Notes:

1. Tuition and fees are subject to change by the UT Board of Trustees. Tuition amounts reflect full-time (12+ credits/semester) attendance. If a student enrolls less than full-time, the Office of Financial Aid will revise the cost of attendance and reduce aid accordingly. Minimum enrollment level required for aid disbursement is 6 credits for Federal loans.
2. Fees include \$4615 annually for student health insurance which can be waived with proof of insurance and \$220 annually for loan fees which may not apply to all students.
3. Personal expenses are estimated and not paid directly to the institution. Itemized Monthly Personal Allowance based on fall and spring budget for 12 months. Excess financial aid refunds may be used to offset personal expenses.
4. Housing amount assumes single occupancy for off-campus living.
5. A dependent care allowance may increase the single student budget for certain categories of students (with children) who have little or no income.
