

UTHSC - General Surgery Clinical Rotation G&O

Sponsoring Institution: Baptist Memorial Hospital

Site: BMH

Rotations: GS/MIS

PGY 2

By the end of the General Surgery/MIS rotation at Baptist, PGY-2 residents are expected to achieve the following objectives based on the six general competencies. The resident should exhibit an increasing level of responsibility and independency as he or she progresses throughout the year. Since competencies learned or mastered in the first year of residency are competencies required for a successful surgeon, the third-year resident will demonstrate achieved objectives in previous years with expanded knowledge, more efficiency in performance of procedures, and additional knowledge in pathophysiology encompassing more complex disorders.

| Competency | Required Skill(s) | Teaching Method(s) | Formative Evaluation Method(s) | Frequency of Evaluation |
|-------------------|---|--|--|--|
| Patient Care | SPECIALTY SPECIFIC OBJECTIVES | | | |
| | Under direct supervision, perform open or laparoscopic cholecystectomy | Clinical Teaching Conferences/Didactics Self Directed Learning | Focused Observation Global Rating Procedure Log Review | Daily Monthly Quarterly |
| | Under direct supervision, perform right colectomy, splenectomy | Clinical Teaching Conferences/Didactics Self Directed Learning | Focused Observation Global Rating Procedure Log Review | Daily Monthly Quarterly |
| | Under direct supervision, perform gastrotomy, jejunostomy, colostomy | Clinical Teaching Conferences/Didactics Self Directed Learning | Focused Observation Global Rating Procedure Log Review | Daily Monthly Quarterly |
| | Under direct supervision, perform hernia repair | Clinical Teaching Conferences/Didactics Self Directed Learning | Focused Observation Global Rating Procedure Log Review | Daily Monthly Quarterly |
| | Under direct supervision, perform small bowel resection, lysis of adhesions | Clinical Teaching Conferences/Didactics Self Directed Learning | Focused Observation Global Rating Procedure Log Review | Daily Monthly Quarterly |
| Medical Knowledge | SPECIALTY SPECIFIC OBJECTIVES | | | |
| | Understanding of indications and contraindications for the minimally invasive approach to surgical problems | Clinical Teaching Conferences/Didactics Self Directed Learning Simulators Journal Club | Focused Observation Global Rating Mock Oral Exam ABSITE | Daily Monthly Annually Annually |
| | Management of multiple system organ failure | Clinical Teaching Conferences/Didactics Self Directed Learning Simulators | Focused Observation Global Rating Mock Oral Exam ABSITE | Daily Monthly Annually Annually |

| | | | | |
|---|---|--|--|--|
| | | Journal Club | | |
| | Evaluation of the acute abdomen | Clinical Teaching Conferences/Didactics Self Directed Learning Simulators Journal Club | Focused Observation Global Rating Mock Oral Exam ABSITE | Daily Monthly Annually Annually |
| | Understanding of benign large and small intestinal disorders | Clinical Teaching Conferences/Didactics Self Directed Learning Simulators Journal Club | Focused Observation Global Rating Mock Oral Exam ABSITE | Daily Monthly Annually Annually |
| | Understanding of manifestations of biliary and pancreatic disease | Clinical Teaching Conferences/Didactics Self Directed Learning Simulators Journal Club | Focused Observation Global Rating Mock Oral Exam ABSITE | Daily Monthly Annually Annually |
| | Understanding of manifestations of skin and soft tissue disease | Clinical Teaching Conferences/Didactics Self Directed Learning Simulators Journal Club | Focused Observation Global Rating Mock Oral Exam ABSITE | Daily Monthly Annually Annually |
