Aeskulapion is a word derived from the name of Aesculapius, the Greek god of medicine and healing. Aesculapius was honored and worshipped throughout the Greek world by persons seeking the healing powers of the physician. Temples were erected in honor of Aesculapius near healing springs or high mountains. Those who worshipped him were known as Aesculapae. Therefore, the temples in his honor were known as Aeskulapiions.

In the ancient city of Memphis, on the Nile River, there was a temple where people went for worship and for care. In our own city of Memphis, on the Mississippi River, people come to our Asklepieion for healing and care.

Bill Robinson, 
Vice Chancellor Emeritus, Student Affairs

If you've ever wondered where our yearbook got it's name - Asklepieion - you can thank the man pictured above. Vice Chancellor Emeritus, Student Affairs, Bill Robinson is retired now, but you still may see him on campus occasionally or at commencement (although he claims the December 2007 commencement was his last). You'll definitely feel his presence each time you walk into the William C. Robinson Student Recreation Center (the building with the gym and the pool if you've never noticed the lettering on the outside wall.) This photo of Bill was taken in 1998 at the dedication of the naming of the Recreation Center in his honor. During Bill's long career he was a tireless advocate for the entire student body.
Growing into the future...

Asklepion 2008

2008 saw one of the longest, coolest, wettest springs in Memphis history. This boon to the beautiful Yoshino Cherry Trees on the opposite page kept students mostly indoors and wearing jackets well into May. However, a few days did dawn warmly. Dental student Sarah McCoy took advantage of one such day in early March to get in some studying in the sun on the patio between the SAC and the Fitness Center.
The search for a permanent Chancellor was suspended this year. Then the interim tag was removed from the title of Chancellor Hershel P. "Pat" Wall, M.D., (left), meaning his brand of steady, experienced leadership will continue for some time to come. At the same time, Ken Brown, JD, Ph.D., (center) became Executive Vice Chancellor, dropping the interim label attached to that job description. Ken also remains Chief of Staff. Later, William R. Frey, Ph.D. (right) was appointed Dean of the College of Allied Health Sciences and yet another interim designation was done away with.

UTHSC always turns out in droves for the annual Heartwalk which launches from AutoZone Park. At left, College of Nursing DNP student Kymberly Van Every poses with her child, one of our youngest heartwalkers. While below, campus photographer, Thurman Hobson, tries to get the walkers arranged for an official photograph.

Kathy Gibbs (left) who, as Director of SASS has helped many a Health Science Center student with their grades, celebrated at the Cannon Center in December '07 as her daughter, Jaycie Lynn Music, was awarded a degree in Health Informatics and Information Management.

Not enough gets said about the UTHSC grounds crew. Here they plant pink petunias beside the SAC. On an urban, concrete campus, they bring color everywhere they go as we grow into the future.

Above, the new Student Game Room in the basement of the SAC provides a momentary hiatus from studying. While below, the new coffee kiosk in the GEB helps keep these students alert for their next lecture.

The long awaited Pharmacy Building finally broke ground in Dec. '07 on the UT-Baptist Research Park Campus where the old Baptist Hospital once stood.

The more things change... The May commencement was moved to the FedExForum last year and the new venue served just fine. Old traditions die hard, though, as these dental grade demonstrated graduates continued love for Silly String.

Council Accomplishments
- worked with administrators to provide students 24-hour card access to many of the educational buildings on the UTHSC campus.
- coordinated two blood drives which collected 156 units of blood and registered 191 new donors.
- initiated a disaster relief supplies drive for our colleagues at Union University in Jackson, TN.
- participated in several holiday food collection drives for the underserved communities in Memphis.
- planned the first campus wide Zion Cemetery Cleanup Workday, which brought members of all colleges together for the purpose of restoring a local historical and cultural landmark.
- reemphasized recycling on campus, culminating in the placement of paper receptacles in all on-campus offices and computer labs.
- allocated funding for new technology and multimedia stations in the campus library.
- contributed financial resources to SASS in order to build study cars and to increase its library and computing capabilities.
- designated the largest single financial contribution ever to the Student Recreation Center for new exercise and weight equipment.
- organized campus-wide computing initiatives which pushed for the completion of the GEB wireless network, encouraged the procurement of additional server space in order to improve podcasting capabilities, and participated in decisions about new computing facilities and infrastructure at UTHSC.
- oversaw the completion of the student game room in the lower level of the SAC.
- secured a commitment from campus administration to replace the lighting on Did's Field.
- emphasized the financial aid system to streamline processing for students and to alleviate problems in a more efficient way.
- communicated the needs of UTHSC students to the President of the University of Tennessee and other system-wide leadership at annual University Student Council meetings and presented student concerns to the University of Tennessee trustees on the trustee weekend held in Memphis in conjunction with the UT vs. Memphis basketball game.
- served on search committees for the UTHSC Chancellor and Assistant Vice-Chancellor for Student Affairs positions, as well as RFP evaluation committees for the bookstore and food service at UTHSC.
- worked with administrators to provide students 24-hour card access to many of the educational buildings on the UTHSC campus.
- coordinated two blood drives which collected 156 units of blood and registered 191 new donors.
- initiated a disaster relief supplies drive for our colleagues at Union University in Jackson, TN.

- served on search committees for the UTHSC Chancellor and Assistant Vice-Chancellor for Student Affairs positions, as well as RFP evaluation committees for the bookstore and food service at UTHSC.

SGAEC President Paul Tennant outlined students' needs for members of the Board of Trustees in February, as they made an on-campus inspection.

The SGAEC once again sponsored blood drives with Lifeblood and our student body gave more than a respectable showing.

(From left) President Paul Tennant and Medicine Rep. Yan Morris discuss their next assignment during Match Day at the Pink Palace. Other items of conversation might have included Paul's wife (and Yan's sister) Sarah, pictured at right.

Chancellor Wall (far left) meets frequently with the Council. Here he discusses an issue with (from left) Alyssa Bolen, Vice Chancellor Scheid, C.J. Holmes and Van Morris. By virtue of his being President of the Black Student Association, C.J. is an ex-officio member of, and outstanding contributor to, the SGAEC.

The new student game room opened in March at the SAC. Attending the ribbon cutting were from left: Rob Gumb, Van Morris, Ashley Mitchem, April Cheung, Paul Tennant, Alyssa Bolen and Kirk Hevener. Kirk was SGAEC President in 2005-06 and April was President in 2006-07. Each put in many hours working on the project which finally came to fruition this year.
(Opposite page, counterclockwise from top) Allied Health Staff: Jacque Barnes, Chair, Carla Mercer, Lyn Scott (Cytotechnology), April Karwa, Kristina Kosman (Dental Hygiene 08), Anna Marie Harwell (Dental Hygiene 09), Sarah Jarvis (Occupational Therapy 08), Ashley Chamberlain, Julie Beale (Occupational Therapy 09), Shari Butler, Jennifer Chartier (Occupational Therapy 10), Morgan Mills (Physical Therapy 08) and Tamika Gutzmore (Physical Therapy 10).

(This page, clockwise from top) The rest of the Staff, Dentistry: Kristen Reed, Cynthia Dominessay, Chair, Kate Bodford, Graduate Health, Rebecca Glaat, Medicine, Munika Sharma, Elena Paulus, Jennifer Szeto, Chair, Van Pham, Nursing, Melissa Sisko, Pharmacy, Sarah Bradley, Brandy Farmer, Megan Riddle, Megan McCullough and Social Work, Ashley Mitchem.

Elena, Kate, Cynthia, Lyn, Megan and Megan go over yearbooks of past years to get ideas for this year’s effort.
5 O’clock Friday continues to be one of the most popular social gatherings sponsored by the SGAEC Entertainment Committee. It is a way for all UTHSC students to relax after a hard week of studies. Another purpose is for students from the various colleges to actually mingle with one another.

The student lounge in the SAC has turned into a favorite place to study. Above, these Nursing students show just how many notebooks one table can hold, while below, these Pharmacy students take a more relaxed approach on one of the many couches.

With a little help... At left, a final primp before the graduation picture. At right, the ceremony requires that someone get the cap on straight.

Health is a priority at the Health Science Center. Pharmacy students provide free flu shots to faculty, staff and students each year.

Getting into school is almost as difficult as school itself. Here M1s navigate the orientation paper trail.

Even before classes start, the P1s take a CPR course. Here, P2 Tiffany Holder (right) watches the technique of these P1s.
You scream, we scream, we all scream for ice cream!
The SGAEC Entertainment Committee sponsored two Ice Cream Socials this school year:
Scary Sundaes on Halloween '07 and Sweetheart Sundaes on Valentine's Day '08
...as they say, "A good time was had by all!"

We've heard that Very Berry Strawberry makes studying go so much easier.

The lines were long but the ice cream tubs were plentiful.

Only the finest servers for our students. (From left) Dan Houlden, Director of Student Life and Campus Recreation, Melaina Whitley, P1 of the Entertainment Committee, Dr. Cheryl Scheid, Vice Chancellor and SGAEC Advisor, Jeremy Gratton, Intramural Coordinator, and Emily Barnes of Student Life.

It's the toppings that make the Sundaes.

After a tough day serving, Carol White, SGAEC Pharmacy rep. relaxes with a friend and some Cookies-N-Cream.

Entertainment Committee members from Allied Health (from left) Katy Scammarthorn, Patchz Holland and Brooke Ward helped serve.

The briefest of breaks from the lab.
SGAEC President Paul Tennant had the honor of throwing out the first pitch. Here he leaves the mound with the Redbirds catcher after his moment in the spotlight.

Some say the all-you-can-eat Rendezvous buffet detracts from the game.

Root, root, root for the home team. If they don't win it's a shame...

Corky's, the Park, games and friends. Throw in a nice day and it's a hard combination to beat.
In 1980, the Imhotep Society became an officially recognized organization on campus, for the purpose of honoring students, faculty, staff and alumni who have significantly contributed to student life and student process at UTHSC. It was recognized that many student leaders, in performing their functions and assignments, may have sacrificed high academic accomplishments and thus did not receive recognition through those organizations which traditionally honor students for high academic achievement. While the principle objective of the Imhotep Society is to reward and recognize student leadership and service on campus, a secondary goal is to inspire students to continue leadership and service roles as alumni of the University.

Excellence in Teaching Awards

Each year the Student Government Association Executive Council (SGAEC) presents its Excellence in Teaching Awards at the Spring Banquet. Instructors are nominated for the award by students in the various colleges. Winners are then selected by the college student governments. Each college can select two winners except Social Work which selects one. The winners receive recognition at the banquet, a plaque and a $2500 stipend. Instructors may not win two years in a row. The SGAEC representative from the relevant college presents the award.

Some of the 06-07 Imhotep inductees pose with Dr. Cheryl Scheid, Vice Chancellor for Academic, Faculty, and Student Affairs (standing, 6th from left) at the Annual SGAEC/Faculty Senate Awards Banquet on May 7, 2007.

Executive Vice Chancellor and Chief of Staff Ken Brown, JD, PhD, was the recipient of the 2007 Imhotep award signifying outstanding service to students. April Cheung, 06-07 SGAEC President presents the award to Dr. Brown at the awards banquet.

Pictured receiving their awards are (clockwise from upper left) Barbara Da-Bray-Benstein, Ph.D., Allied Health; Russell A. Wicks, D.D.S., Dentistry; Stephen L. Foster, PharmD, Pharmacy; Muthiah P. Muthiah, M.D., Medicine; and Shelley J. White-Means, Ph.D., Graduate Health.

The SGAEC Excellence in Teaching Award Winners for 2006-2007, with the SGAEC Representative in parenthesis, are:

Allied Health Sciences (Lisa Emerson)
Judy K. Cliff
Barbara L. Dubray-Benstein, Ph.D.

Dentistry (Ryan Hanny)
Kenneth M. Anderson, D.D.S.
Russell A. Wicks, D.D.S.

Cheryl C. Stegbauer, Ph.D.

Pharmacy (Stephanie Baker)
Stephan L. Foster, PharmD, Andrea R. Franks, PharmD.

Social Work (Sara Croce)
Gregory Washington, Ph.D.

Congratulations to one and all!
The Office of Campus Recreation is the focal point for recreational opportunities at the UTHSC. Physical activity plays a vital role in the development and the maintenance of a healthy, well-adjusted individual. Our diverse programs in Fitness & Wellness, Instructional Programs, and Intramural Sports help us provide participants with lifelong activities to help individuals in their quest to enjoy life to its fullest.

The Instructional Program of Campus Recreation provides opportunities for students, faculty, and staff to participate in common activities around the world. Our goal is to provide an enjoyable and worthwhile experience with indoor activities. These skills can be transferred to our personal lives giving you the ability to dance, overcome fears, and become more active in a variety of activities.

The feverish, swirling beat of Zumba was the latest fitness craze on campus.
Intramural Sports

The mission of the Intramural Sports Program is to provide our students, faculty, staff, and their spouses with a variety of recreational opportunities in team, dual, and individual sports. The program exists to help students relieve stress, interact with students from other classes, get exercise, and introduce students to lifetime recreational activities.

Fitness & Wellness

The Fitness and Wellness Program of Campus Recreation offers many opportunities to enhance your personal health and wellness. Programs are designed to assist you in a variety of wellness-related topics including healthy eating, cardiovascular exercise, strength training, weight, stress, time management and personal health issues.
The Mission of the University

The Health Science Center aims to improve human health through education, research, clinical care and public service. The UT Health Science Center campuses include colleges of Allied Health Sciences, Dentistry, Graduate Health Sciences, Medicine, Nursing and Pharmacy. Patient care, professional education and research are carried out at hospitals and other clinical sites across Tennessee. Endowed professorships, Research Centers of Excellence, and continuing relationships with research and healthcare facilities across Tennessee ensure that both basic science and applied research stay focused on contemporary health topics.

Growing into the future...

Looking east down Madison Avenue, blooming Yoshino Cherry Trees frame the GEB.
Dr. Russell Gilpatrick

Dr. Gilpatrick began his tenure at the UTHSC - College of Dentistry in 1988, as an Associate Professor in the Department of General Dentistry. Some of his positions include Chair of the Department of General Dentistry, Associate Dean for Academic Affairs, and the Executive Associate Dean for Academic Affairs. In July 2003, Dr. Gilpatrick was appointed Professor and fourteenth Dean of the UTHSC - College of Dentistry. After serving as dean for four years, he retired from the University in August of 2007.

While at Tennessee, he was often recognized by UTHSC students, having been awarded 12 student and alumni awards during his 20-year tenure at the university, including two Excellence in Teaching Awards and the Outstanding Teacher of the College of Dentistry Award, sponsored by the University of Tennessee National Alumni Association. While serving as Dean of the College of Dentistry, Dr. Gilpatrick worked to create a student-friendly learning environment. He would always make a priority to be in attendance at many of the student planned events.

Before his retirement, he was recruited to help develop a new dental program at Midwestern University, College of Medicine in Glendale, Arizona where he became the Associate Dean for Academic Affairs. We wish Dr. Gilpatrick the best of luck in all of his future endeavors.

The Annual G.V. Black Tie Formal held @ the Memphis Zoo this year

Back to School Night @ T.J. Mulligans

The College of Dentistry Student Government Association, or CDGSA, serves as the collective voice of the students and functions as the local dental student government. It represents the dental college student body to the administration and faculty, dental profession, and the Memphis community.

CDGSA serves as a forum for students from each dental class to work together to promote changes for the betterment of the College.
ASDA
American Student Dental Association

The American Student Dental Association is a national student-run organization which promotes and advances the rights, interests, and welfare of students pursuing careers in dentistry. It represents students with a unified voice and provides information, education, advocacy, and services. The association initiates lifelong involvement in organized dentistry and promotes change for the betterment of the profession.

Our Graduates

A note about our graduates. Due to the varying times of completion for graduate students, it is very difficult to maintain accurate graduation pictures for the yearbook. Therefore, we have included a list of names in the event their picture was run in a previous year, or not until the next issue. We hope this aids the accuracy of our graduation section.

University of Tennessee College of Medicine Chattanooga
Bending the Art and Science of Medicine

David Seaberg, M.D.
Dean

The UT College of Medicine Chattanooga, in affiliation with its primary training site, Erlanger Health System, is the region's recognized leader in medical education and health care. Our mission is to provide quality medical education, patient care, research, and community service.

Late Summer 2008 was a time of great change for the College of Medicine Chattanooga. A new name was named for the campus: David C. Seaberg, M.D., CPE, FACEP. Dr. David Seaberg has brought vision, enthusiasm, and synergy to the University, initiating several changes during his first year:

- Creation of the position of Associate Dean for Academic Affairs and Designated Institutional Officer (Robert C. Fore, EdD, FACME).
- Assumed system-wide responsibility for Continuing Medical Education.
- Established an annual Department Chairs Retreat.
- Creation of the Office of Research, including a Scientific Review Committee and Research Advisory Council.
- Facilitated increase administrative support staff, including a Research/Technical Writer and Business Assistant.
- Established a statistical consult service for residents and faculty to encourage research activities.
- Renovation of medical student apartments.
- Renovation of teaching facilities (Probasco Auditorium and the West Wing 6 Conference room).
- Renovation of the main resident call area within Erlanger.
- Expansion of training in the Surgical Skills Laboratory including a Simulation Center.
- Began a Resident and Faculty Development Lecture Series to augment general competency topics covered in the Institutional Core Curriculum and to provide additional faculty development opportunities across the campus.
- Redesign of the campus website.
- Each year approximately 100 medical students participate in clinical clerkships and electives in Chattanooga. The College of Medicine Chattanooga sponsors a total of 11 accredited residencies and fellowship programs and two non-accreditation fellowships. The Graduate Medical Education Programs in Chattanooga involved 149 residents and fellows in 2007-2008.
- The College of Medicine Chattanooga received notification in February 2008 that the Accreditation Council for Graduate Medical Education and its Emergency Medicine Residency Review Committee had granted Initial Accreditation for an Emergency Medicine Residency Program based at the Erlanger Baroness Campus. The first class of EM residents will begin training in July 2008. The three year program will consist of six residents at each level, a total of eighteen residents when the program reaches maturity.
- Also, the Surgery Residency Review Committee granted Initial Accreditation for a Vascular Surgery Fellowship to begin July 2008. The program is a two year fellowship with one fellow at each level. In June 2008, the Department of Medicine will submit an accreditation application for a new Hospice/Palliative Care Fellowship. The first fellow will begin July 2008 and official accreditation is expected in January 2009.

This Is How We Do It

Men in black, the other version.

Girls just wanna have fun! (and so do the boys)

Freetime? What Freetime?

Hard at work

Model behavior

Asleep or awake, we work to perfect the art of procrastination.

The party animal

The rockstars

Give a little love.

Show a little muscle.
Showin' Off

Shady business
Dressed up and ready to party!

Our orange-blooded brothers

We must not cease from exploration, and the end of all of our exploring will be to arrive where we began and know the place for the first time.
T.S. Eliot

We Do It With Style.

The Casual.
The Stylish.
And the ones who do it the right.

Every man's dream
Good times, good friends

What can brown do for you?

Up to no good?

Doctors of the future:
We look, we listen.
And we give back.
We Go Together Like...

Yesterday is but today's memory, and tomorrow is today's dream.

Kahlil Gibran

Forever and Ever.

Alpha Omega Alpha
HONOR MEDICAL SOCIETY
Beta Chapter
THE UNIVERSITY OF TENNESSEE

Alpha Omega Alpha is the only national honor society in the world. Its reason for being can be expressed in a phrase: to recognize and perpetuate excellence in the medical profession. As stated in the society's constitution, "Alpha Omega Alpha is organized for educational purposes exclusively and not for profit, and its aims shall be the promotion of scholarship and research in medical schools, the encouragement of a high standard of character and conduct among medical students and graduates, and the recognition of high attainment in medical science, practice, and related fields." AOA elects outstanding medical students, graduates, alumni, faculty, and honorary members to its ranks. The society's key is designed after the Manubrium Sterni. The letters AOA, engraved on the key, represent not only the name of the honor society, but the essential words in its motto:

ΑΈις ύφελειν τούς ολγούντας
"To be worthy to serve the suffering"

The University of Tennessee College of Pharmacy promotes academic excellence and leadership among its students. There are two national honor societies that recognize those students who excel in these areas. Rho Chi sponsors an annual book sale, study skills workshop, and provides tutoring. Phi Lambda Sigma actively participates in interview days and Pharmacy Weekend.
