Asklepieion is a word derived from the name of Aesculapius, the Greek god of medicine and healing. Aesculapius was honored and worshipped throughout the Greek world by persons seeking the healing powers of the physician. Temples were erected in honor of Aesculapius near healing springs or high mountains. Those who worshipped him were known as Aesculapae. Therefore, the temples in his honor were known as Aesculapions (Asklepieions). In the ancient city of Memphis, on the Nile River, there was a temple where people went for worship and for care. In our own city of Memphis, on the Mississippi River, people come to our Asklepieion for healing and care.

MATA Rail Extension - SGA President served on artist selection/design approval committee.

Campus Master Plan - SGAEC submitted a plan that outlines students’ wishes for SAC, GEB, and Plaza Building.

Campus Improvement Fund - narrowed projects to the following possibilities: 1) racquetball court renovation, 2) library furniture for first floor, 3) student lounge in GEB, 4) miscellaneous Campus Recreation equipment needs.

Visiting Student Policy - negotiating with Knoxville campus to allow UTSC students access to student amenities/privileges while rotating in Knoxville.

Entertainment Event at Gordon Biersch - over 200 students participated in the event which included a canned food drive.

Grizzlies Night - sponsored a night for students to receive reduced prices to watch a Memphis Grizzlies basketball team.

Legislative Breakfast - students from each college addressed local state legislators about the needs for increased funding for higher education.

Voter Registration Drive - manned a booth for students to register to vote.

Committee Structure Reorganization - held first-ever group meeting for all committees to have their initial meeting.

Printing Lab Issue - worked with students and administration to find a solution for the growing number of copies being made in the GEB lab.

Smoking Policy - encouraged the administration to enforce the smoking policy for the 3rd floor of the GEB; the policy states that people smoke outside the building.

Flu Shots - co-sponsored student flu-shot day; handed out candy to students receiving shots.

September 11th Grend Zero Fundraiser - raised over $200 from students to buy sweatshirts for the workers at the World Trade Towers.

Representation on University-Wide Committees - SGA President served on the following committees: 1) Board of Trustees Student/Faculty Council, 2) UTAA Board of Governors.

UT Student Leaders Retreat - SGA President and Vice-President attend the student leaders retreat in Knoxville.

SGAEC Christmas Party - social for SGAEC members and staff.

...behind the scenes
Each term the Office of Student Life administers student activities which provide an opportunity for students to escape the ongoing stresses of their educational experience. These special events are planned, promoted, and carried out with the assistance of the student Entertainment Committee and members of the SGAE. Some of the more successful events this past year were: "5:00 Friday", "Coffee Break", "Student Appreciation Day" and "Redbird’s Night".
Our annual Student Appreciation Day celebration of students in all colleges was a success. About 600 students enjoyed messages, caricature art, bungee run, live art, balloon art, scuba diving, laser tag, and the rock climbing wall.
The Entertainment Committee received all kinds of compliments for supplying coffee, pastries, and donuts to all students in the GEB early Valentine's Day. Student Life and the SGAEC Entertainment Committee are planning more of these since they seem to be so well liked.
The Office of Campus Recreation is a focal point for recreational opportunities at UTHSC. Physical activity plays a vital role in the development and maintenance of a "healthy, well-adjusted" individual. The programs offered by Campus Rec are a means to educate, provide opportunities for competition and social and personal interaction between students, provide assessment and guidance in the area of fitness, and to provide student leadership opportunities.

The Outdoor Adventures Program provides opportunities for personal challenge and discovery. Our goal is to bring enjoyable and worthwhile experiences by introducing students to the many areas in Tennessee and nearby regions that offer outdoor recreation opportunities. Participants are instructed on a variety of skills such as camping, canoeing, reading a trail map, trip planning, and wilderness cooking. These skills can then be transferred to our personal lives giving us the ability to take charge of our own circumstances, overcome fears, and become active in group decision making.
The competitive nature of sports, even in a recreational setting, win or lose, is a great self-esteem builder.

Thanks to all who played and for your continued support. You are all CHAMPIONS in the eyes of Campus Recreation.

In 1980 the Imhotep Society became an officially recognized organization on campus, for the purpose of honoring students, faculty, staff, and alumni who have significantly contributed to student life and student process at UTSC. It was recognized that many student leaders, in performing their functions and assignments, may have sacrificed high academic accomplishments and thus did not receive recognition through those organizations which traditionally honor students for high academic achievement. While the principle objective of the Imhotep Society is to reward and recognize student leadership and service on campus, a secondary goal is to inspire students to continue leadership and service roles as alumni of the University.

2001 Imhotep Society Inductees

AHS: Susan M. Bishop, Yves Reginald Chery, Stephanie Lynn Costes, Sarah Elizabeth Dodson, Amy Ann Fulks, Anna Gaither, Erin R. Greiner, Brooke Longley, Jenny Puff, Beth Roberts.

Dentistry: Jay Gibson Davis, Turner Emery, Shawn Lehman-Grimes.

Top 10 reasons why Medical Technology school is like boot camp:

1. When you get out you will never want to go back.
2. You are trained to deal with terrorist attacks.
3. You are expected to survive on minimal sleep.
4. You are subjected to mental torture.
5. There isn't that much difference between fatigues and scrubs.
6. You don't get to see your family as often as you'd like.
7. You have to get up at the break of dawn.
8. There is no time to get your hair and/or nails done.
9. You do not have the privilege of calling in sick. Be there or else!
10. Your instructors will make you cry as much as, if not more than a drill sergeant.

The American Student Dental Association (ASDA) is a national student-run organization which protects and advances the rights, interests, and welfare of students with a unified voice and provides information, education, advocacy, and services.

The Association introduces lifelong involvement in organized dentistry, and promotes change for the betterment of the profession.

The American Student Dental Association (ASDA) is a national student-run organization which protects and advances the rights, interests, and welfare of students with a unified voice and provides information, education, advocacy, and services.

The Association introduces lifelong involvement in organized dentistry, and promotes change for the betterment of the profession.

With the motto for the year being "All Eyes On Us," the University of Tennessee, Memphis Chapter of the Student National Dental Association hit the ground running! Looking to build on previous outstanding achievement, the UT SNDA once again set high chapter goals. With increased membership, SNDA set goals of taking the chapter above and beyond in unity, scholarship, and recognition on campus, locally, and nationally.

The UT SNDA promoted unity by participating in monthly meetings and various social events throughout the year. Monthly meetings have added a new dimension "Lunch Knowledge." This allows members to gain information about different aspects and areas of dentistry from dental professionals. There has also been an incorporation of Q&A sessions and a study-building lab to address concerns, dental techniques, and membership issues. On campus, SNDA displays originality with breath-taking bulletin boards in the S&H and Geminis building. SNDA also takes part in campus activities alongside other organizations.

Locally, members organize and participate in a variety of health fairs for surrounding communities in an effort to promote oral health. Dedicated to performing at least one public service project per month, SNDA can be seen locally lending a helping hand.

During the NDA/SNDA National Convention in Boca Raton, FL, the UT SNDA Chapter was awarded "Chapter of the Year" for the second year straight! With our Student-Doctor Cory Hawson serving as the national SNDA President, the UT SNDA continues to be very active nationally. In the pursuit to take the chapter where no chapter has gone before, the UT SNDA strives to act as a model in educating and involving minorities in the social, moral, and ethical obligations of the dental profession.

Joseph Duckworth
2001-02 SNDA President
Psi Omega Fraternity was founded in the spring of 1892 at the Baltimore College of Dental Surgery, the first dental college in the world. The objectives of Psi Omega are to maintain and advance the high standards of dentistry by instilling in its members the spirit of fraternal cooperation. The Psi-O's enjoy the benefits of membership, which provides a means of relaxation with friends and classmates who have similar interests and is a stimulating source of diversion without interfering with academic standing. The fraternity also provides for a better-balanced education by promoting principles of knowledge, morality and friendship, and creates a common bond on a national level.

XI PSI PHI FRATERNITY

In 1889 at the University of Michigan in Ann Arbor, five freshmen decided to form a fraternity to place their "friendship on a more firm and lasting basis." Since that time XI Psi Phi Fraternity has grown to more than 20,000 members and is represented on 18 campuses in the United States and Canada.

The ZPs are well known for their social functions and desire to promote dental health and goodwill. ZPs Fraternity has progressed for more than 100 years because of its high ideals and worthy purposes to give each member a richer life and by living up to its simple motto:

"Hospitality is the Life of Friendship."

Alpha Omega Alpha is the only national honor society in the world. Its reason for being can be expressed in a phrase: to recognize and perpetuate excellence in the medical profession. As stated in the society’s constitution, “Alpha Omega Alpha is organized for educational purposes exclusively and not for profit, and its aims shall be the promotion of scholarship and research in medical schools, the encouragement of a high standard of character and conduct among medical students and graduates, and the recognition of high attainment in medical science, practice, and related fields.” AOA elects outstanding medical students, graduates, alumni, faculty, and honorary members to its ranks. The society’s key is designed after the Manubrium Sterni. The letters AOA, engraved on the key, represent not only the name of the honor society, but the essential words in its motto:

Αξίως ύψελείν τοὺς ὑλοῦντας

“To be worthy to serve the suffering”

Did someone forget to pay the utility bill?

Emily, Matt, & Lindy enjoy the Memphis nightlife.
WHAT? We are smiling?

James, Adam, Smira, Sara, and Meghan pause for a pic at the Peabody's Sunset Serenade.

Sean and Rachel, such great posers!

"Happy New Year!" from Alan, Christian, Emily, and Andy.

This could cause small children to have nightmares!

That "Middle Earth" Bethina and Jim! Who are you anyway Jim, a used car salesman?

Simply irresistible! Suzy, Sara, Stephen, Leah, & Erika charm the crowd as Robert Painter and his "Ladies!"

Dustin and Ben will "Pump You Up" as this years costume contest winners!

Sushi keeps us laughing as Candice and Amanda prepare to wreck havoc! Matt, I don't think your Karate Kid Crane will work here!

Some outside Dr. Donaldson's house, waiting to give him some "exam feedback" of his own.

Next on Fox: "When Elman Attacks!"

"YOU MAKE ME SO NERVOUS JUST CALM DOWN!"

Tony, Elizabeth, Suzzie, John, and Sona enjoy a night out on the town.

Hillary, Laura, Nikki, and Sharon pose in their new white coats.

Several of the girls show off their Sunday best.
Don't hate the playa's, just hate the game.

Kariel & Alissa get close.

Allison & Stephanie hug or Jonathan.

Clock: Les & Ben take a break from a tough game of cards.

When you think of the M1 class, one word comes to mind...druggie!

Some of the girls invited on the weekend.

Cathie & Elizabeth pose while Dave looks on from the Shadows.

Monte looks on as Drake plays a wicked game of pull tabs in Stick Row's "To remember yet."

"Pagin' Dr. Freud...

Hayden goes Karen some sugar.

Lauren, Stephanie & Anne - wonder what football players do!

The guys couldn't contain their excitement when they found out the karaoke machine did have the latest O-Town hit!

Heather, Nasalit, Melissa, & Laura try to stay dry.

"Medical School: Schéndhal School?"

Josh & Phillip pose with a classmate in the witness protection program.

Kara & Brett settle for the camera.

Somehow, Joe had never before been the victim of a "Pull my finger" joke.

Watch out boys...they're man-eaters!

It takes someone special to become a leader. The University of Tennessee prides itself in not only graduation pharmacists but individuals that will become tomorrow’s leaders.

Pharmacy Organizations

RHO CHI

PHI LAMBDASIGMA
The Student National Pharmaceutical Association (SNPhA) was founded in 1972 as the student affiliate of the National Pharmaceutical Association (NPhA). The purpose of SNPhA is to plan, organize, coordinate and execute programs geared toward the improvement of the health, social and professional development of the minority community while providing opportunities for professional development. The objectives of SNPhA are to develop leadership skills, to educate minority communities about health care, and to provide minority professionals as vital members of the health care team, to educate minority communities about better health care practices and other student educational development of the community, while providing opportunities for professional development. The membership of SNPhA includes students, faculty, and community leaders. The members of the University of Tennessee Student National Pharmaceutical Association (SNPhA) are members of the National Pharmaceutical Association (NPhA) and members of the University of Tennessee Students National Pharmaceutical Association (SNPhA) are members of the University of Tennessee Students National Pharmaceutical Association (SNPhA). Some of the activities include monthly blood pressure screenings, bone marrow drives, health fairs, and donating school supplies to local elementary schools.
Kappa Psi was the first national pharmaceutical fraternity and it is the world’s largest. The University of Tennessee is the home of the Psi Chapter. For seventy-six years, we have fulfilled four virtues in our brotherhood: Industry, Sobriety, Fellowship, and High Wages. These virtues help to advance the practice of pharmacy. Morally, socially, and professionally. Combined with the great education we receive as UT, Kappa Psi continues to help shape its brethren into exceptional, respectful, socially, and professionally. Combined with great leaders and educators and a dedicated brotherhood, Kappa Psi provides the best college experience a student can have. This year we wish to welcome new members and continue our brotherhood in excellence, knowledge, and camaraderie.
Phi Delta Chi is a national coed professional pharmacy fraternity. It is the first pharmacy fraternity and was founded in 1883 at the University of Michigan in Ann Arbor. The Chapter at the University of Tennessee is the Omega Chapter, and it was the first pharmacy fraternity on this campus. The objective of Phi Delta Chi is to advance the science of pharmacy and to foster and maintain a fraternal spirit among its members. This organization advocates brotherhood among its members and provides the student with leadership skills and professional and social experiences to enhance their character. The members of the Omega Chapter are very active both on campus and in the community. Some civic activities include monthly blood pressure clinics, holiday parties for the Loving Arms children, sponsorship of Ferris Park, Habitat for Humanity, and the National Red Cross Campaign for St. Jude Children’s Research Hospital. The service activities are done along with the many faculty here at UT. The benefits received from Phi Delta Chi include: Professionalism, Scholastic Encouragement, Social Awareness, Brotherhood and Fraternity.
