

**Senior Research & Learning Services Librarian
University of Tennessee Health Science Center**

The UTHSC Health Sciences Library is committed to providing outstanding service in the ever- changing environment of academic medicine, healthcare delivery, and biomedical research. We are currently expanding our team of energetic, service-oriented, and collaborative professionals in the Research & Learning Services (RLS) department. Join us in Memphis, TN, an increasingly popular destination for young professionals (according to Time Magazine <http://time.com/4797956/cities-millennials-moving/> and businessinsider.com <https://www.businessinsider.com/these-are-the-5-best-cities-to-start-your-career-2017-11>), where you will enjoy a vibrant cultural and culinary experience coupled with a low cost of living and no state income tax. The Senior RLS Librarian will report to the Assistant Director for Research & Learning Services.

RESPONSIBILITIES

- Provides reference and research support services, as well as information literacy instruction.
- Coordinates Single Service Desk and supervises RLS staff and student workers.
- Mentors RLS librarians to deliver professional services.
- Guides UTHSC faculty, staff, and students in the effective use of library services and resources.
- Provides expert literature search services for systematic reviews and other research projects.
- Develops and maintains LibGuides for specific disciplines and subjects.
- Works collaboratively with faculty to design and teach curriculum-integrated instruction sessions for both classroom and online learning environments.
- Creates online tutorials for distance education students focused on library resources and information literacy skills.
- Participates and assists in the planning of library events for students and faculty.
- Serves as library liaison to specific academic colleges or departments to identify their needs and solicit input on library collection development for specific departmental disciplines.

- Participates in the development, implementation, and evaluation of library services, policies, and procedures.
- Participates in professional activities and professional development.
- Manages or assists with special projects.

QUALIFICATIONS

Minimum Requirements:

- Master's degree in library/information science from a program accredited by the American Library Association or an equivalent graduate library science/information studies degree.
- Five (5) years of professional-level academic experience.
- Experience providing library instruction and reference/research support.
- Knowledge of information literacy in library instructional activities.
- Knowledge of technology tools, including mobile devices and web applications.
- Excellent interpersonal, written and oral communication skills.
- Ability and shown evidence to work collaboratively in a team environment with a strong service orientation.

Preferred Qualifications:

- Preference will be given to candidates with experience in or an enthusiasm for the health or life sciences and with two (2) years direct supervisory experience.
- Experience with life science database searching.
- Familiarity with medical vocabulary and evidence-based practice.
- Experience with EndNote or other citation management software.
- Experience with course management systems.

BENEFITS

University faculty appointment: This is a 12-month, full-time, non-tenure track faculty appointment. Faculty rank will be at the level of Assistant Professor or Associate Professor depending on experience.

Salary is commensurate with education/experience. \$60,000 minimum for the candidate with the required education and experience.

Generous full benefits package including 24 vacation days; 8 paid holidays; 12 sick days; sick leave bank; multiple comprehensive health care plans, including dental and vision; choice of retirement plans (University contributes 9% and employee contributes 5% of gross salary); longevity pay; 100% tuition reimbursement for employees at any TN public university (50% for

spouse and dependent children); free use of Fitness Center for employee (small fee for family); and, more.

For a summary of benefits, see <http://www.uthsc.edu/hr/benefits/documents/benefit-preview-packet-2018.pdf>

The University of Tennessee Health Science Center is an EEO/AA-Title IX/Section 504/ADA Employer.

The University of Tennessee does not discriminate on the basis of race, sex, color, religion, national origin, age, disability or veteran status in provision of educational programs and services or employment opportunities and benefits pursuant to the requirements of Title VI of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act (ADA) of 1990.

ABOUT US

The UT Health Science Center includes the colleges of Dentistry, Graduate Health Sciences, Health Professions, Medicine, Nursing, and Pharmacy; graduate medical education programs in Knoxville, Chattanooga, and Nashville; a community pharmacy residency program in locations across the state; family medicine centers in Knoxville, Jackson, and Memphis; and public and continuing education programs across the state.

The UTHSC Library is an innovative, service-oriented library that supports an integrated program of education, research, service, and clinical care efforts of the university. Our recently renovated facilities have increasingly become the gathering place of choice for our diverse, motivated, and diligent group of scholars.
