COLLABORATIVE APPROACHES TO DECREASING COMMUNITY VIOLENCE

2022 James H. Horner, MD
Distinguished Visiting Professor

Rochelle A. Dicker, MD

*Trauma Surgeon, Vice Chair for
Surgical Critical Care and Trauma Director
University of California Los Angeles (UCLA)*

Friday, October 28, 2022
11:30 AM – 4:00 PM

The University of Tennessee Health Science Center
Hamilton Eye Institute – Freeman Auditorium
930 Madison Avenue, 3rd Floor
Memphis, TN 38163

The University of Tennessee is an EEO/AA/Title VI/Title IX/Section 504/ADA/ADEA institution in the provision of its education and employment programs and services.

OVERVIEW

James H. Horner was a medical student who died shortly before his expected graduation from the University of Tennessee Health Science Center. His medical degree was awarded posthumously in June 1988. Dr. Horner's family established this distinguished professorship in his name "to promote education, compassion, and academic excellence in the practice of medicine". Join us as we welcome expert speakers who will discuss collaborative approaches to decreasing community violence.

OBJECTIVES

- An improved understanding and knowledge of the ways to decrease social determinants to reduce violence in both adults and children within our community
- Become familiar with the resources that are available to physicians and other healthcare professionals that could be utilized as hospital-based violence intervention programs
- Improved medical practice and performance in terms of strategies and approach for better patient care related to firearm injuries and other forms of violence within the community
- Understand how to improve patient outcomes by addressing the impact of violence on the patient population within our community and provide resources to curtail and reduce this social determinant of health

PLANNING COMMITTEE MEMBERS

Andrew J. Kerwin, MD

Division Chief
Division of Trauma/Surgical Critical Care
Department of Surgery
UT Health Science Center

Regan F. Williams, MD

Associate Professor of Surgery and Pediatrics
Le Bonheur Children's Hospital
Department of Surgery
UT Health Science Center

2022 James H. Horner, MD
Distinguished Visiting Professor

Rochelle A. Dicker, MD

Trauma Surgeon, Vice Chair for
Surgical Critical Care and Trauma Director
University of California Los Angeles (UCLA)

Rochelle A. Dicker, MD is Professor in Residence of Surgery and Anesthesia at UCLA. She serves as the Vice Chair for Critical Care and as the Trauma Medical Director. She also co-Chairs the UCLA Health Equity and Translational Social Science Theme for the School of Medicine and is co-Director of the Program for the Advancement of Surgical Equity (PASE).

In 2003, she founded the Wraparound Project at San Francisco General Hospital. Wraparound is one of the first hospital-based violence intervention programs based on integrating credible messengers and addressing the social determinants of health. Wraparound was one of six start-up programs that formed the National Network of Hospital Based Violence Intervention Programs. Now called the Health Alliance for Violence Intervention, this organization is now home to over 60 full and startup programs. Dr. Dicker is the Chair of the Advisory Board.

She is a member of the American College of Surgeons Committee on Trauma where she leads a group called *Improving the Social Determinants to Attenuate Violence*. The group works to integrate social care and investment models and trauma-informed practices across the country in trauma centers. Also, she Chairs the American Association for the Surgery of Trauma's International Relations Committee and serves as the AAST liaison to the World Health Organization (WHO).

Dr. Dicker is the recipient of teaching awards at both UCSF and UCLA. She is the recipient of the UCSF Chancellor's Award for Public Service, the Jefferson Award for Public Service, the American College of Surgeons Domestic Volunteerism Award, and the AAST/COT National Safety Council Award.

DISCLOSURE STATEMENT

The University of Tennessee College of Medicine is committed to providing CME that is balanced, objective, and evidence based. In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Essentials and Standards, all parties involved in content development are required to disclose any real or apparent conflicts of interest relating to the topics of this educational activity. The University of Tennessee College of Medicine has established mechanisms to resolve conflicts of interest should they arise. Any potential conflict of interest or off label use will be disclosed to the audience prior to the activity.

Up to 3.5 CME / CEU credits provided.

- **AMA Credit Designation:**
 - The University of Tennessee College of Medicine (UTCOM) designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
- **Continuing Education for Non-Physicians:**
 - The UTCOM will issue Certificates of Participation to non-physicians for participating in this activity and designates it for CEUs using the national standard that 1 hour of educational instruction is awarded .1 CEU.
- **Accreditation:**
 - The UTCOM is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
