• I understand this is not an application for insurance. To enroll or change my medical or dental insurance, I must complete the proper insurance forms.

- I hereby authorize my employer to reduce my gross salary before federal, state and social security taxes are calculated by the total amount of annual salary reduction indicated above. I understand that the amount of salary reduction will include the items specified above and will continue in effect unless I file an approved family status change.
- I understand that any amount remaining in my Dependent Care account that is not used during the plan year will be forfeited since it cannot be carried to the next plan year. I also understand that any funds in excess of \$500 remaining in either the Medical Expense Account or Limited Purpose Account at the end of the year will be forfeited. Funds of \$500 or less will carry over into the following year if I re-enroll.
- I understand and agree that the state will not incur any liability resulting from either my participation in or my failure to accurately complete this enrollment form. I further understand that if I elect not to participate in salary reduction with respect to the benefits listed above, I forego my right to participate during the upcoming plan year.
