Specific information about the requirements for each program are available via the Applicant Information on each program's web page.

This year, due to the COVID-19 pandemic, many University of Tennessee Health Science Center Graduate Medical Education Programs and UT institutions across the State and others throughout the country, have made the decision to conduct only virtual interviews for residency/fellowship positions. This is in keeping with Association of American Medical Colleges (AAMC) and Coalition for Physician Accountability recommendations to curb the spread of the COVID-19 virus and to ensure a fair, equitable, and confidential interview process throughout the 2023 recruitment season. Therefore, we guarantee the following:

Regardless of whether or the programs of The UT College of Medicine Chattanooga interview virtually or in-person, we affirm that none will record or distribute any part of any interview conducted on a virtual platform (*e.g.*, Zoom) or in-person. This includes screenshots, still photos, audio recording, and video recording and applies regardless of whether the state in which our institution is located requires only one-party consent.

Likewise, we ask that you, the applicant, agree to the same in order to preserve the integrity of the interview process. Please enter your name in the space below and sign confirm your understanding.

I, _____ (the applicant), will neither record nor distribute any part of any interview conducted on a virtual platform (*e.g.*, Zoom) or in-person. This includes screenshots, still photos, audio recording, and video recording and applies regardless of whether the state in which I am located at the time of the interview requires only one-party consent.
