Asklepieion is a word derived from the name of Aesculapius, the Greek god of medicine and healing. Aesculapius was honored and worshipped throughout the Greek world by persons seeking the healing powers of the physician. Temples were erected in honor of Aesculapius near healing springs or high mountains. Those who worshipped him were known as Aesculapae. Therefore, the temples in his honor were known as Aesculapiions (Asklepieions). In the ancient city of Memphis, on the Nile River, there was a temple where people went for worship and for care. In our own city of Memphis, on the Mississippi River, people come to our Asklepieion for healing and care.

— Bill Robinson, Former Vice Chancellor, Student Affairs

Ceremonial Hestiatoreion at the hill-top sanctuary of Apollo Maleutas.

As another school year draws to a close, we reflect on the past year.

War and politics dominated the world and national stage. Our prayers continue for our soldiers in Iraq who face danger every day even though major combat operations are over and Saddam Hussein has been captured. Here at home, the Democrats have engaged in a lively nomination battle to determine who will face President Bush in next November’s election.

In Memphis, the Madison Avenue trolley extension finally opened. It passes through campus and features a UTHSC designed stop outside the GEB which was paid for with student funds. Meanwhile, surprisingly, the Memphis Grizzlies were poised for a playoff run at press time.

The University of Tennessee made news as President John Shumaker resigned amid questions about his spending habits. Former President Joe Johnson was named to replace him on an interim basis. On the Memphis campus, Interim Chancellor Jim Gibb Johnson retired and former Chancellor Bill Rice succeeded him. In Nashville, the state’s budget problems continued which resulted in another round of tuition increases for university students.

In the summer of 2003, new student orientation was primarily held in the Plaza Bldgs lobby as UTHSC further utilizes those additions to the campus complex. The new Cannon Center in downtown Memphis opened and hosted the December 2003 graduation.

Also in the summer of 2003, then Chancellor Johnson created a new college for the health science center. The College of Health Science Engineering marked an increased awareness of the importance of technology in the future of the University as well as medicine in general.

All in all a heady year to reflect upon.

To our graduates we say congratulations and good luck. To all our non-graduating students we say keep up the good work - you’ll get there.

The Dunlap Station under construction (top) and in operation as the trolleys started rolling in March. Note that the new UTHSC parking garage in the background has grown from 2 to 4 stories.

At long last

The College of Medicine held portions of its new student orientation in the Plaza Bldgs. complex.

Keep your eye on the prize

(Clockwise from top left) Graduation pictures require attention from the photographer. A reflective moment backstage before graduation. Confetti has fallen even before the recessional. The newly opened Cannon Center hosted the Dec. 2003 graduation.
The 2003-2004 SGAEC representatives were (from left) Tracy Harris, Social Work (fall semester); Catherine Carpenter, Allied Health Sciences; Paul Anderson, Nursing; Alan Levy, Medicine; Jamie Chapman, President; Curtis Petty, Jr., Pharmacy; Nixo West, Graduate Health Sciences; and (inset left) Jon Hopkins, Dentistry; and (inset right) Jennifer Noble, Social Work (spring semester).

Among the activities sponsored by the SGAEC this year are: Treats for Boo Flu; 5 O’clock Fridays in November and March; Coffee Break in December; Red Cross Blood Drive in January; Mardi Gras Party in February; Student Health Survey; and the completion of the Trolley Station started by previous Councils. Purchases committed to by the SGAEC include: new ice machines and microwaves for the GEB and additional equipment for the Recreation Center.

SGAEC Advisor
Odell Horton, Jr.
Vice Chancellor
University Relations

Chancellor Bill Rice listens as the SGAEC discusses issues of concern to the UTHSC student body during one of the Council's weekly meetings. Acting as a liaison between students and the administration is one of the main functions of the SGAEC.

SGAEC Excellence in Teaching Award Winners 2002 - 2003

At the annual awards banquet held in April 2003, the following received the Excellence in Teaching Award. The students of each college vote on the teachers they deem worthy of this prestigious award.

Allied Health Sciences
Leonard I. Bloom, Beth Horn

Dentistry

Graduate Health Sciences
Linda M. Hendershot, Ph.D., Teresa M. Waters, Ph.D.

Medicine
Joseph T. Santoso, M.D.,
Trevor W. Sweatman, Ph.D.

Nursing
Margaret T. Hartig, Ph.D.,
Carol L. Thompson, Ph.D.

Pharmacy
Bradley A. Boucher, Pharm.D.,
Robert B. Parker, Pharm.D.

Social Work
Marcia Egan, Ph.D.

Teresa Waters, Ph.D., receives her EIT award from SGAEC Graduate Health representative Amy Cline.

Kelli Jenkins (left) SGAEC Allied Health representative presents the EIT award to Beth Horn.

Joseph T. Santoso, M.D. (left) is presented his EIT award from SGAEC Medicine representative Amir Jahangiri.

Asklepieion 2004
**Student Life**

**Heartwalk**

UTHSC students and staff participated in the American Heart Association's Heart Walk in Sept. 2003. Then Chancellor Jim Gibb Johnson (top photo in brown hat) poses with a contingent of Dental Hygiene students. The walk was truly a family affair in orange.

**Boo Fly**

At the annual Boo-Fly, Pharmacy students gain experience on fellow students and, this year at least, one vice chancellor. (At right) Vice Chancellor for University Relations, Odell Horton, Jr. braves for his shot.

**Town Hall**

At the SGAEC Town Hall Meeting in January 2004, Council members (right) respond to concerns raised by students. Dr. Joe Johnson, UT President, was on campus and dropped in on the meeting and answered several questions. (Below right) Dr. Johnson visits with SGAEC President, Jamie Chapman after the meeting.

**Coffee House**

For one evening the Link Auditorium became a coffee house. Arts in Medicine put on the event which featured musicians and poets for the enjoyment of the student body.

**Rice Bowl**

The Rice Bowl, named in honor of Chancellor Bill Rice, pits teams of students against each other in a test of medical knowledge and diagnostic ability. This year's event was the second annual contest.
Student Appreciation Day '03 was blessed by fine weather. Students enjoyed food, ice cream, and inflatable games...

Other attractions included Henna art, caricatures, and UTHSC's famous balloon hats.
5 O'clock Friday is an opportunity for students from the various colleges to interact while enjoying some food and soft drinks at one of Memphis' nightspots. On November 7, 2003, 5 O'clock Friday was held at T.J. Mulligan's in the Pinch District.
Redbirds Night

April showers didn't dampen the enthusiasm of UTHSC students attending the game at AutoZone Park. 2002-03 SGA President Andy Baber tossed a strike while throwing out the first pitch to start the evening's activities on April 25, 2003.

During the cold of February 2004, the SGAEC Entertainment Committee sponsored a Mardi Gras Party at Pat O'Brien's on Beach Street. Beads, good food and fellowship brightened up a getaway from the rigors of studying.
The Office of Campus Recreation is the focal point for recreational opportunities at the UTHSC. Physical activity plays a vital role in the development and maintenance of a "healthy, well-adjusted" individual. Our diverse programs in Outdoor Adventures, Fitness & Wellness, Instructional Programs, and Intramural Sports help us provide participants with lifelong activities to help individuals in their quest to enjoy life to its fullest.

The Fitness Center underwent some major renovations over the past year. Though never completely closed, it has come back even bigger and better with a bright future.

In Loving Memory of Our Friend and Co-worker William L. Johnson

UTHSC Office of Campus Recreation

Sunrise: 06/12/66
Sunset: 01/23/04

The Outdoor Adventures Program provides opportunities for personal challenge and discovery and an awareness of the impact of outdoor adventures on the environment. Our goal is to provide an enjoyable and worthwhile experience in outdoor activities by introducing participants to the many areas in the surrounding region. These skills can be transferred to our personal lives giving you the ability to take charge of your own circumstances, overcome fears, and to be more active in group decision-making.
The mission of the Intramural Sports Program is to provide our students, faculty, staff, and their spouses, with a variety of recreational opportunities in team, dual, and individual sports. The program exists to help students relieve stress, interact with students from other classes, get exercise, and introduce students to lifetime recreational activities.

The Fitness and Wellness Program of Campus Recreation offers many opportunities to enhance your personal health and wellness. Programs are designed to assist you in a variety of wellness-related topics including healthy eating, cardiovascular exercise, strength training, weight, stress, and time management, and personal health issues.
In 1980, the Imhotep Society became an officially recognized organization on campus, for the purpose of honoring students, faculty, staff, and alumni who have significantly contributed to student life and student process at UTHSC. It was recognized that many student leaders, in performing their functions and assignments, may have sacrificed high academic accomplishments and thus did not receive recognition through those organizations which traditionally honor students for high academic achievement. While the principle objective of the Imhotep Society is to reward and recognize student leadership and service on campus, a secondary goal is to inspire students to continue leadership and service roles as alumni of the University.

Emily Barnes, Office of Student Life and Student Affairs, was selected to receive the Imhotep Award for her service to the students at UTHSC. She received her plaque from Andy Baber, 2002-2003 SGAEc President at the spring Awards Banquet.

Students enjoyed frequent review sessions at the microscope. From left to right: Lauren Alixson (Professor), Anthony Brown, Jessica Choe, Tanethia Robinson, Bessie McCain.

Anthony Brown and Tanethia Robinson pause from their review for a quick shot. The students quickly learned that cytology is a complex blend of both knowledge and practical application.

Bessie McCain reviews a cytology textbook for help with an unknown case. As a part of her research project, Jessica Choe works to prepare cytologic specimens for microscopic review. A large part of the spring semester was dedicated to individual research projects.

The College of Dentistry Student Government Association, or CoDSGA, serves as the collective official voice of the students and functions as the local dental student government. It represents the dental college student body to the administration and faculty, dental profession, and the Memphis community. CoDSGA provides a means whereby the students of each dental class may come together in a mutual endeavor for the betterment of the College, stimulates interclass relationships and provides a common format for individual dental student's voice and expression.

The American Student Dental Association, or ASDA, is a national student-run organization which protects and advances the rights, interests, and welfare of students with a unified voice and provides information, education, advocacy, and services.

The ASDA introduces lifelong involvement in organized dentistry, and promotes change for the betterment of the profession.
This school year has proven to be one of the most flourishing for the University of Tennessee, Memphis Chapter of the Student National Dental Association. We have experienced increased growth and diversity, and our commitment to the community has been immeasurable! We've had a school supply and uniform drive for Klondike Elementary, volunteered at various health fairs throughout the city, and participated in the Angel Tree Program. In addition to taking care of the community, we have also managed to take care of ourselves through various programs to benefit members. Some of these include Lunch Knowledge sessions with various speakers, a Skill Builder session, and a social function sponsored by Dr. and Mrs. Joe O'Neal. Last semester was only the mediocre precursor to the semester. This semester’s itinerary includes two Lunch Knowledge seminars: 1) Don’t Be So General! Specialize! and 2) Everything Dental School Never Taught You — About Business! In addition to these seminars, we also plan to have our 2nd Annual Senior Awards Luncheon, a coloring contest for Klondike Elementary, participate in Crest’s National Give Kids a Smile campaign, a clothing and linen drive for MIFA’s Estiva Place and as always, participate in various health fairs throughout the city.
Psi Omega Fraternity was founded in 1892. The objectives of the fraternity are to maintain and advance the high standards of dentistry by instilling in its members the spirit of fraternal cooperation. For Psi Omega members here at UTHSC, the fraternity provides a means of relaxation with friends and classmates who have similar interests and is a stimulating source of diversion without interfering with academic standing.

Xi Psi Phi Fraternity, cordially known as the ZIPs, is a group of students and faculty representatives dedicated to the dental profession and to the promotion of organized dentistry throughout the dental education and beyond graduation. Xi Psi Phi honors the principles of knowledge, morality, and fellowship, and its members stand by their motto: "Hospitality is the Life of Friendship."

The University of Tennessee
Health Science Center
College of
Health Science Engineering
The College of Health Science Engineering is the eighth and newest college at the University of Tennessee Health Science Center. Recognizing the increased importance of medical engineering research, the university officially created the new college in May, 2003. This year’s graduates will be the first under the banner of the new college. The college was primarily formed from the School of Biomedical Engineering, a joint program with the University of Memphis, within the UT College of Graduate Health Sciences. Dr. Frank A. DiBlanca, Ph.D., the Executive Director of the School of Biomedical Engineering was named first dean of the College of Health Science Engineering.

We don't receive wisdom, we must discover it for ourselves after a journey that no one can take us or spare us.

- Marcel Proust

"Say my name, say my name" because Adam's trademark song at any party.

Rush got the joke, but Rob, Chris, and Praveen are still thinking hard about it.

The mayor joins the party after Adam shares his birthday cake.

Screa, Appy, Libby, Theresa, Eliza, Smith, Sue, and Meghan are all smiles.

Rachel and Geneva show us that it is "easy being cheesy."

Things steam up between Heather and Matt at Meghan's pool party.

"Yes, Drachy. It will be my very first operation!"

Bichoe brings a whole new meaning to the phrase "rough rider!"
Class of 2004

**Alpha Omega Alpha**
HONOR MEDICAL SOCIETY
Beta Chapter
THE UNIVERSITY OF TENNESSEE

Alpha Omega Alpha is the only national honor society in the world. Its reason for being can be expressed in a phrase: to recognize and perpetuate excellence in the medical profession. As stated in the society's constitution, "Alpha Omega Alpha is organized for educational purposes exclusively and not for profit, and its aims shall be the promotion of scholarship and research in medical schools, the encouragement of a high standard of character and conduct among medical students and graduates, and the recognition of high attainment in medical science, practice, and related fields." AOA elects outstanding medical students, graduates, alumni, faculty, and honorary members to its ranks. The society's key is designed after the Manubrium Sterni. The letters AOA, engraved on the key, represent not only the name of the honor society, but the essential words in its motto:

**Αξίας ωφέλειν τοῖς ἀλγοῦσις**

"To be worthy to serve the suffering"

Years after his commercial success has ended, the Taco Bell Dog can still pick up chicks!

After Step 1, Natasha was a wreck...
...and Alex was never quite the same again...
...while Todd, Ben, Lea, and Chuck took in the white, sandy beaches of Destin...

After the Boards...

Pappas, Justin, Rodney, and Shamon made for Mexico...
...and Joe 'flipped out.' It was awesome. And by awesome, I mean totally sweet!

Cathie practices her Valsalva maneuver...

...while Eiman shows Josh his DRE technique.
These women are starting to swell. They are obviously allergic to cheese.

Anna tried in vain to keep people from noticing her leap, hairy hand.

Sitting outside the tin shack "clubhouse," Todd, Ben, Chuck, and Man begin to realize that Sandy Pines is not as quality as the $18 green fees would lead them to believe.

Nikki can only laugh as Hayden exsanguinates all over his bib.

Jonathan tries his best to avert his eyes. "Get behind me Satan!"

Natalie and Jennifer join Heather for a baby shower for Lucy.

Hillary and Shannon agree. Jay is a knockout.

Nol only did she convince him to wear a matching giant teddy bear suit, but also to pose for pictures in it.

"Always laugh when you can, it's cheap medicine."

- Lord Byron
Diagnosis: Love at first sight!

Ray's getting pumped for bowling.

A typical day in the life of an M1.

Chad and Cheryl headin' to the fair.

Dan and Bryan play away their "perineum blues".

That first day was full of mixed feelings:
Anxiety, fear, excitement, and intrigue.
We knew what to expect of our first introduction
to medical school
And yet we still had so much to learn.
Little did we know that the next few months
would change
Us all
One way or another

Anatomy Convocation Ceremony
"Little Did We Know"
-By Amanda Worf

Doctors are whippersnappers in ironed white coats,
Who spy up your rectum and look down your throats,
And press you and poke you with sterilized tools,
And stab at solutions that pacify fools.
I used to revere them and do what they said
Till I learned what they learned on was already dead.

-Gilda Radner
How Ben's paying for medical school.

Neil and Ricky after Big Pimpin' 101

"I hear the ladies think ping-pong is sexy"

Blake, Stacy, Cheryl, Jamie, Dave, Ginny, and Taylor at the CMDA dinner.

David before medical school

"You smelt it, you dealt it!"

"Hand over the beer and nobody gets hurt!"

"OK ladies, Taylor's here."

The University of Tennessee College of Pharmacy promotes academic excellence and leadership among its students. There are two national honor societies that recognize those students who excel in these areas. Rho Chi sponsors an annual book sale, study skills workshop, and tutoring. Phi Lambda Sigma actively participates in interview days and Pharmacy Weekend.
Academy of Students of Pharmacy

Executive Council, 1st row: Ben Cram - President, Brea Olson - President, Nicole Walker - Communications Coordinator, Kaitara Wilson - VP Finance, Ben Jones - VP Operations, Charity Skelton - Historian, Lauren White - PI Member, Alex Large, Alanna George - Chapter Delegate, Not Pictured: John Keizel - PI Member.

Members, 1st row: Rodney Franklin, Nate Boutte, Zorana Booker, Kim Lewis, Carlton Maxwell, Kanyetta Wilson, Oby Okator. 2nd row: Kristy Cochran, LaTisha Seroushaugh, Bisi Kunnu, Darius Mason, Chelsea Hunter, Anita Patel, Piper Black, Shacresa Staley, Goretta Cohran. 3rd row: Andrea Cooper, Dionne Beamon, Yolanda Davidson, LaMarcus Wingate, Rhonda Garris, Curtis Petty, Managua Hunt, Nikita Wilson, Kimberly Walker. 4th row: Cliff Broughton, Samson Akanji, Nakisha Layfield, Ruby Watkins, Kimberly Marsh, Camille Pemberton.

The University of Tennessee SNPhA chapter was awarded the 2003 Chauncey I. Cooper National Chapter of Excellence Award at the national meeting held in Las Vegas, NV. SNPhA is an educational service association of minority students who are concerned about pharmacy and health care related issues, and the poor minority representation in pharmacy and other health-related professions. Members participate in community service activities, such as hypertension screenings, glucose screenings, and immunizations. Chapter member Rodney Franklin serves as National Public Relations Liaison.
Kappa Psi

The Psi chapter of Kappa Psi has had an outstanding year. We are currently in the rebuilding stage, and a firm foundation has been laid. As we continue to be the largest chapter in the nation, our members have represented us at both the regional and national levels, continued our goal of outstanding community service, and are in the process of bringing back many Kappa Psi traditions. Our future looks bright as we look toward future brothers as "One for All and All of One!"
This has been an incredible year for the Omega Chapter of Phi Delta Chi. Thanks to the hard work of all the brothers and alumni, we are now the proud holders of the coveted Thurston Cup, making us the POC Chapter of the Year. While this is the highest of POC honors, we also took first place in Brotherhood, a quality we pride ourselves on. Chapter member Christine Conberg was also elected to the highest of national PDC positions. Grand Vice President of Student Affairs. We are one of the largest chapters of POC nationwide and have inducted a number of tremendous new members who we are certain will continue the Omega Chapter tradition and make us proud!

This project involves interdisciplinary teams, comprised of students and faculty from the Colleges of Medicine, Pharmacy, Nursing, Dentistry, Allied Health and Social Work. The students and faculty meet with eight different Memphis City Schools. The teams will design and implement learning activities in science and health that accommodate the curricular needs of the school.

Commitment to Cultural Diversity & Social Justice:

- "Act to prevent and eliminate domination of, exploitation of, and discrimination against any person, group, or class on the basis of race, ethnicity, national origin, color, sex, sexual orientation, age, marital status, political belief, religion, or mental or physical disability" (NASW Code of Ethics, 6.04).
- "Practice within the defining principles of service, social and economic justice, dignity and worth of the person, importance of human relationships, and integrity and competence" (CSWE, Educational Policy, Purposes, 1.0).
- "Enforce human well-being and alleviate poverty, oppression, and other forms of social injustice" (CSWE, Educational Policy, Purpose, 1.0).
- "Develop and apply practice in the context of diverse cultures" (CSWE, Educational Policy, Purposes, 1.0).

Extended Study Students

Extended study is the College of Social Work's part-time program. The program allows students to work while pursuing a Masters in Social Work, to devote time to a family, or just to take the program a little slower.

Second Year Extended Study
