

**The value of storytelling and story listening in hearing healthcare:
Counseling tools for placing patients and their families at the center of care
Speaker: Brittan Barker, Ph.D.**

This year’s conference will be held in a hybrid format. The speaker will be virtual, and you have the option Zoom from your location or at a “watch party” at the UT Conference Center in Knoxville. A tour of the Conference Center space is available from 11:30-12:00 and lunch is on your own (there are several options close by). We will send the Zoom link for the conference several days prior to the event.
