

Join the Patient Advisory Council!

The Tennessee Heart Health Network is looking for people like you who are willing to share their stories and help improve the lives of Tennesseans.

Do you have or do you take care of someone who has these conditions?

heart disease	diabetes	chronic kidney disease
depression	asthma	heart failure
high blood pressure	high cholesterol	irregular heartbeat
obesity		

How can you help?

Participate in monthly meetings and share your personal experiences of care for heart health in Tennessee.

Provide feedback for the Tennessee Heart Health Network to help improve primary care for heart health across the state.

Why should you join?

- ✓ Help improve healthcare for you and your community
- ✓ Connect with others who are also dedicated to improving healthcare
- ✓ \$25 stipend for each meeting attended
