BOARD OF DIRECTORS MESSAGE

We had a wonderful luncheon meeting in May. In addition to a delicious hot meal crowned by cheesecake varieties, we had an excellent program about volunteer activities and hobbies for retirees. Vic Crutchfield presented volunteer opportunities at St. Francis Bartlett Medical Center. Debbie Smith spoke about library volunteering, line dancing and pickleball. Pam Vaughn presented ballroom dancing activities. Gwen Campbell spoke about the Master Gardeners program. We topped the event off with our gift card and table centerpiece drawings.

Coming up is our last luncheon event for the year, our Holiday Special on November 9, to be held at the HR Training and Conference Room. We are honored that UTHSC Chancellor Buckley will join us as our Guest Speaker. See the article in this Postscripts edition about Dr. Buckley. We look forward to this opportunity to meet him and hear first-hand his vision for the University.

UTHSC Retirees Association Board of Directors

OUR SPEAKER, PETER F. BUCKLEY, MD CHANCELLOR OF THE UNIVERSITY OF TENNESSEE HEALTH SCIENCE CENTER

Dr. Buckley became the 11th Chancellor of the University of Tennessee Health Science Center in 2022.

Natives of Ireland, Chancellor Buckley and his wife, Leonie, emigrated to America more than 30 years ago, when he joined the psychiatry faculty of Case Western Reserve University. He later became the chair of the Department of Psychiatry at the Medical College of Georgia in Augusta. Chancellor Buckley has twice served as a dean of a school of medicine, at Virginia Commonwealth University and at the Medical College of Georgia. He also served as the interim CEO of the health systems at each of these institutions and was previously the medical director for a three-hospital public mental health care system in Ohio.

Dr. Buckley is a national leader in academic medicine and in higher education. He has published extensively, and serves as chair of the board of trustees of InTealth, which oversees the international physician workforce for America. Since moving to Tennessee, Dr. Buckley also serves on the board of several foundations, as well as community and health organizations. In 2023, he was acknowledged by the Memphis Business Journal in its “Power 100” listing of the most influential leaders in the city.

The Buckleys are very proud to be American citizens for more than 25 years. They have two adult sons, John and Brian, who live in Los Angeles and Atlanta, respectively. The Buckleys are delighted to live near downtown Memphis and to walk their Great Danes along the beautiful Mississippi River.
