Advocacy Project – Supplemental Information for Evaluation

Date:	
Campus:	
Team member(s):	
Advocacy topic:	

1. Which AI platform was used to create the letter to legislator?

2. Did your team explore any additional AI platforms? Why did you choose the platform you chose?

3. What was the final prompt entered into the platform?

4. Did you have to change the prompt multiple times, and if so, how?

5. How did you edit your letter from the original AI output?
