The University of Tennessee College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Successful completion of this application-based activity will provide a statement for nine & 3/4 (9.75) live contact hours credit (0.975 CEUs) and will be mailed within 3 weeks following the activity. Successful completion includes attending the session, signing the attendance sheet, and completion of the activity evaluation form. UAN: 0064-9999-18-027-L01-P

NABP e-PROFILE ID NUMBER: Your CE credits will also be submitted electronically to NABP. Pharmacists with questions regarding their NABP e-Profile or CPE Monitor should refer to the FAQ section on the NABP website: www.nabp.net/programs/cpe-monitor/cpemonitor-service. To receive credit for your participation in this course, all pharmacists must include their NABP e-Profile ID number, along with their month and date of birth. If incorrect information is provided, this will result in “rejected” status from the CPE Monitor. It is the responsibility of the participant to notify The University of Tennessee (within the 60 day submission timeframe) of their corrected information. Otherwise, the completed CE will not be accepted by the CPE Monitor.

Please Note: Pharmacists must attend all sessions on both Friday and Saturday to receive CE credit. There will be no partial credit issued for pharmacists.

Additionally, ACPE has initiated a new policy stating that if a participant does not supply their correct NABP # and date of birth in a timely manner and late submission is requested, there will be a $200 fee assessed for late submission permission.
