidney transplantation. Hathaway, D.K., Winsett, R.P., Johnson, C.D., Tolley, E.A., Hartwig, M.S., Milstead, E.J., Wicks, M.N., & Gaber, A.O. Annual Meeting of the Southern Nurses Research Society, April 10-12, 1997, Norfolk, VA.
210. Cardiac autonomic function and heart rate variability in patients with insulin dependent diabetes and hypoglycemic unawareness. Milstead, E.J., Hathaway, D.K., Wicks, M.N., Elmer, D., & Gaber, A.O. Annual Meeting of the Southern Nurses Research Society, April 10-12, 1997, Norfolk, VA.
211. Cardiovascular dysautonomia of patients with end-stage renal disease and diabetes. Cashion, A., Hathaway, D.K., Wicks, M.N., Milstead, E.J., & Gaber, A.O. Annual Meeting of the Southern Nurses Research Society, April 10-12, 1997, Norfolk, VA.
212. Impact of video on renal donation from living donors. O'Keefe, N., Hathaway, D.K., & Wicks, M.N. American Nephrology Nurses Association Annual Symposium, April 1997, Minneapolis, MN.
213. Prediction models for 5 quality of life measures at 12 months post transplant. Hathaway, D.K., Johnson, C.D., Wicks, M.N., Winsett, R.P., Milstead, E.J., Tolley, E.A., & Gaber, A.O. 29th Annual meeting of the American Society of Nephrology, November 3-6, 1996, New Orleans, LA.
214. Heart rate variability in end-stage renal disease patients with diabetes. Hathaway, D.K., Cashion, A., Wicks, M.N., Milstead, E.J., O'Keefe, N., & Gaber, A.O. 29th Annual meeting of the American Society of Nephrology, November 3-6, 1996, New Orleans, LA.
215. of autonomic cardiac function in patients with uremia. Hathaway, D.K., Wicks, M.N., Milstead, E.J., Cashion, A., Winsett, R.P., & Gaber, A.O. VII International Symposium of the Autonomic Nervous System, October 11-13 1996, Montreal, Canada.
216. Autonomic cardiac function and left ventricular function after pancreas-kidney transplant. Wicks, M.N., Hathaway, D.K., Milstead, E.J., Cashion, A., Winsett, R.P., & Gaber, A.O. VII International Symposium of the Autonomic Nervous System, October 11-13 1996, Montreal, Canada.
217. Hypoglycemic unawareness and heart rate variability in insulin-dependent diabetes mellitus. Milstead, J., Hathaway, D.K., Wicks, M.N., Elmer, D., & Gaber AO. VII International Symposium of the Autonomic Nervous System, October 11-13 1996, Montreal, Canada.
218. Renal histology with varying FK506 blood levels. Gaber, L.W., Moore, L., Reed, L., Hathaway, D.K., & Gaber, A.O. XIV International Congress of the Transplantation Society, August 25-30, 1996, Barcelona, Spain.
219. Incidence of kidney and pancreas rejection following portal-enteric versus systemic bladder pancreas kidney transplantation. Gaber, A.O., Nymann, T., Hathaway, D.K., Shokouh-Amiri, M.H., Gaber, L.W., & Abu-El-Ella, K. XIV International Congress of the Transplantation Society, August 25-30, 1996, Barcelona, Spain.

220. Long-term consequences of acute liver allograft rejection. Abu El-Ella, K., Shokouh-Amiri, M.H., Hathaway, D.K., Vera, S.R., Nymann, T., & Gaber, A.O. XIV International Congress of the Transplantation Society, August 25-30, 1996, Barcelona, Spain.
221. Hypoglycemic unawareness and heart rate variability in diabetes. Milstead, J., Hathaway, D., Wicks, M., Elmer, D., & Gaber, O. Poster presentation at the American Diabetes Association, June 8-9, 1996, San Francisco, CA.
222. Histological patterns in renal allografts under FK506 therapy. Gaber, L.W., Moore, L., Reed, L., Hathaway, D.K., & Gaber, A.O. Paper presented at the American Society of Transplant Physicians' 15th Annual Scientific Meeting, May 26-29, 1996, Dallas, TX.
223. Patterns of acute rejection in portal-enteric versus systemic-bladder pancreas-kidney transplantation. Nymann, T., Hathaway, D.K., Shokouh-Amiri, M.H., Gaber, L.W., Abu-El-Ella, K., & Gaber, A.O. Paper presented at the American Society of Transplant Physicians' 15th Annual Scientific Meeting, May 26-29, 1996, Dallas, TX.
224. Late infection after pancreas transplantation. Horvath, J., Hathaway, D.K., Nymann, T., Elmer, D., Shokouh-Amiri, M.H., & Gaber, A.O. Paper presented at the American Society of Transplant Physicians' 15th Annual Scientific Meeting, May 26-29, 1996, Dallas, TX.
225. The consequences of acute allograft rejection in liver transplantation. Abu El-Ella, K., Shokouh-Amiri, M.H., Hathaway, D.K., Vera, S.R., Nymann, T., & Gaber, A.O. Paper presented at the American Society of Transplant Physicians' 15th Annual Scientific Meeting, May 26-29, 1996, Dallas, TX.
226. Quality of life prediction models for kidney transplant recipients. Hathaway, D., Johnson, C., Wicks, M.N., Winsett, R., Milstead, J., Tolley, E., & Gaber, O. Paper presented at the Annual Mid-South Nursing Conference for Research in Nursing and Health Care sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 12, 1996, Memphis, TN.
227. Gender differences in autonomic function in patients awaiting kidney and pancreas-kidney transplantation. Engelhardt, K., & Hathaway, D. Paper presented at the Annual Mid-South Nursing Conference for Research in Nursing and Health Care, sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 12, 1996, Memphis, TN.
228. The influence of race and gender on quality of life in renal transplant patients. Johnson, C., Wicks, M., Milstead, J., & Hathaway, D. Paper presented at the Annual Mid-South Nursing Conference for Research in Nursing and Health Care, sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 12, 1996, Memphis, TN.
229. Hypoglycemic unawareness and heart rate variability in diabetes mellitus. Milstead, J., Hathaway, D., Wicks, M., Elmer, D., & Gaber, O. Paper presented at the Annual Mid-South Nursing Conference for Research in Nursing and Health Care, sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 12, 1996, Memphis, TN.
230. HRV in diabetic and non-diabetic patients with end-stage renal disease. Cashion, A., Hathaway, D., Milstead, J., O'Keefe, N., & Gaber, O. Paper presented at the Annual Mid-South Nursing Conference for Research in Nursing and Health Care, sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 12, 1996, Memphis, TN.
231. Dimensions of quality of life characterizing patients with diabetes undergoing pancreas-kidney versus kidney-alone transplantation. Hathaway, D., Hartwig, M., & Crom, D. Paper presented at the Annual Mid-South Nursing Conference for Research in Nursing and Health Care, sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 12, 1996, Memphis, TN.
232. The experience of burden among caregivers of patients with end-stage renal disease. Wicks, M., Milstead, J., & Hathaway, D. Paper presented at the Annual Mid-South Nursing Conference for Research in Nursing and Health Care, sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 12, 1996, Memphis, TN.
233. Social support and quality of life for diabetic and non-diabetic kidney transplant recipients. Milstead, J., Hartwig, M., Evans, S., & Hathaway, D. Paper presented at the Annual Mid-South Nursing Conference for Research in Nursing and Health Care, sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 12, 1996, Memphis, TN.
234. End-stage liver failure and liver transplantation: A phenomenological perspective. Johnson, C.D. & Hathaway, D. Paper presented at the Annual Mid-South Nursing Conference for Research in Nursing and Health Care, sponsored by the Sigma Theta Tau Beta Theta Chapter-at-Large, April 12, 1996, Memphis, TN.

235. Racial and gender differences in quality of life following kidney transplantation. Hathaway, D.K., Johnson, C., Winsett, R.P., & Milstead, J. Paper presented at the Southern Nursing Research Society, February 28-29, 1996, Miami Beach, FL.
236. Improvement in diabetic dysautonomia following kidney and pancreas-kidney transplantation enhances quality of life. Hathaway, D.K., Abell, T.A., Cordoso, S.S., Hartwig, M.S., & Gaber, A.O. Paper presented at VI International Symposium of the Autonomic Nervous System, November 17-19, 1995, Phoenix, AZ.
237. Use of FK506 immunosuppressant therapy in pancreas transplantation. Elmer, D.S., Nymann, T., Hathaway, D.K., Alloway, R.R., & Gaber, A.O. Paper presented at the 1995 meeting of the North American Transplant Coordinators Organization, July 30-August 3, 1995, Boston, MA.
238. Outcomes associated with variable post transplant prednisone dosing regimes. Hathaway, D.K., Winsett, R.P., Wicks, M.N., Milstead, E.J., & Gaber, A.O. Paper presented at the 1995 meeting of the North American Transplant Coordinators Organization, July 30-August 3, 1995, Boston, MA.
239. Use of biologically unrelated and older donors to increase the donor pool. O'Keefe, N., Elmer, D.S., Hathaway, D.K., & Gaber, A.O. Paper presented at the 1995 meeting of the North American Transplant Coordinators Organization, July 30-August 3, 1995, Boston, MA.
240. β -cell functions after pancreas transplantation. Amiri, M.H., Hathaway, D.K., Elsewafy, W.F., Elmer, D.E., Saad, M.F., & Gaber, A.O. Paper presented at the 5th Congress of the International Pancreas and Islet Transplant Association, June 1995, Miami, FL.
241. Use of glucose disappearance rate (kG) to monitor endocrine function of pancreas allografts. Elmer, D.E., Hathaway, D.K., Gaber, L.W., Hughes, T., Amiri, M.H., & Gaber, A.O. Paper presented at the 5th Congress of the International Pancreas and Islet Transplant Association, June 1995, Miami, FL.
242. Predictors of quality of life after pancreas-kidney transplantation. Hathaway, D.K., Tolley, E.A., Johnson, C., Winsett, R.P., Wicks, M.N., & Gaber, A.O. Paper presented at the 5th Congress of the International Pancreas and Islet Transplant Association, June 1995, Miami, FL.
243. Identification of quality of life outcomes distinguishing diabetic kidney-alone and pancreas-kidney recipients. Hathaway, D.K., Hartwig, M.S., Crom, D., & Gaber, A.O. Paper presented at the 5th Congress of the International Pancreas and Islet Transplant Association, June 1995, Miami, FL.
244. Monitoring of donor-specific cellular responsiveness in mixed lymphocyte cultures and the management of renal allograft recipients. Kotb, M., Russell, W.C., Ohman, M., El-Rageh, I., Hathaway, D.K., & Gaber, A.O. Paper presented at the 14th Annual meeting of the American Society of Transplant Physicians, May 1995, Chicago, IL.
245. Kidney-pancreas transplantation: Effect of portal versus systemic drainage on the lipoprotein composition. Hughes, T.A., Gaber, A.O., Amiri, M.H., Wang, X., Elmer, D.S., Winsett, R.P., Hathaway, D.K., & Hughes, S.M. Paper presented at the 14th Annual meeting of the American Society of Transplant Physicians, May 1995, Chicago, IL.
246. The value of CMV titers and cultures in the clinical management of transplant patients. Evans, S.L., Alloway, R., Vera, S., Horvath, H., Hathaway, D.K., & Gaber, A.O. Paper presented at the 14th Annual meeting of the American Society of Transplant Physicians, May 1995, Chicago, IL.
247. Implications of flow cytometric β cell cross matching in renal allograft recipients. Russell, W.C., Ohman, M., Leathers, K., Loehman, B., Rageuh, I., Kotb, M., Hathaway, D.K., Gaber, L.W., & Gaber, A.O. Paper presented at the 14th Annual meeting of the American Society of Transplant Physicians, May 1995, Chicago, IL.
248. Use of glucose disappearance rates (kG) to monitor endocrine function of pancreas allografts. Elmer, D.E., Hathaway, D.K., Gaber, L.W., Hughes, T., Amiri, M.H., & Gaber, A.O. Paper presented at the 14th Annual meeting of the American Society of Transplant Physicians, May 1995, Chicago, IL.
249. Monitoring of donor-specific cellular responsiveness in mixed lymphocyte cultures and the management of renal allograft recipients. Kotb, M., Russell, W.C., el-Rageuh, I., Hathaway, D.K., Ohman, M., & Gaber, A.O. 14th Annual Scientific Meeting, The American Society of Transplant Physicians, May 1995, Chicago, IL.

250. Kidney-pancreas transplantation: Effect of portal versus systemic drainage on the lipoprotein composition. Hughes, T.A., Gaber, A.O., Amiri, M.H., Wang, X., & Elmer, D.S. 14th Annual Scientific Meeting, The American Society of Transplant Physicians, May 1995, Chicago, IL.
251. Use of glucose disappearance rates (kG) to monitor endocrine function of pancreas allografts. Elmer, D.E., Hathaway, D.K., Gaber, L.W., Hughes, T.A., Amiri, H.H., & Gaber, A.O. 14th Annual Scientific Meeting, The American Society of Transplant Physicians, May 1995 Chicago, IL.
252. The value of CMV titers and cultures in the clinical management of transplant patients. Winsett, R.P., Hathaway, D.K., & Hughes, S.M. 14th Annual Scientific Meeting, The American Society of Transplant Physicians, May 1995, Chicago, IL.
253. Implications of flow cytometric β cell crossmatching in renal allograft recipients. Russell, W.C., el-Raguel, I., Kotb, M., Hathaway, D.K., Gaber, L.W., & Gaber, A.O. 14th Annual Scientific Meeting, The American Society of Transplant Physicians, May, 1995, Chicago, IL.
254. Dysautonomia: An incapacitating and potentially life-threatening condition ameliorated by transplantation. Hathaway, D.K. Paper presented at the 4th annual meeting of the International Transplantation Nurses Society, April 1995, Philadelphia, PA.
255. Results of pancreas transplantation with portal venous and enteric drainage: Three years post transplant. Gaber, A.O., Shokouh-Amiri, H., Hammontree, L., Hughes, C.B., Hathaway, D.K., & Britt, L.G. 106th Session of the Southern Surgical Society, December 1994, Palm Beach, FL.
256. Demographic and clinical factors effecting TCR expression during and following OKT3 treatment. Alloway, R., Kotb, M., Hathaway, D., Schroeder, T., Gaber, A.O., & Gaber, L.W. 27th Annual meeting of the American Society of Nephrology, October 26-29, 1994, Orlando, FL.
257. Psychosocial factors associated with noncompliance in adolescents with end stage renal disease. Ammons, J. & Hathaway, D. Paper presented at the 3rd Biannual Conference on Psychiatric Psychosocial and Ethical Issues in Organ Transplantation, October 7, 1994, Richmond, VA.
258. Sustained autonomic cardiac dysfunction and sudden cardiac death: Case reports of diabetic transplant recipients. Hathaway, D.K., El-Gebely, S., Elmer, D.S., Rashed, H., & Gaber, A.O. 1994 meeting of the American Autonomic Society, October 1994, Rochester, MN.
259. Use of stepwise multiple linear regression to predict quality of life after kidney transplantation. Crom, D. & Hathaway, D.K. 1994 meeting of the North American Transplant Coordinators Organization, August 1994, New Orleans, LA.
260. Posttransplant obesity does not influence early posttransplant outcome. Barzizza, K. & Hathaway, D.K. 1994 meeting of the North American Transplant Coordinators Organization, August 1994, New Orleans, LA.
261. Changes in cardiac function of Type 1 diabetes following pancreas-kidney and kidney-alone transplantation. Gaber, A.O., El-Gebely, S., Sugathan, P., Hathaway, D., Elmer, D., McCulley, R., & Burlew, B. Paper presented at the XVth meeting of the International Transplantation Society, August 1994, Kyoto, Japan.
262. Improved cardiac function occurs following pancreas transplantation. Elmer, D.S., El-Gebely, S., Sugathan, P., Hathaway, D.K., Burlew, B., & Gaber, A.O. 1994 meeting of the North American Transplant Coordinators Organization, August 1994, New Orleans, LA.
263. Factors associated with improved quality of life following kidney transplantation. Hartwig, S.M., Milstead, J., Evans, S., & Hathaway, D.K. 25th Annual Symposium of the American Nephrology Nurses Association, June 12-16, 1994, Dallas, TX.
264. The relationship of social support to quality of life for kidney transplant recipients. Milstead, J., Hartwig, M.S., Evans, S., & Hathaway, D.K. 25th Annual Symposium of the American Nephrology Nurses Association, June 12-16, 1994, Dallas, TX.
265. A prospective study of quality of life (QoL) after pancreas-kidney (PK) and kidney-only transplants. Elmer, D.S., Hathaway, D.K., Hartwig, M.S., Milstead, J., & Gaber, A.O. 25th Annual Symposium of the American Nephrology Nurses Association, June 12-16, 1994, Dallas, TX.
266. Low dose prednisone therapy and post transplant quality of life. Hathaway, D.K., Hartwig, M.S., Milstead, J., Winsett, R.P., & Gaber, A.O. 25th Annual Symposium of the American Nephrology Nurses Association, June 12-16, 1994, Dallas, TX.

267. Sustained improvement in cardiac function occurs for diabetic pancreas-kidney recipients but not kidney-alone recipients. Gaber, A.O., El-Gebely, S., Sugathan, P., Hathaway, D.K., Elmer, D.S., McCulley, R., & Burlew, B.S. 20th Annual meeting of the American Society of Transplant Surgeons, May 18-20, 1994, Chicago, IL.
268. Autonomic cardiac dysfunction in diabetic transplant recipients succumbing to sudden cardiac death. El-Gebely, S., Hathaway, D.K., Cardoso, S.S., Elmer, D.S., & Gaber, A.O. 13th Annual meeting of the American Society of Transplant Physicians, May 16-18, 1994, Chicago, IL.
269. Analysis of long-term renal function in pancreas-kidney versus diabetic kidney-alone recipients. El-Gebely, S., Elmer, D.S., Hathaway, D.K., & Gaber, A.O. 13th Annual meeting of the American Society of Transplant Physicians, May 16-18, 1994, Chicago, IL.
270. Quantitative assessment of the effects of audio tape suggestion on postoperative activity. Cowan, G.S.M., Hathaway, D.K., & Buffington, C. American Federation of Clinical Research, April 29-May 2, 1994.
271. Improvement in quality of life experienced by diabetic pancreas-kidney recipients versus kidney-only recipients. Hathaway, D.K., Hartwig, M.S., Milstead, J., Elmer, D.S., Evans, S., & Gaber, A.O. Annual meeting of the International Society of Transplant Nurses, February 1994, San Francisco, CA.
272. Factors affecting graft survival in black renal transplant recipients. Jordan, I., Winsett, R., Vera, S., Hathaway, D., & Gaber, O. 18th Annual meeting of the North American Transplant Coordinators Organization, August 15-18, 1993, Seattle, WA.
273. Glucose disappearance rate (KG) during intravenous glucose tolerance testing as a marker of pancreas allograft rejection. Elmer, D., Hathaway, D., & Gaber, A.O. 18th Annual meeting of the North American Transplant Coordinators Organization, August 15-18, 1993, Seattle, WA.
274. Quality of life for uremic diabetic patients is better following pancreas-kidney versus kidney only transplantation. Hathaway, D., Hartwig, M., Milstead, J., Elmer, D., Evans, S., & Gaber, A.O. 18th Annual meeting of the North American Transplant Coordinators Organization, August 15-18, 1993, Seattle, WA.
275. Correlates of improvement in quality of life experienced by renal allograft recipients during the first year following transplantation. Hathaway, D.K., Hartwig, M.S., Milstead, J., & Gaber, A.O. 1993 Sigma Theta Tau International Nursing Research Congress: Advances in International Nursing Scholarship, June 21-22, 1993, Madrid, Spain.
276. The dilemma of allograft loss in black renal recipients: A nurses perspective. Jordan, I., Winsett, R.P., Hathaway, D.K., & Gaber, A.O. 24th Annual National Symposium of the American Nephrology Nurses Association, June 5-6, 1993, Orlando, FL.
277. Simultaneous pancreas kidney transplantation improves functional outcomes and quality of life for uremic diabetics. Elmer, D., Hathaway, D., & Gaber, A.O. 24th Annual National Symposium of the American Nephrology Nurses Association, June 5-6, 1993, Orlando, FL.
278. Glucose disappearance constant (KG) provides an alternative diagnostic marker of acute pancreas allograft rejection. Elmer, D., Hathaway, D., Shokouh-Amiri, H., Hughes, T., Gaber, L., & Gaber, A.O. International Congress of Pancreatic and Islet Transplantation Annual Meeting, June 1993, Amsterdam.
279. Improved in autonomic and gastric function in pancreas-kidney (PK) versus kidney-alone (K) transplantation contributes to quality of life. Gaber, A.O., Hathaway, D.K., Cardoso, S., Hartwig, M., & Abell, T. International Congress of Pancreatic and Islet Transplantation Annual Meeting, June 1993, Amsterdam.
280. Greater improvement in quality of life (QoL) is experienced by pancreas-kidney (PK) recipients versus diabetic kidney only (K) recipients. Hathaway, D.K., Hartwig, M., Milstead, J., Elmer, D., Evans, S., & Gaber, A.O. International Congress of Pancreatic and Islet Transplantation Annual Meeting, June 1993, Amsterdam.
281. Pharmacokinetic profile of OKT3 in renal transplant recipients receiving standard and low dose OKT3 for induction immunosuppression. Alloway, R.R., Kotb, M., Hathaway, D., Ohman, M., Strain, S., & Gaber, A.O. Annual Meeting of the American Society of Transplant Physicians, May 1993, Houston, TX.
282. Evaluation of immunological markers predictive of successful OKT3 induction. Kotb, M., Hathaway, D.K., Alloway, R.R., Gaber, L.W., Docktor, M., Vera, S.R., & Gaber, A.O. Annual Meeting of the American Society of Transplant Physicians, May 1993, Houston, TX.

283. Glucose disappearance constant (KG) as a diagnostic marker of pancreas allograft rejection. Elmer, D., Hathaway, D., Shokouh-Amiri, H., Hughes, T., Gaber, L., & Gaber, A.O. Annual Meeting of the American Society of Transplant Physicians, May 1993, Houston, TX.
284. Improvement in autonomic and gastric function in pancreas-kidney (P-K) versus kidney-alone (K) transplantation and the impact on quality of life. Gaber, A.O., Hathaway, D., Cardoso, S., Hartwig, M., & Abell, T. Annual Meeting of the American Society of Transplant Physicians, May 1993, Houston, TX.
285. A prospective study of quality of life (QoL) changes reported by pancreas-kidney versus diabetic kidney-only recipients. Hathaway, D.K., Hartwig, M., Milstead, J., Elmer, D., Evans, S., & Gaber, A.O. Annual Meeting of the American Society of Transplant Physicians, May 1993, Houston, TX.
286. Routine biopsy and induction therapy affect outcome of delayed graft function. Gaber, L., Vera, S., Hathaway, D., Salem, A., Alloway, R., & Gaber, A.O. Annual Meeting of the National Kidney Foundation/American Society of Nephrology, November 1992, Baltimore, MD.
287. Kidney vs. pancreas transplantation for uremic diabetics. Gaber, A.O., Abell, T., Hughes, T., Cardoso, S., Elmer, D., Hathaway, D., & Gaber, L. Annual Meeting of the National Kidney Foundation/American Society of Nephrology, November 1992, Baltimore, MD.
288. Pancreas transplantation with portal venous and enteric drainage eliminates hyperinsulinemia and reduces postoperative complications. Gaber, A.O., Shokouh-Amiri, H., Hathaway, D., Elmer, D., Kitabchi, A., Stentz, F., & Hughes, T. XIVth International Congress of the Transplantation Society, August 1992, Paris, France.
289. Low dose OKT3 induction therapy of cadaveric transplant recipients. Alloway, R., Kotb, M., Hathaway, D., Vera, S., Britt, L., & Gaber, A.O. XIVth International Congress of the Transplantation Society, August 1992, Paris, France.
290. Improvement in autonomic and GI function and gastric emptying in pancreas-kidney transplantation vs. kidney transplantation alone. Abell, T., Cardoso, S., Familoni, B., Hathaway, D., Lawrence, D., Karas, J., & Gaber, A.O. XIVth International Congress of the Transplantation Society, August 1992, Paris, France.
291. Is glomerular thrombosis of donor kidney a contradiction for transplantation. Gaber, L., Hathaway, D., Kotb, M., Vera, S., & Gaber, A.O. American Society of Transplant Physicians, May 1992, Chicago, IL.
292. Early results of pancreas transplantation with portal venous and enteric drainage. Gaber, A.O., Shokouh-Amiri, M.H., Hathaway, D.K., Elmer, D., Stentz, F., Hughes, T.A., & Kitabchi, A. American Society of Transplant Physicians, May 1992, Chicago, IL.
293. Quality of life 6-12 months after renal transplantation. Hathaway, D.K., Hartwig, M., Winsett, R.P., & Gaber, A.O. 23rd ANNA Symposium, April 1992, Chicago, IL.
294. Use of multiple measures clarifies assessment of quality of life. Hathaway, D.K., Hartwig, M., Bartlett, R., Jordon, I., & Gaber, A.O. 31st Biennial Sigma Theta Tau International Scientific Sessions, November 1991, Tampa, FL.
295. Social support contributes to quality of life for patients awaiting transplantation. Hathaway, D., Hartwig, M., Bartlett, R., Jordon, I., & Gaber, A.O. Tennessee Nurses Association Research Day, October 1991, Memphis, TN.
296. Effective and safe use of ketoconazole as adjunctive immunosuppressive therapy. Winsett, R.P., Hathaway, D.K., Alloway, R., & Gaber, A.O. North American Transplant Coordinators Meeting, August 1991, Nova Scotia, Canada.
297. Non-uremic pancreas transplant recipients: Disparity between symptomatology and pathological findings. Elmer, D.S., Hathaway, D.K., Amiri, H.S., & Gaber, A.O. North American Transplant Coordinator Meeting, August 1991, Nova Scotia, Canada.
298. Racial differences in organ procurement efforts. Hartwig, M.S., Hall, G., Hathaway, D.K., & Gaber, A.O. North American Transplant Coordinators Meeting, August 1991, Nova Scotia, Canada.
299. Social support contributes to quality of life for patients awaiting transplantation. Hathaway, D.K., Hartwig, M.S., Bartlett, R., Jordan, I., & Gaber, A.O. North American Transplant Coordinators Meeting, August 1991, Nova Scotia, Canada.

300. Black living related recipients experience increased graft loss. Jordan, I., Winsett, R.P., Hathaway, D.K., Vera, S., Britt, L.G., & Gaber, A.O. North American Transplant Coordinators Meeting, August 1991, Nova Scotia, Canada.
301. Changes in gastric emptying in recipients of successful combined pancreas-kidney transplants. Gaber, A.O., Oxley, D., Karas, J., Cardoso, S., Hathaway, D.K., Shokouh-Amiri, A.H., Lindkaer Jensen, S., & Abell, T.L. Symposium on Current Concepts in Research of Gastrointestinal Motility, July 1991, Aarhus, Denmark.
302. Neuropathic improvement following pancreas-kidney (P-K) transplantation. Gaber, A.O., Bertorini, T., Cardoso, S.S., Abell, T., Hathaway, D.K., & Pearson, S. Third International Congress on Pancreatic and Islet Transplantation Symposium on Artificial Insulin Delivery System, June 6-8, 1991, Lyon, France.
303. Lipoprotein composition in insulin dependent diabetes mellitus with chronic renal failure: Effect of kidney and pancreas transplantation. Hughes, T., Gaber, A.O., Amiri, H., Kaminska, E., Hathaway, D., Elmer, D., & Wang, X. Third International Congress on Pancreatic and Islet Transplantation Symposium on Artificial Insulin Delivery System, June 6-8, 1991, Lyon, France.
304. The effect of combined pancreatic-renal transplantation on gastric emptying. Oxley, D., Abell, T.L., Familoni, B.O., Cardoso, S., Karas, J., Hathaway, D., & Gaber, A.O. American Association for the Study of Liver Diseases, May 19-22, 1991, New Orleans, LA.
305. OKT3 versus ATG as an induction agent with regraft recipients. Gaber, A.O., Hathaway, D., & Cromer, R. 25th Annual Meeting of the Southeastern Dialysis and Transplantation Association, August 10-12, 1990.
306. Fulfillment of patients quality of life expectations by renal transplant recipients. Freeman-Williams, J., Hathaway, D., Strong, M., & Hauser, L. 21st Annual ANNA Symposium, April 21-24, 1990, Washington, DC.
307. Fulfillment of staff quality of life expectations by renal transplant recipients. Hauser, L., Hathaway, D., Strong, M., & Freeman-Williams, J. 21st Annual ANNA Symposium, April 21-24, 1990, Washington, DC.

PRESENTATIONS – *invited*

1. Southern Nursing Research Society Annual Conference, February 23-25, Dallas, TX. The Journey of a Nurse-Scientist
2. International Transplant Nursing Society Annual Symposium, October 14-16, Pittsburg PN. Leadership and Mentoring Workshop, Panel Member
3. Interdisciplinary research: What, Why, and How. Beta Theta at-large Chapter of Sigma Theta Tau. Distinguished Lectureship. April 3, 2014
4. Interdisciplinary Research: What, Why, and How. Beta Theta at-large Chapter of Sigma Theta Tau. Distinguished Lectureship. April 3, 2014, Memphis, Tennessee.
5. Assessing Your School's Financial Health: challenges and Possibilities. AACN Executive Development Series 2011, St. Louis, November 16-17 and Washington DC, March 23, 2012.
6. Graduate Education on a National Level: Challenges of other Graduate Programs, Purdue University School of Nursing Retreat, Video Conference, May 22, 2011
7. Effects of Patient Education in the Outcome of Organ Transplantation: Challenges to the Health Team Professionals, XI Congresso Brasileiro de Transplantes, Pernambuco Convention Center, Recife, Brazil, October 13-16, 2009
8. Caring, Researching and Teaching: Connecting Research to Practice on Donation and Organ Transplantation, XI Congresso Brasileiro de Transplantes, Pernambuco Convention Center, Recife, Brazil, October 13-16, 2009
9. Quality of Life Following Organ Transplantation, II International Symposium on Nephrology & I International Symposium on Transplantation, Hospital Alemão Oswaldo Cruz, Sao Paulo, Brazil, October 1-5, 2009
10. Center Based Approach to a Transplant Employment Program, II International Symposium on Nephrology & I International Symposium on Transplantation, Hospital Alemão Oswaldo Cruz, Sao Paulo, Brazil, October 1-5, 2009

11. Research & Writing for Publication, NATCO 34th Annual Meeting, August 2-5, 2009, Las Vegas, NV
12. Quality of Life Following Transplantation, Transplant Grand Rounds, The Methodist Hospital System, December 10, 2008, Houston, TX
13. Advancing Professional Practice: An Expert Discussion on the Professional Practice Doctorate, Crow, S., Hathaway, D., Gale, D., Samson, L., Martin, E., Panel Discussion; College of Health Professions at Governors State University, January 10, 2008, Chicago, IL
14. Simpósio - Atividade Multidisciplinar em Transplant - Educação em Transplant - Educational Process for Transplant Professionals: USA Experience, ABTO 2007, X Brazilian Congress of Transplants, September 5, 2007, Florianopolis, Brazil
15. Simpósio - Atividade Multidisciplinar em Transplant Qualidade de Vida Life - Quality of Life after Transplantation - Problems, Strategies and Results, ABTO 2007, X Brazilian Congress of Transplants, September 5, 2007, Florianopolis, Brazil
16. Doctor of Nursing Practice, Hathaway, D., 2007 9th Annual Distinguished Lecture Series; the University of Akron College of Nursing; April 3-4, 2007, Akron, OH
17. Panel Presentation with Mundinger, M., Woods, N., Shaver, J., Stark, P., and Hathaway, D. The ABC's of the Doctor of Nursing Practice: Assessing Resources, Building Culture of Clinical Scholarship, and Curriculum Development. Columbia University, March 9, 2007, New York City, NY
18. Discussion on Operationalizing the DNP Essentials. Hathaway, D., 2007 AACN Doctoral Education Conference, *Doctoral Study: Developing Nursing Leaders for the Future*, January 24-27, 2007, Captiva Island, FL
19. Negotiating Protected Time for Junior Faculty to Accomplish Goals of New Clinical Mentored Awards - Chesney, R., Hathaway, D., Mentoring Workshop: The Challenges of Mentoring for Clinical & Translational Research at UTHSC & St Jude Children's Research Hospital, October 14, 2006, Memphis, TN
20. Doctoral Level Practice for the APN - Hathaway, D., 2006 International Transplant Nurses Society, October 5-7, 2006 Rotterdam, The Netherlands
21. Post Transplant and Quality of Life Research - Hathaway, D. 2006 NINR "Celebrating Nursing Science: The Research-Practice Link" Conference, June 16, 2006, Washington, DC
22. *Wrestling with Complexity: The Future of Master's Education* -Hathaway, D. 2006 AACN Master's Education Conference, February 15-16, 2006, San Antonio, Texas
23. The DNP and Faculty Practice - Overview and discussion about the Doctor of Nursing Practice and progress to date by the two AACN Task Forces, 2006 AACN Faculty Practice Conference, February 17-18, 2006, San Antonio, Texas
24. DNP Program Outcomes and Impact on Practice - Hathaway, D. AACN Doctoral Education Conference, *Preparing the Next Generation of Doctoral Faculty*, January 25-28, 2006, San Diego, California
25. *Introducing the Doctor of Nursing Practice* - Hathaway, D., AACN Task Force on the Essentials of Nursing Education for the Doctor of Nursing Practice, Medscape General Medicine Webcast Video Editorial- February 22, 2006, New York City, New York
26. Inter-professional Education: The Impact on Practice and Academia. Hathaway, D., 2005 NPBP/AACP District III Meeting, August 7-9, 2005, Knoxville Tennessee
27. The Transplant Recipient's Quality of Life: Taking the Research from Bench to Bedside. Hathaway, D. American Transplant Congress Pre-Meeting Symposia, May 21-25, 2005, Seattle, Washington
28. Informal Discussion: Practice Doctorate Programs- a discussion forum designed for schools considering or in early implementation stage practice doctorate program. 2005 AACN Doctoral Education Conference, January 19-22, 2005 San Diego, CA

29. Longitudinal Analysis of Quality of Life in Kidney and Liver patients in the Patient Outcomes Registry for Transplant Effects on Life (PORTEL) Hathaway, D. 3rd International Congress on Immunosuppression December 8-11, 2004 San Diego, CA
30. What is the impact on quality of life and cost benefit ratio of islet transplantation? Hathaway, D. Islet Transplantation 3rd Annual Symposium, December 4-6, 2003, Rancho Mirage, CA.
31. Research Basics. Nursing Ground Rounds, Le Bonheur Children's Research Hospital, November 5, 2003, Memphis, TN.
32. Partnering on center grants. Hathaway, D. Annual Founders' Day Research Symposium: Center of Building Healthy Communities, University of Mississippi School of Nursing, Theta Beta Chapter of Sigma Theta Tau International, Inc., October 13, 2003, Jackson, MS.
33. Measuring the impact of patient-reported Immunosuppression side effects on post-transplant quality of life. Winsett, R.P. and Hathaway, D.K. North American Transplant Coordinators Organization, July 27-30, 2003, New Orleans, LA.
34. Defining, measuring and improving quality of life: an example from organ transplantation. Hathaway, D. The Mary T. Boynton Distinguished Lecture Series, The University of Tennessee College of Nursing, April 15, 2003, Knoxville, TN.
35. Mixed metaphors for mentoring (response panel to keynote address). Beck, C., Hathaway, D. and Robinson, B. Southern Nursing Research Society 17th Annual Conference, February 13-15, 2003, Orlando, FL.
36. Advancing your R01 into a program of research. Armstrong, N., Sigmon, H., Miles, M. and Hathaway, D. Nation Institute of Nursing Research Pre-conference Workshop, Southern Nursing Research Society 17th Annual Conference, February 13-15, 2003, Orlando, FL.
37. Patient education strategies that enhance recipient outcomes. Hathaway, D. and Quality of Life Intervention Team. Advances in Transplantation, October 28-30-2002, La Jolla, CA.
38. Quality of life issues for kidney recipients. Hathaway, D. Advances in Transplantation, October 28-30, 2002, La Jolla, CA.
39. Writing for publication. Hathaway, D.K. International Transplant Nurses Society. September 6, 2000, Las Vegas, NV.
40. The influence of medication side effect profile on compliance and transplant outcomes. Hathaway, D.K. North American Transplant Coordinators Organization, August 5-9, 2000, Orlando, FL.
41. Programmatic changes enhance post transplant quality of life. Hathaway, D.K. & Winsett, R.P. North American Transplant Coordinators Organization, August 5-9, 2000, Orlando, FL.
42. State of the science: Quality of life outcomes of ESRD therapy. Hathaway, D.K. American Nephrology Nurses' Association, April 9, 2000, Nashville, TN.
43. Writing for publication. Hathaway, D.K. North American Transplant Coordinators Organization, March 11, 2000, San Diego, CA.
44. Writing abstracts for presentations. Hathaway, D.K. Emerging issues in transplantation, International Transplant Nurses Society, November 6, 1999, Memphis, TN.
45. Diabetic autonomic neuropathy. Hathaway, D.K. The Harriet Williamson Annual Diabetes Update: Mechanisms in Management, Continuing Education in Nursing sponsored by The University of Mississippi School of Nursing, November 5, 1999, Jackson, MS.
46. Enhancing quality of life for transplant recipients. Hathaway, D.K. Congressional Breakfast Briefing on Capitol Hill, National Institute of Nursing Research, May 18, 1999, Washington, DC.
47. The perceptions of transplant clinicians regarding patient compliance. Hathaway, D.K. The First European Symposium on Non-Compliance in Transplantation, February 4-6, 1999, Salzburg, Austria.
48. Quality of life and autonomic function in transplant recipients. Hathaway, D. Vanderbilt University, August 14, 1998, Nashville, TN.

49. Echocardiography and cardiac autonomic function following pancreas-kidney transplantation. Annual Baxter Foundation Grant Holders Meeting, June 10-11, 1997, Chicago, IL.
50. Psychosocial aspects of kidney transplantation. Transplant Update, University of Tennessee Bowld Hospital, March 25, 1997, Memphis, TN.
51. Quality of life after kidney transplantation. Renal Day, Methodist Health Care Systems, March 24, 1997, Memphis, TN.
52. Quality of life following kidney and pancreas kidney transplantation: Measurement prediction and biological linkages. Hathaway, D.K. Visiting Professor, Research Center for Chronic Diseases, March 29-April 2, 1996, Pittsburgh, PA.
53. Clinical and research implications for the measurement of quality of life. Beta Theta Chapter of Sigma Theta Tau, Annual Fall Meeting, September 1994.
54. Definition and measurement of quality of life. Bluff City Chapter of the American Nephrology Nurses Association, September 13, 1994.
55. A new generation of nurse researchers. Beta Theta Chapter of Sigma Theta Tau Research Day, April 8, 1994.
56. Conducting clinical transplant research. North American Transplant Coordinators Organization Annual Clinical Practice Symposium, October 22, 1993, Nashville, TN.
57. A collaborative research program at the University of Tennessee College of Nursing. Hathaway, D.K., invited presentation to the University of Tennessee Alumni, May 1992.
58. Using clinical data for research. Hathaway, D.K. Beta Theta Chapter of Sigma Theta Tau Research Colloquium, March 1992, Memphis, TN.
59. Quality of life and social support in renal transplant recipients. Hathaway, D.K., Hartwig, M., Bartlett, R., Jordon, I., & Gaber, A.O. Beta Theta Chapter of Sigma Theta Tau Research Colloquium, March 1992, Memphis, TN.
60. Integrating research into transplant nursing. Hathaway, D., Winsett, R.P., Jordan, I., Elmer, D. & Phillips, D. United Network Organ Sharing (UNOS) Regional Conference, May 10, 1991, Nashville, TN.
61. Quality of life research update. Alumni Day University of Tennessee, Memphis, May 3, 1991, Memphis, TN.
62. Nursing...An endangered species? Hathaway, D. Tennessee League of Nursing State Convention, May 1989, Memphis, TN.
63. Renal transplant recipients quality of life expectations. Hathaway, D., Strong, M., & Ganza, M. Southern Nursing Research Society, February, 1989, Austin, TX.
64. The patient's transplant decision: Who, what and why? Hathaway, D., Strong, M., & Ganza, M. National Nephrology Nurses Association Meeting, May 2, 1988, Reno, NV.
65. Changes in quality of life anticipated by renal transplant recipients and their nurses. Strong, M., Hathaway, D., & Ganza, M. National Nephrology Nurses Association Meeting, May 2, 1988, Reno, NV.
66. Effects of operative audiotape suggestion on postoperative bariatric surgery outcomes. Hathaway, D., Cowan, G., Larrabee, J., & Giampappa, M. The Sixth Annual International Obesity Surgery Symposium, February 17, 1988, Memphis, TN.
67. MAST use does not induce post-injury coagulopathy. Stanford, D. & Hathaway, D. 13th Annual Nursing Research Conference, November 1987, Nashville, TN.
68. Factors influencing psychosocial adjustment of renal transplant recipients. Hathaway, D. & Winsett, R. International Nursing Research Conference, October 1987, Washington, DC.
69. Impact of hospitalization on the patient's significant other. Hathaway, D., Boswell, B., Stanford, D., Schneider, S., & Moncrief, A. Tennessee State Nurses' Convention, October 1987, Memphis, TN.

70. Evaluation of a preoperative assessment program. Hathaway, D. & Powell, S. Tennessee State Nurses' Convention, October 1987, Memphis, TN.
71. Performance of the postoperative regimen and the incidence of pulmonary complications. Giampapa, M. & Hathaway, D. Tennessee State Nurse's Convention, October 1987, Memphis, TN.
72. Psychosocial adjustment of renal transplant recipients. Hathaway, D., Winsett, R.P., & Peters, T. 11th Annual Midwest Nursing Research Society Meeting, April 5-7, 1987, St. Louis, MO.
73. Impact of hospitalization on the patient's significant other. Hathaway, D.K., Boswell, B., Stanford, D., & Schneider, S. 1st Annual Southern Nursing Research Society Meeting, April 24-25, 1987, Atlanta, GA.
74. The impact of preoperative instruction on postoperative outcomes. Hathaway, D. Memphis Area Clinical Nurse Specialist Forum, May 1987, Memphis, TN.
75. Type of dialysis and psychosocial adjustment following renal transplantation. Hathaway, D. & Winsett, R. 19th Annual Communicating Nursing Research Conference, May 1986, Portland, OR.
76. Psychosocial adjustment of renal transplant recipients. Hathaway, D. & Winsett, R. Annual Research Day, Beta Theta Chapter, Sigma Theta Tau, February 1986, Memphis, TN.
77. A meta-analysis of preoperative instruction studies. Hathaway, D.K. 18th Annual Communicating Nursing Research Conference, May 1985, Seattle, WA.
78. A cookbook approach to meta-analysis. Hathaway, D. University of South Carolina, June 1984, Columbia, SC.
79. Using meta-analysis as a nursing research methodology. Hathaway, D. University of New Mexico, May 1984, Albuquerque, NM.
80. Reality shock and the practical nurse. Hathaway, D. Columbia Public Schools' Practical Nursing Commencement, March 1980, Columbia, MO.
81. Multi-mediated instructional modules. Hathaway, D. Missouri State Association of Health Occupation Educators, July 1978, Columbia, MO.
82. Old times-new beginnings. Hathaway, D. First faculty member ever invited to present the graduation address at the Columbia Public Schools' Practical Nursing Commencement, March 1977, Columbia, MO.
