

**UTHSC - General Surgery Clinical Rotation G&O**

**Sponsoring Institution: MLH    Site: MUH    Rotations: Night Float    PGY 1**

**Rotation Objectives**

By the end of the Night float rotation at the MUH, PGY 1 residents are expected to expand and cultivate skills and knowledge learned during previous training and to achieve the following objectives based on the six general competencies. The resident should exhibit an increasing level of responsibility and independency as he or she progresses throughout the year.

| Competency        | Required Skill(s)  | Teaching Method(s)   | Formative Evaluation Method(s)   | Frequency of Evaluation                             |
|-------------------|--|--|--|---|
| Patient Care      | <b>SPECIALTY SPECIFIC OBJECTIVES</b>   |  |  |   |
|                   | Under direct supervision perform history and physical exam and manage post op and post injury patients                               | Clinical Teaching<br>Conferences/Didactics<br>Self Directed Learning                               | Focused Observation<br>Global Rating<br>360 Degree<br>Mock Oral Exam           | Daily<br>Monthly<br>Monthly<br>Annually             |
