

**Re-Bid of
RFP 10054411
Addendum #1**

Student Medical Malpractice Insurance

The following questions have been presented to UTHSC. The answers appear below each question in blue.

1. The limits of liability stated on page 5 of the RFP are \$200,000 per occurrence/\$600,000 annual aggregate for 1st and 2nd year, and \$1,000,000 per occurrence/\$3,000,000 annual aggregate for 3rd and 4th year. Answer to #6 in Schedule 5 of the RFP indicates total annual premium is \$29,130; however, attachment #800068 DEC page shows \$29,130 annual premium is for 1st and 2nd year limits only. Please provide a declaration page indicating premium amount for 3rd and 4th year limits \$1,000,000/\$3,000,000, and/or confirm total annual premium for all years.

The total net premium for the 7.1.16 – 7.1.17 policy year was \$29,130 for the entire policy covering all M1, M2, M3, & M4 students, as stated on the Declarations Page.

2. Is the policy booklet provided for years 1 and 2 only? If so, please provide policy booklet for years 3 and 4.

The Policy booklet is the same for both policy limits.

3. What is the reason for the re-bid? Is there any difference in the information provided?

Lack of competition. Everything is the same.

4. RFP section 2.2, page 5, Coverage section indicates claims made during policy period with tail coverage (a reporting endorsement) will be required for any slots that are closed and not filled in the future and if the entire policy is cancelled or non-renewed. Please clarify what is meant

It seems that would apply in the event that we were to reduce the class size in the future. We have no plans nor intention to reduce the class size.

All else remains the same.
