Using UT Medical Center has to offer at your fingertips.

Never get lost with turn-by-turn directions to any department, amenity or parking.

You have arrived, stress free.

Save your parking spot and you back no problem.

The UTMC Way app helps you easily access The University of Tennessee Medical Center. We found a way to make it easy for you to find your way from home to any medical center campus destination with turn-by-turn, guided navigation. There's even a parking garage reminder pin to find your way back to your car after your visit. You can also find a doctor and access your patient portal. Key app features include:

### **Directions to Locker Room**

1. Using the UTMC Way App, click on "Maps & Location" option.
2. To the top of the app, you will see "Search Plates". Type in the following in the box – Vending 6<sup>th</sup> Floor – Critical Observation Unit.
3. Follow the route provided by the app until you reach the 6<sup>th</sup> floor.
4. When stepping off the elevator, turn right and you will see a secure door entrance. To gain entry, you must swipe your security access card using the access card swipe box.
5. Upon entry, walk down the hall until you arrive at Room 644-N. Use code 9618 to enter.

Two notices or posters are posted on a light-colored pillar. The top notice is smaller and less legible, while the bottom notice is larger and appears to be a policy or informational document.

A sign on a silver stand in the middle of the office. The sign is white with black text and features three small red icons at the bottom. The text is partially legible and appears to be a notice or policy.
