Specific information about the requirements for each program is available via the Applicant Information Link on each program's webpage.

This year, our Surgery Residency Program has made the decision to follow the recommendations of the Association of Program Directors in Surgery and the Coalition for Physician Accountability, and will conduct only virtual interviews for our residency and fellowship positions. This is not only due to potential COVID issues, but is also because we are committed to promoting equity among applicants and increase the diversity in our residency and fellowship programs. Therefore, we guarantee the following:

The UT College of Medicine Chattanooga and our Surgery-related programs will not record or distribute any part of any interview conducted either in-person or on a virtual platform (e.g., Zoom). This includes screenshots, still photos, audio recording, and video recording and applies regardless of whether the state in which our institution is located requires only one-party consent.

Likewise, we ask that you, the applicant, agree to the same in order to preserve the integrity of the interview process. Please enter your name in the space below and sign confirm your understanding.

I, _____ (the applicant), will neither record nor distribute any part of any interview conducted in-person or on a virtual platform (e.g., Zoom).
