

Sharing a My Mediasite link on Blackboard

My Mediasite is a video platform that allows you to easily record and share video content in your courses. My Mediasite can be used both within and outside of Blackboard to record and publish lectures from your desktop, record live class lectures from a classroom computer, and upload videos from almost any device for easy sharing with your students.

While inside your Blackboard Course, make sure Edit Mode is **ON**

Edit Mode is: **ON**

Choose a Content Area

1. From the **Course Menu**, select the **Content Area** into which you want to add video (e.g. *Course Documents*)
2. Hover over the **Build Content** button at the top left hand of the screen
3. Select **Item**

Adding the Item

Create Item

A content item is any type of file, text, image, or link that appears to users in a Content Area, Learning Module, Lesson Plan, or content folder

* Indicates a required field.

CONTENT INFORMATION

* Name 1 My Mediasite Overview

Color of Name █ Black

Text

Click to expand and collapse toolbar.

1. Add a name for the item
2. Click the **Mashups** tool button on the text box's toolbar, and select **Mediasite Presentations** (if the tool bar is not expanded, click on the up arrows to the far right)

SEARCH

Find one or more Mediasite presentations to add to this course by searching the title, description, tags and/or presenters. The "Advanced Search" provides options to fine tune the search.

MDR [Advanced Search](#)

Showing 3 matching presentations.

- Another recording directly from MDR 4/9/18
- First MDR edited 4/11/18
- First MDR Recording 4/11/18

*Click **Submit** to proceed.*

1. Type in your presentation/video name and click **Search Presentations**
2. Check the box next to the preferred video
3. Click **Submit** to add the selected presentation

Optional Settings

ATTACHMENTS

You can drag files from your computer to the Attach Files area or use the browse functions. Files are saved in the top-level folder in your course's file repository. Select **Do Not Attach** to remove a selected file.

Attach Files **1** Browse My Computer Browse Content Collection

STANDARD OPTIONS

Permit Users to View this Content Yes No

Track Number of Views Yes No **2**

Select Date and Time Restrictions

Display After

Enter dates as mm/dd/yyyy. Time may be entered in any increment.

Display Until

Enter dates as mm/dd/yyyy. Time may be entered in any increment.

Click **Submit** to proceed.

Cancel **Submit** **3**

Now that the link has been added:

1. To add any supporting documents, browse your computer to locate and attach them
2. Set the options for the item (*i.e. availability, dates and times, ...*)
