UTHSC Financial Aid Information

Scholarship-

Scholarships are awarded by the department's scholarship committee. Applying for the program automatically puts the student in the pool for scholarships. The awards are based on the strength of the application and a student does not have to accept the admission offer to be considered.

FAFSA:

1. Complete FAFSA form online
2. Use UTHSC code (006725)
3. Include parent's information
4. Wait for award letter to determine if eligible for work study
5. If eligible for work study, identify ASP as your preferred work study site
