

## MISSION

To improve the health and well-being of the people we serve by providing compassionate care and exceptional services

Dear New Residents,

On behalf of Dr. Reginald Coopwood, CEO, and the employees of Regional One Health, we welcome you. Regional One Health is a health care system providing accessible, efficient, quality care for individuals in the Mid-South. Its primary service area includes west Tennessee, east Arkansas and north Mississippi. Focusing on compassionate care and exceptional services, Regional One Health is anchored by the acute care hospital Regional Medical Center, which is home to highly respected Centers of Excellence including trauma, burn, neonatal intensive care and high-risk obstetrics. Regional One Health also includes Regional One Health Rehabilitation Hospital; Regional One Health Extended Care Hospital; Regional One Health Surgery Center; a network of primary care and specialty care physician offices; and outpatient services from downtown to east Memphis.

Your educational journey at Regional One Health will begin with an orientation on:

**June 24, 2020**

**8:00 a.m.**

**UTHSC - Student Alumni Center (SAC) Auditorium  
800 Madison Ave.**

Regarding access to our EMR – Cerner Millennium, GME will provide a list of demographics that we will upload in our access management system. That system will create a username and notify you of further instructions on how to set-up your password and security questions. Watch this website for updates.

Please see additional information about your orientation at the following link:
