Dear Faculty and Staff:

I am pleased to announce that the University of Tennessee Health Science Center (UTHSC) has been named a top work place in the Greater Memphis area by the Commercial Appeal.

The honor is especially gratifying because the list is based solely on surveys about the workplace completed by employees.

Your efforts every day make UTHSC a great place to work. They also make Memphis, the state of Tennessee and the Mid-South a healthier and better place to live.

We are proud of what we have accomplished together and pledge to continue to make UTHSC an outstanding place to work.

Sincerely,

Steve J. Schwab, M.D.
