In 1980, the Imhotep Society became an official and recognized organization on campus, for the purpose of honoring students, faculty, staff, and alumni who have significantly contributed to the student life and student process at UT Memphis. It was recognized that many student leaders, in performing their functions and assignments, may have sacrificed high academic accomplishments and thus did not receive recognition through those organizations which traditionally honor students for high academic achievement.

While the principle objective of the Society is to reward and recognize student leadership and service on campus, a secondary goal is to inspire students to continue leadership and service roles as alumni of the University.

Delta Sigma Delta was established by far-sighted professional men with vision who possessed the desire to render the best dental services in the highest professional manner. On November 15, 1882, seven dental students met at Mrs. Slattery's boarding house in Ann Arbor and founded the first dental fraternity in the world. It was intended to bring together students, teachers, and practitioners. Professional fraternities have strong faculty support because of the high standards required for the establishment of a chapter on campus. Selectivity is a motto of Delta Sig.

Psi Omega was founded in Georgia in 1842 by William Hamilton and one of his colleagues. Since then, this two-member fraternity has grown to cover the nation and to join thousands of dental students and alumni as brothers. Psi Omega at the University of Tennessee has been an important part of campus life for decades by having numerous campus gatherings. Psi-O was founded to establish a means for students to get to know one another, to form friendships, and to help each other. The basis of Psi-O is that there are other outlets besides academics that are important in obtaining a well-rounded education. Psi-O therefore, is an active member in intramural sports, charity fundraisers, and parties. Psi Gamma Chapter here at UT is proud of its members.

Xi Psi Phi Dental Fraternity is cordially known as the ZIPS. Several members reside in the fraternity house at 249 Garland Street. There is a fully equipped lab which is always available for use. Intramural Sports, and theme parties are some of the social activities in which ZIPS are involved. Xi Psi Phi enjoys serving UT-Memphis both socially and academically.

After a year of clerkships and shelf exams, M3's are experts at answering clinically-based multiple choice questions. Here are some review questions for rising M4's. Score 1 pt for each correct answer, and don't forget to use a #2 pencil.

- The most important function of an M3 is:
 - Dictating discharge summaries.
 - Making food runs to East Memphis on night call.
 - Foley placement and digital rectal exam.
 - Being the fall guy when the patient has a retained placenta.
- Appropriate attire for M3's is:
 - Unwashed scrubs.
 - Men wear ties; women wear whatever.
 - Short, short skirts.
 - A student-length coat!
- A 35-year-old Black female presents to your Medicine service with headache and fatigue x 4 weeks. The most appropriate next step is to:
 - Order A CBC, SMAC, ESR, CXR, EKG, UA, PT/PTT, Rheumatoid Factor, Monospot, carotid arteriogram, temporal artery biopsy, and CT of head . . . with contrast.
 - She might be pregnant; turf her to OB.
 - Consult surgery, of course.
 - Given the fact that she's already been worked-up for these symptoms and no organic disease was found, repeat a) just to be thorough.
 - Since she has Access Med Plus, discharge her and send her to Methodist.
- When using a Mogan clamp, you:
 - Check, check and recheck the placement!
 - Show off to your senior resident by clamping it one-handed with your eyes shut.
 - Make sure the baby is a boy before and AFTER.
 - Mogan shmogan, you prefer freestyle.
- The worst mistake you made during your Surgery clerkship was:
 - Sleeping through Croce TICU rounds.
 - Not knowing McBurney's first name or where he did his training.
 - Cutting the knot.
 - Staying in Memphis.
 - Writing the order, "Consult Medicine."
- While doing Psych, never let your attending hear you say:
 - "After we're done, let's go get a drink or two."
 - "Did you hear that?"
 - "Hey, that happened to me too!"
 - "I've been so depressed since I went on that shopping spree last weekend."
- The best part about the Family Medicine clerkship is:
 - Reliving the first 2 years by attending the 2 weeks of lecture.
 - Catching up on your golf and fishing.
 - Getting out of Memphis
 - \$\$\$\$\$\$
- When you hear "Delivery Doc needed in Room 416," you:
 - Stop for a cup of coffee. You've got plenty of time.
 - RUN wishing you'd been on the Stairmaster a few more times last month.
 - Take a few moments to discuss with your teammates who is up for the next delivery.
 - Take the elevator.
- The appropriate length for an M3 Medicine progress note is:
 - 4 lines . . . you know, S, O, and P.
 - You don't know since you never made it to the hospital before your intern.
 - 61 page not counting Assessment and Plan.
 - 3 words- "Agree with Attending."
- The best way to make an 89.4 in Pediatrics is to:
 - Stay out of the patients' playthings.
 - Miss less than 7 days with your choice of childhood illness.
 - Diagnose otitis media.
 - Turn in your 8 page H & P's on time [GN/AC:]

A MILESTONE

In the College of Medicine

A retirement reception was held for Alicia Smith on October 20, 1995 on the first floor of the Hyman Building. Alicia joined the University in September of 1976 and worked in the Office of Student Affairs for the majority of her time here. Dr. Wall said "Alicia will never be replaced. She was a loyal and dedicated employee who was loved by students and staff alike." Alicia was joined by faculty, students and co-workers for a party in honor of her retirement. During the retirement reception, the Class of 1995 presented Alicia with a round trip ticket to Memphis for the graduation ceremonies. Thanks for the memories. We will all miss you.

Alpha Omega Alpha

Beta Chapter of Tennessee

Alpha Omega Alpha is the only national honor medical society in the world. Its *raison d'être* can be expressed in a phrase: to recognize and perpetuate excellence in the medical profession. $\Lambda\Omega\Lambda$ is organized for educational purposes exclusively and not for profit, and its aims shall be the promotion of scholarship and research in medical schools and graduates, and the recognition of high attainment in medical science, practice, and related fields. To fulfill the role it has set for itself, Alpha Omega Alpha elects outstanding medical students, graduates (house officers), faculty and honorary members to its ranks. Scholastic excellence is a key criterion but not the only one for election to $\Lambda\Omega\Lambda$: capacity for leadership, compassion, integrity, service to the school and the community at large, and fairness in dealing with one's colleagues are also to be considered.

In an effort to fulfill its goals, $\Lambda\Omega\Lambda$ sponsors a number of programs, including Alpha Omega Day and the annual Distinguished Visiting Professorship, which is designed to enrich the educational environment of the medical school. Moreover, the Society sponsors two annual competitions for students: The Student Essay Awards and the Student Research Fellowships.

"Many of the Phi Chi members pose for a group picture after new member induction and a free dinner (no wonder so many show up!)."

What life as a medical student is like (or seems like).

In closing this section, I leave you with this excerpt from "To Be a Doctor" by Fe Marti-Ibanez (1911-1972):

"Ever since the day you first said those magic words, 'I want to be a doctor,' you have been wrapped in the colorful fabric of the history of medicine, a fabric woven from the ideals, wisdom, endeavors, and achievements of our glorious predecessors in medicine.

You have embarked on a fascinating voyage leading to the harbor of one of the most dynamic professions. Year after year new windows will keep opening before your eyes, revealing the multifaceted landscape of medical art and science.

But medicine is so complex that no human mind can possibly absorb it all, as was possible a few centuries ago. Only by using the history of medicine as a gigantic frame to contain what you learn is it possible to integrate the numerous fragments of medical theory and practice that will be taught you in your student years. Only through the history of medicine can one appreciate that to be a doctor, in the true sense of the word, is to be not only a wise man but, above all, a good man. To be a doctor is, in other words, to be a whole man, who fulfills his task as a scientist with professional quality and integrity; as a human being, with a kind heart and high ideals; and as a member of society, with honesty and efficiency.

Contemporary medicine is founded on a series of events that resulted from the thoughts and deeds of a few men in the course of history. History is made by men, and the greatest among the makers of history is the physician because of the effects of his ministry on all other human beings.

To be a doctor, then, means much more than to dispense pills or to patch up or repair torn flesh and shattered minds. To be a doctor is to be an intermediary between man and God."

The UT Memphis College of Nursing was the recipient of the "Outstanding Faculty Practice Award" from the National Organization of Nurse Practitioner Faculties (NONPF). The award, voted on by the NONPF, ranks UT Memphis as the best faculty practice in the nation. Dr. Carter, Dean of the College of Nursing, holds the award.

Golden Apple Annual Picnic

The Golden Apple Picnic is a time for nursing students, families, and faculty to join together for food and games. The teaching awards are announced at this event, the recipients were: Pamela Ark, Rachel Taylor, Lou Ann Bennett, and Di-
anne Greenhill.

In Memoriam

Ruth Neil Murry

Ruth Neil Murry committed her professional life to pioneering the cause of nursing education in Memphis and the region. She was the first dean of the University of Tennessee-Memphis College of Nursing, serving from 1949 when the college became an academic unit independent of other colleges, until her retirement in 1977. Murry's 41 years of service to UT Memphis are distinguished by her steadfast and skillful leadership, and her dedication to the nursing profession and its ideals during the time the profession was defining itself as a vital and independent member of the health care team. Prior to her appointment as dean, she had served as educational director since 1944 and as director since 1946 of the School of Nursing which existed as a division of the College of Medicine. She was named emeritus dean upon her retirement in 1977. She died Thursday, Sept. 9, 1995, at the age of 82.

Students and Events

Nicole A. Moran

Fuld Fellowship

Ms. Moran is the 1995-1996 Fuld Fellowship Winner for the state of Tennessee.

Each year one student is nominated by the faculty to participate in the Fuld fellowship program. This year's essay topic was holistic health care. It required the student to describe, in a personal and concrete fashion, how they would benefit from attending the holistic health care tour to Great Britain.

Valor

Interns

Susan Poston, Danny Winchester

Every year the Veterans Administration Hospital selects two applicants to the Valor Internship program. This Year Mrs. Poston and Mr. Winchester were chosen to fill these prestigious positions. They worked alongside the nurses in the intensive care unit and gained valuable experience to apply toward their own careers in nursing.

William T. Cashdollar Lectureship

The William T. Cashdollar lectureship, was created by Mrs. Kathy Cashdollar to improve the care for dying persons and their families, is an annual event that is available to all health care professionals. The faculty and students of the UT College of Nursing are always very involved in this event. This year's lecture was titled, "The Uniqueness of Hospice Care; Perspectives from Yesterday, Today, and Tomorrow."

Summer III Mayo Intern

Ms. Wood spent the summer of 1995 at the Mayo Medical Center in Rochester, Minnesota. She participated in the Summer III program which allows students to gain hands on nursing experience within an acute care setting. During the 10 week period she worked in the obstetrics department, postpartum and level 1 nursery. She worked with students from around the world.

HEADLINE GRABBERS

Twenty-year-old Shannon Faulkner won a two-year court battle for admission to The Citadel, an all-male military academy, only to leave after the first grueling week because of exhaustion. She was joined by 30 male cadets, who dropped out for the same reason.

President Bill Clinton and Congressional Republican leaders Bob Dole and Newt Gingrich failed to reach a compromise on the 1996 federal budget, resulting in an unprecedented shutdown of government operations.

Air Force Capt. Scott O'Grady earned the admiration of the nation for surviving six brutal days in a Bosnian forest after being shot down by Serbian gunfire.

Merger mania reached a peak when Time-Warner and Turner Broadcasting joined forces, creating the world's largest media company.

Americans were left deeply divided by the acquittal of O.J. Simpson, whose eight-month-long, televised murder trial riveted the nation's attention and made celebrities of both legal teams.

The gritty House Speaker from Georgia, Rep. Newt Gingrich, was named Time magazine's Man of the Year for his role in leading the Republican Revolution.

Superhuman determination characterized the ongoing recovery of actor Christopher Reeve, who was left almost totally paralyzed following a freak horseback riding accident.

Close to a dozen Republican presidential hopefuls, including front-runners Patrick Buchanan, Bob Dole, Lamar Alexander and Steve Forbes, tossed their hats in the ring as the 1996 presidential campaign opened in earnest.

Those who said it wouldn't last were right. Lisa Marie Presley and pop superstar Michael Jackson called it quits after a brief and intriguing marriage.

Although his book was an instant best-seller, Colin Powell disappointed many Americans when he decided not to run for the presidency.

Still vigorous at age 75, Pope John Paul II stopped in the United States on his world tour. 83,000 faithful stood in the rain for his Mass at Giants Stadium in New York City.

Mother Nature doberbed the eastern United States with 30 hours of nonstop snow, piling up two feet of the white stuff from North Carolina to Maine. It was the East Coast's worst snow storm in 50 years.

Unusually turbulent weather spawned a record 111 hurricanes in the western hemisphere, leaving 110 people dead and billions of dollars in property damage.

Controversial Nation of Islam leader Louis Farrakhan sent out a call for one million African American men across the country to gather in Washington, D.C., as a sign of unity and commitment in the Million Man March.
