

## OBSERVERSHIP

The University of Tennessee Graduate Medical Education Program does not offer or provide the opportunity for any externships or observerships. Due to restraints imposed by the Claims Commission Act of 1985, the GME Program is unable to provide any sort of liability coverage (for the visiting individual or the institution) to cover this type of activity.

Only residents from **other ACGME or AOA accredited programs** may be approved to do temporary rotations in a UT Program by submitting an “Application for Temporary Rotation as a Resident/Clinical Fellow at the University of Tennessee.” (See GME Policy #150 – Visiting Resident Approval.)
